FOREWORD

The Kentucky Constitution requires each chamber of the General Assembly to keep a journal as a public accounting of daily legislative activity. The journal is the official record of action.

The Kentucky Revised Statutes require the Legislative Research Commission to compile, edit, correct, and publish the journals of each chamber. This is the House Journal for the Regular Session of the 2007 General Assembly.

Texts of bills, joint resolutions, and concurrent resolutions appear in the journal on the day of their first reading. Texts of simple resolutions appear on the day of either their first reading or adoption. Texts of committee amendments appear when they are reported out of committee and floor amendments are inserted at the end of the day on which they were filed. The appendices include a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a sponsor and subject index.

JoAnn Paulin, Marlene Rutherford, and Billie Gabbard prepared the *House Journal* for the 2007 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

The roll was called. All members were present.

Representative Ballard moved to suspend the rules for the purpose of allowing members who want to be co-sponsors of bills and resolutions or to submit vote modifications for recording on the next legislative day to do so if they have filed the proper papers with the clerk. Agreed.

Representative Adkins moved that the rules be suspended to introduce and act on a Resolution. Agreed.

Introduction of Bills and Resolutions

HR 17, by Representative Hoover: A RESOLUTION adjourning the House of Representatives in loving memory and honor of the late Gerald R. Ford, the 38th President of the United States of America, whose journey through this earthly life ended on December 26, 2006, after 93 years.

Representative Hoover moved the adoption of the following **HR 17**:

HR 17, A RESOLUTION adjourning the House of Representatives in loving memory and honor of the late Gerald R. Ford, the 38th President of the United States of America, whose journey through this earthly life ended on December 26, 2006, after 93 years.

WHEREAS, there are moments that remind us that we are all Americans, regardless of political party, philosophy, or ideology, and the passing of a Commander in Chief brings us to one of those moments in time; and

WHEREAS, Gerald Rudolph Ford was born Leslie Lynch King, Jr., on July 13, 1913, the son of Leslie Lynch King and Dorothy Ayer Gardner King, in Omaha, Nebraska. Following the divorce of his parents and a move to Grand Rapids, Michigan, he was adopted by his new stepfather, and was later renamed Gerald Rudolph Ford. The future president grew up in a closely-knit family which included three younger half-brothers, Thomas, Richard, and James; and

WHEREAS, Gerald Ford excelled scholastically and athletically in high school, being named to the honor society and the All-City and All-State football teams. He was also active in scouting, achieving the rank of Eagle Scout in November of 1927. From 1931 to 1935, he attended the University of Michigan, majoring in economics and political science, and graduating in June of 1935. A gifted athlete, he played on the University's national championship football teams in 1932 and 1933, and was voted the Wolverines' most valuable player in 1934. In 1935, he played in the annual East-West College All-Star game for the benefit of the Shrine Crippled Children's Hospital, and in August, 1935, he played in the Chicago Tribune College All-Star football game at Soldier Field against the Chicago Bears; and

WHEREAS, Gerald Ford received offers to play football for the Detroit Lions and the Green Bay Packers, but chose instead to take a coaching position at Yale, with the hope of attending law school there. He was admitted in the spring of 1938, and earned his LL.B. degree in 1941, graduating in the top 25% of his class in spite of his full-time coaching duties. In April, 1942, the future Commander in Chief joined the U.S. Naval Reserve, receiving a commission as an ensign, first being assigned as a physical fitness instructor at a preflight school in Chapel Hill, North Carolina, and then, in 1943, he was assigned to the aircraft carrier *USS Monterey*, which took part in most of the major operations in the South Pacific. Nearly losing his life in a typhoon and resulting fire which severely damaged the ship, Ford was soon discharged as a lieutenant commander in February, 1946; and

WHEREAS, upon his return to Grand Rapids, Gerald Ford decided to challenge the isolationist incumbent Bartel Jonkman for the Republican nomination for the U.S. House of Representatives in the 1948 election, which he won handily, and went on to be elected to Congress on November 2, 1948, receiving 61% of the vote in the general election. During the campaign, Gerald Ford married Elizabeth Anne Bloomer Warren, and the couple would eventually have four children, Michael Gerald, John Gardner, Steven Meigs, and Susan Elizabeth; and

WHEREAS, Gerald R. Ford served in the House of Representatives from January 3, 1949 until December 6, 1973, being reelected 12 times, each time garnering more than 60% of the vote. As his reputation as a forthright and honest legislator flourished, he was mentioned as a possible running mate for Richard Nixon in 1960, but he remained in the House, where, in 1961, in a revolt of the "Young Turks," Ford defeated sixty-seven year old Charles Hoeven of Iowa to become Chairman of the House Republican Conference, the number three leadership position the party. In 1963, Congressman Ford was appointed by President Lyndon Johnson as a member of the Warren Commission, charged with the responsibility of investigating the assassination of President John F. Kennedy, and in 1965, he was elected minority leader of the House, a position he would hold for eight years; and

WHEREAS, in 1973, when Vice-President Spiro Agnew resigned his office after pleading no contest to a charge of income tax evasion, Gerald Ford was appointed to serve as Vice President by President Richard Nixon. Following intense scrutiny and a thorough background investigation by the FBI, Ford was confirmed and sworn into office on December 6, 1973. The following year, when it became apparent that President Nixon was facing the threat of impeachment due to circumstances surrounding the Watergate scandal, the president resigned, and on August 9, 1974, Gerald R. Ford, whose only ambition had been to be Speaker of the House of Representatives, was sworn in as the 38th President of the United States; and

WHEREAS, believing that protracted impeachment proceedings would only further divide an already crippled nation, President Ford stood firm against political pundits and critics, and a month after assuming office, formally granted a complete pardon to former President Nixon, hoping to heal the wounds of a disillusioned nation. While the decision to pardon the former president was unpopular among many, and probably exacted a heavy political price for President Ford, he never expressed regret for his action; and

WHEREAS, upon the passing of this great American, many have invoked words such as "decent," "capable," and "integrity" to describe Gerald R. Ford, perhaps it is most fitting to recall his own words spoken in August, 1974, upon becoming president: "My fellow Americans, our long national nightmare is over. Our Constitution works. Our great Republic is a government of laws and not of men. Here the people rule. As we bind up the internal wounds of Watergate, more painful and more poisonous than those of foreign wars, let us restore the Golden Rule to our political process and let brotherly love purge our hearts of suspicion and hate"; and

WHEREAS, Gerald R. Ford is survived by his loving and devoted wife of 58 years, Betty, who, as First Lady, exhibited great courage in her own right by openly discussing issues such as addiction, the emotional trauma of breast cancer, and the trials of rearing teenagers in the public eye; by his children, Michael, John, Steven, and Susan; and by several grandchildren and great-grandchildren;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives expresses its deep sense of loss upon the passing of the 38th President of the United States, Gerald R. Ford, and extends to his family and friends its sincere sympathy, and heartfelt gratitude for this extraordinary American's service to his country.

Section 2. When the House of Representatives adjourns this day, it does so in loving memory and honor of the late Gerald R. Ford, public servant.

Section 3. The Clerk of the House of Representatives is directed to transmit copies of this Resolution to First Lady Betty Ford, office of Gerald R. Ford, P.O. Box 927, Rancho Mirage, California 92270, and to the Gerald R. Ford Library, 1000 Beal Avenue, Ann Arbor, Michigan 48109.

There being no objection, **HR 17** was adopted.

The roll call was opened for co-sponsors. On the roll call for co-sponsors of **HR 17** the vote was: **Yeas 100**. (See January 2, 2007, roll call to show co-sponsors on **HR** 17-Appendix.)

Representative Adkins moved that the Journal reflect that each member produced a Certificate of Election and that these certificates be confirmed. Agreed.

Representative Adkins moved to grant floor privileges to special guests. Agreed.

Representative Adkins moved the nomination of the following House Constitutional Officers to serve until midnight, December 31, 2007:

Chief Clerk	Jean Burgin
Asst. Clerk	Sandi Morris
Enrolling Clerk	Margaret Watts
Sergeant at Arms	George Fritz
Chief Doorkeeper	J. O. Whitaker
Cloakroom Keeper	Barry Holder
Janitor	Bob Goodwin
Janitor	Frank Smith

Representative Adkins moved that the nominations cease and the Constitutional Officers be elected by acclamation. Agreed.

The oath of office was administered to the Constitutional Officers by the Honorable Mary C. Noble, Justice of the Kentucky Supreme Court.

Representative Adkins moved that the reading of pre-filed bills by sponsor and title be waived and a list of these be spread upon the Journal. Agreed.

Representative Adkins moved the adoption of the following **HR 1**:

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The Sergeant-at-Arms is directed to invite the pastors of the various churches in Frankfort to attend the meetings of the House of Representatives and open daily sessions of the 2007 Regular Session with prayer.

There being no objection, **HR 1** was adopted.

Representative Adkins moved the adoption of the following **HR 2**:

HR 2, A RESOLUTION adopting the Rules of Procedure for the 2007 Regular Session of the House of Representatives.

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The following Rules of Procedure are adopted to govern the 2007 Regular Session of the House of Representatives.

Rule 1.Hours of Meeting. The House shall meet at times set by the Committee on Committees.

Rule 2.Quorum. A majority of the members elected to the House shall constitute a quorum. If a quorum is not present at the time fixed for a meeting of the House, five members may adjourn or recess from day to day or from time to time and fifteen members may order a call of the House and send for absent members.

Rule 3.Call of the House. Upon a call of the House, the Clerk shall call the roll. Absentees are then only noted, but no excuses shall be made until the full roll is called. The Clerk shall then call the absentees again. Excuses will be heard at this time. The doors of the House Chamber shall then be closed and the absentees not excused by the House may be sent for and arrested by the Sergeant-at-Arms and the House shall determine upon what conditions they shall be discharged from arrest. Members who voluntarily appear shall be immediately admitted to the floor of the House and names returned upon the Journal as present unless the House otherwise directs. Excuses for leaves of absence must receive a consent approval of two-thirds of the members elected.

ORDER OF BUSINESS

Rule 4.Order of Business. The order of business shall be as follows:

1. Invocation.
2. Pledge of Allegiance.
3. Roll Call.
4. Reading and Approval of the Journal.
5. Introduction and Reading of New Bills and Resolutions Introduced by Title and Sponsor.
6. Report of Reference of Bills to Committees.
7. Report of Committees.
8. First Reading of Bills.
9. Second Reading of Bills.
10. Orders of the Day.
11. Motions, Petitions and Communications.
12. Announcements.
13. Adjournment.

No more than 30 minutes shall be allotted to Motions, Petitions and Communications.

Rule 5.Unfinished Business. Unfinished business which was being considered upon adjournment shall have precedence in the class of business to which it properly belongs upon the next succeeding legislative day.

MOTIONS

Rule 6.Reading of Motions. When a motion has been made and seconded, it shall be stated by the Speaker, or, being in written form, it shall be read by the Clerk before debate, amendment or motion concerning it shall be in order.

Rule 7.Withdrawal of Motions. Every oral motion after it has been stated by the Speaker, and every written motion, bill, resolution or other paper, after it has been read by the Clerk, shall be the property and in the possession of the House and shall not be withdrawn without consent of the House. Every written motion, report or measure may be committed or recommitted at the pleasure of the House.

Rule 8.Order of Questions. All questions, whether in Committee of the Whole or in the House, when not privileged questions, shall be propounded in the order in which they were moved, except that in filling blanks the smallest sum and the most remote date shall be put first.

Rule 9. Precedence of Motions. When a question is under consideration, no motion shall be in order except:

1. To call the House when there is no quorum present.
2. To fix the time to which the House shall adjourn.
3. To adjourn.
4. To take recess.
5. To lay on the table.
6. For the previous question.
7. To limit or extend limits of debate.
8. To postpone to a fixed time.
9. To lay on the Clerk's desk.
10. To refer or commit.
11. To amend.
12. To postpone indefinitely.

The above several motions shall have precedence in the order in which they are arranged and the first seven of them shall not be debatable.

A second motion to adjourn, to take a recess, to lay on the table, for the previous question, to limit or extend limits of debate, to postpone to a time certain, to lay on the Clerk's desk, to refer or commit or to postpone indefinitely shall not be in order on the same day, upon the same question, and at the same status unless other business intervenes; provided, however, that amendments may be made to the time to which it is proposed to adjourn, to take a recess or to postpone to a fixed time.

Rule 10. Motion to Adjourn. A motion to adjourn, to take a recess, or a motion to adjourn to a time certain, shall always be in order, except when a member is speaking, while a vote is being taken or when the Committee on Committees is reporting; subject, however, to the limitations set out in Rule 9. A motion to adjourn or a motion to adjourn to a time certain shall be taken by roll call vote, unless the motion is made after the House has reached adjournment in the order of business under Rule 4, in which case adjournment shall be by voice vote unless a roll call is ordered by a majority of the members.

Rule 11. Motion to Table. The adoption of the motion to table, under these rules, defeats the subject matter under consideration. The reconsideration of the motion to table shall require approval of a majority of the members elected.

Rule 12. Previous Question. The previous question may be ordered by a majority of the members elected. On the call of the roll, no member shall be allowed to speak more than three minutes to explain a vote and shall not speak at all if the question is not a debatable question. The effect of the previous question shall be to put an end to debate on any pending amendment; to prevent the offering of additional amendments and to bring the House to an immediate vote upon any amendment that has been called and is in order. Once the previous question has been ordered, and any pending amendment has been voted upon, the opponents of the measure shall have ten minutes, and proponents of the measure shall have ten minutes, before the vote upon the main question.

Rule 13. Motion to Set the Limits on Debate. A motion to set a time limit for debate on a measure, in excess of that permitted under Rule 12, shall be in order unless the previous question shall have been ordered on the measure. The time limit set for debate under this rule shall be allotted by the Speaker evenly between the opponents of the measure and the proponents of the measure. Adoption of a motion under this rule does not prevent the offering of additional amendments.

Rule 14. Motion to Reconsider. A motion to reconsider a vote shall not be in order unless made by a member who voted upon the prevailing side of the question, nor shall that motion be in order unless made within two legislative days in which the House is in session next after the date the vote was taken and the bill or resolution is in the possession of the House; however, the motion to reconsider when coupled with the additional motion to lay that motion upon the table may be made by any member. For purposes of this rule, a member who is recorded as "not voting" on a proposition which failed is considered to have voted on the prevailing side. Procedural motions, such as a motion to lay on the table or lay on the clerk's desk, shall not be subject to a motion to reconsider.

Rule 15. Motion to Lay on Clerk's Desk. The effect of the adoption of a motion to lay on the Clerk's desk under these rules is to place in charge of the Clerk the pending question and everything adhering to it. A motion laid on the Clerk's desk may be taken from the desk and proceeded with at any time in the same order as when laid on the Clerk's desk.

Rule 16. Motion to Strike Out Enacting Clause. A motion to amend by striking out the enacting words of a bill or resolution shall have precedence over a motion to amend; and, if adopted, shall have the same effect as though the bill or resolution were regularly voted upon and rejected.

Rule 17. Motion to Separate Part of a Measure. A motion to commit, recommit, or postpone a part of a measure so as to separate that part of the measure from the remainder shall not be in order.

Rule 18. Postponement of Measure. When a measure shall have been postponed indefinitely it shall not be in order again during the session.

Rule 19. **Reading of Pending Papers.** Any pending bill, resolution, motion or report shall be read upon the request of any member, with the concurrence of a majority of the members elected to the House, but it shall not again be read on the same day unless so ordered by the House.

Rule 20. **Nominations.** In all elections a previous nomination shall be made.

MEMBERS

Rule 21. **Attendance of Members.** No member shall be absent from a session of the House without leave from the House.

Rule 22. **Decorum of Members.** No member shall designate another member by name.

Rule 22A. **Point of Personal Privilege.** To be in order, a point of personal privilege must relate to allegations regarding the rights, reputation, or conduct of a member personally, in the member's capacity as a representative, that, if true, would incapacitate them for membership. Members who have the floor after claiming a point of personal privilege shall confine themselves to defending their own rights, reputations, or conduct, and not those of other members. Members wishing to make general comments about pending legislation, media coverage, or other matters that would be out of order if raised as a point of personal privilege shall use Motions, Petitions, and Communications.

Rule 23. **Call to Order.** If any member, in speech or otherwise, transgresses the rules of order or decorum, the member shall immediately be called to order by the chair and shall be seated. The Clerk shall reduce the objectionable words to writing and read them to the House. After hearing a short explanation from the member called to order, or upon the withdrawal of the objectionable language, the Speaker may permit the member to proceed, or may compel silence upon the member until the matter is disposed of. The ruling of the chair shall be subject to an appeal to the House. A member offending the House shall be liable to censure.

Rule 24. **Debate.** No member may speak more than once to the same subject until all members desiring to be heard have spoken, but nothing in this rule shall do away with the previous question if then in effect, nor permit debate on an undebatable motion.

No member shall speak more than thirty minutes in the aggregate on any question or measure, at the end of which period, or any portion thereof, the floor shall be returned to the Speaker.

Rule 25. **Members Shall Vote at Seats.** A member shall vote only when at the member's seat or visibly approaching it.

OFFICERS AND EMPLOYEES

Rule 26. **Duties of Speaker.** The Speaker shall take the chair every day precisely at the hour fixed for the meeting of the House and on the appearance of a quorum, shall cause the Journal of the preceding day to be read, unless the reading of the same is dispensed with by the House.

The Speaker shall preserve decorum and order and, in the event of any disorder in the gallery or in the House Chamber, may cause the same to be cleared of any persons creating disturbances or disorders.

All writs, warrants, subpoenas or other processes shall be signed by the officer who may be presiding over the House when the paper is issued; and the presiding officer's signature shall be attested by the Clerk, when ordered by a majority of the members.

Rule 27. **Appeal from Decision of Chair.** The Speaker while presiding may speak to points of order in preference to members. The Speaker shall decide points of order and manner of procedure. If two or more members arise from their respective seats and address the chair, the Speaker shall determine who was first and recognize that member.

Any decision made by the Speaker shall be subject to appeal to the House. Every appeal shall be in writing and signed by at least two members. During the pendency of an appeal to the House from a decision of the chair, the Speaker shall vacate the chair and call the Speaker Pro Tempore to preside. When the Speaker Pro Tempore is presiding on an appeal to the House from a decision of the Chair, no motion or business shall be in order except the motion on appeal from the decision of the Chair, and that motion shall not be debatable. The ruling of the Speaker shall be sustained unless a majority of the members elected to the House oppose the ruling.

Rule 28. **Speaker Pro Tempore.** The House shall elect a Speaker Pro Tempore. The Speaker Pro Tempore shall perform the duties of the Speaker when the Speaker is absent from the House or when empowered by the Speaker to perform the duties of the Chair.

Rule 29. **Duties of Legislative Research Commission.** The Legislative Research Commission shall have charge of all clerical, technical and procedural matters which relate to legislation including but not limited to: notification of committees of their appointment and business referred to them; keeping a calendar showing such bills as are entitled to their second reading each day, distinguishing between House and Senate bills; supervising the engrossing and enrolling of bills; and such other matters as are assigned by the Committee on Committees.

Rule 29A. **Duties of Clerk.** The Clerk shall have charge of clerical and administrative functions not assigned to the Legislative Research Commission and shall cooperate with the Commission to facilitate the work of the House. The Clerk shall read to the House papers ordered to be read; call the roll and note the answers of members when a question is taken by yeas and nays; assist the Speaker in taking the count when any vote of the House is taken; attest all writs, warrants and subpoenas issued by order of the House; certify to the passage of all bills and to the adoption of all joint and concurrent resolutions by the General Assembly; and make all reports to the Senate. The Clerk shall perform such other duties as are assigned by the Committee on Committees.

Rule 30. **Journal of Proceedings.** The Legislative Research Commission shall cause to be kept the Journal of the proceedings of the House. The Commission staff shall note upon the Journal all questions of order, together with the disposition of same, and the dates upon which all bills and resolutions were sent to committee and returned to the House. The House may correct errors in the Journal the day the Journal containing errors is presented to the House. No record which is in the hands of the Commission staff and is required by law to be entered upon the Journal of the House shall be copied by any person until same shall have been entered upon the Journal and that Journal shall have been approved.

Half an hour before the time fixed for the meeting of the House each day, the Commission staff shall be present at the Clerk's desk with the Journal of the preceding session for inspection of any member of the House.

The Journal for each day, as soon as it has been approved by the House, shall be delivered by the Commission staff to the public printer. The Commission staff shall proofread and index the Journal upon return from the printer and make necessary typographical corrections.

Rule 31. **Custody of Papers.** The Legislative Research Commission shall have custody of all records, minutes, reports, and documents pertaining to legislation, and shall not allow them to be taken from its possession without the leave of the House, unless to be delivered to the chair of a committee to which they have been referred. The Legislative Research Commission shall cause to be enclosed on bills and papers brief notes of proceedings had thereon by the House and preserve the same in convenient files for reference. The Director of the Legislative Research Commission shall implement a policy to provide for the maintenance and distribution of the records, papers, and bills of the legislative branch.

Rule 32. **Accounts of Expenditures.** The Legislative Research Commission shall keep the accounts for pay and mileage of members, officers and attaches, and for printing and other contingent expenses of the House and Senate.

Rule 33. **Printing of House Papers.** The Legislative Research Commission shall have supervision and charge of all printing done for the House as certified by the Clerk and the public printer shall print only such documents and other matter as the Legislative Research Commission authorizes. The Clerk shall report to the Speaker every failure to execute printing work correctly and promptly.

Rule 34. **Duties of the Sergeant-at-Arms.** It shall be the duty of the Sergeant-at-Arms and the Doorkeeper to exclude or remove all persons not entitled to the floor of the House. One hour before convening of the House each day the Sergeant-at-Arms shall announce in a loud, distinct voice: "All persons not entitled to the floor of the House under the rules thereof will now vacate the House Chamber." The Sergeant-at-Arms shall then compel all persons who are not entitled to remain therein to leave the House Chambers and shall prohibit their entry until one hour after the House has adjourned.

Rule 35. **Appointment and Conduct of Constitutional Employees.** The constitutional employees of the House shall be appointed by election during the regular sessions of the General Assembly and shall serve one year terms or until the election of their successors.

All the constitutional employees of the House, shall, one hour before the meeting of the House each day, report to the Clerk, who shall report to the Committee on Committees whether or not all of the employees are on duty. The Rules Committee may refer any bill or resolution before it back to a standing committee. If a bill which includes incarceration as a possible penalty has been received by the Rules Committee from a standing committee other than the Committee on Judiciary, the bill shall be referred to the Committee on Judiciary. A bill or resolution may be placed for consideration in the first order of business at the next regular Rules Committee meeting by a majority of the membership voting for such consideration.

Each member shall be given an opportunity upon request to appear before the Rules Committee when a bill of which the member is a sponsor or co-sponsor is under consideration including the subsequent vote thereon. No measure shall be posted in the Orders of the Day for final passage except by order of the Rules Committee unless otherwise ordered posted for the next succeeding legislative day by a majority of the members voting. The Rules Committee shall arrange the Orders of the Day so that all measures shall appear thereon for the consideration of the House, but the Rules Committee may not place in the Orders of the Day any bill or other measure in the possession of a standing or special committee of the House. The Rules Committee, prior to each day's session, shall post a notice in a regular place in the House Chamber listing the bills to be considered that day in the Orders of the Day. Should the House not complete any day's Orders of the Day, the bills and resolutions remaining unconsidered shall go to the top of the Orders of the Day on the next day that Orders of the Day are considered.

The Speaker of the House shall be the Chair of the Rules Committee. The Majority Floor Leader of the House shall act for the Rules Committee in calling from the Orders of the Day any bills or resolutions in the order the Majority Floor Leader deems proper and shall be recognized by the Speaker for that purpose during all times that the Rules Committee is in charge of posting the Orders of the Day. On four of the subcommittees, as designated by the Committee on Committees, four members shall be members of the Committee on Appropriations and Revenue designated by the chair of that committee, and three members shall be appointed by the Committee on Committees from the membership of one or more of the remaining standing committees of the House. On the remaining two subcommittees, either three or four members shall be appointed by the Committee on Committees from the membership of one or more of the remaining standing committees of the House, and the remaining members shall be members of the Committee on Appropriations and Revenue designated by the chair of that committee. A member of the Committee on Appropriations and Revenue may, however, serve on no more than one standing subcommittee. The chair of each standing subcommittee shall be appointed by the chair of the Committee on Appropriations and Revenue from the membership of that committee on the particular standing subcommittee.

The liaison subcommittee members of a standing subcommittee shall have full voting authority in all matters before a standing subcommittee.

The Committee on Committees may assign the chair of a standing committee as an ex officio non-voting member of a standing subcommittee.

Rule 42A. Budget Review. The standing budget review subcommittees shall notify the membership of the standing substantive committees whose jurisdictional area will be affected by their action of any meetings or hearings and the members of the standing committees may participate as non-voting members.

When the budget review subcommittees have concluded their hearings and formulated their recommendations they shall communicate their recommendations to the affected standing committee or committees who may thereafter file a written response to the recommendations, which response shall be transmitted to the full Committee on Appropriations and Revenue with the subcommittee recommendations.

When the full Committee on Appropriations and Revenue has reported the final budget bill or bills to the floor, it shall notify the affected standing committees of the content of the budget relating to their areas of jurisdiction.

The Rules Committee shall not post for passage any budget bill less than five days after the bill has been finally reported out of committee.

Rule 43. Enrollment Committee. The Committee on Committees shall appoint an Enrollment Committee of not more than seven members. The Enrollment Committee shall be responsible for the engrossment and enrollment of bills and resolutions.

Rule 44. Conference Committees. When a House bill has been amended in the Senate and the House refuses to concur in the amendment, or when a Senate bill has been amended in the House and the Senate refuses to concur in the amendment and when neither will recede from that action, the Committee on Committees shall appoint a Conference Committee to meet a like committee from the Senate. The Conference Committee shall confer with the Senate Committee and report back to the House within a reasonable time, in the same manner as reports are made for House bills. The conference report shall make no recommendation other than agreement upon or rejection of the matter or matters in controversy, and shall be voted upon, and, if adopted the bill shall immediately be put upon its final passage.

Should a conference committee report its inability to submit a report, or if either house refuses to adopt its report, each house may appoint a free conference committee, consisting of three or more members. A free conference committee shall propose no new appropriation or any appropriation above the level originally designed by either chamber. The free conference report shall be voted on, and if adopted, the bill shall immediately be put upon its final passage.

A conference committee or free conference committee report shall be signed by a majority from each house or it shall not be in order.

Where both majority and minority conference or free conference reports are submitted, a motion to adopt the majority report shall first be considered and a motion to adopt a minority report shall not be in order unless a motion to adopt the majority report fails. Once the majority or minority report is adopted, the bill shall immediately be put upon its final passage.

Except for report of disagreement, the question of consideration of the report of a conference committee or a free conference committee shall not be in order on the same legislative day as distribution of copies of the report together with a staff analysis of the report to the members of the House.

Rule 44A. Majority and Minority Caucuses. The Majority Caucus of the House of Representatives shall consist of all House members of majority party affiliation. The Minority Caucus of the House of Representatives shall consist of all House members of minority party affiliation. The majority and minority caucuses of the House of Representatives shall be committees, other than standing committees, of the House of Representatives and General Assembly.

Rule 45. Meetings of Committees. No committee except the Committee on Committees, the Enrollment Committee and a Conference Committee between the House and the Senate shall sit while the House is in session, unless by consent of the

House. The Committee on Committees and Enrollment Committee may report at any time except during roll call or while a vote is being taken.

The Committee on Committees, in conference with committee chairs, shall schedule a definite time and place for the regular weekly meetings of each committee, and that schedule shall be posted in the House Chamber and published in the Legislative Record. A committee shall meet at the regular weekly scheduled time and place so long as business is pending before the committee. The Chair or a majority of any committee may call a special meeting in addition to those regularly scheduled.

The Chair shall keep a record of the attendance of members at meetings, which record shall be filed with the Clerk.

The Director of the Legislative Research Commission, under the direction of the Committee on Committees, shall assign a secretary to each committee and provide any professional, clerical or other employees required by any committee.

The Committee on Committees shall meet on call of the Speaker or on call of a majority of the members of the Committee on Committees.

Rule 46. Committee Reports. No bill or resolution shall be considered by the House except on report of committee. A standing committee may report a bill or resolution in the following manner:

"With the expression of opinion that the same should pass," or

"With the expression of opinion that the same should pass, with the committee amendment attached thereto," or

"With the expression of opinion that the same should pass, with the committee substitute attached thereto," or

"With the expression of opinion that the same should not pass."

Rule 47. Standing and Special Committee Reports. It shall require a majority of the committee membership to report a bill or resolution. The chair shall keep a record of the vote of each member on the disposition of each bill, and shall report the total vote on each side to the House. The chair may sign reports on behalf of a majority of the committee members. The chair's signature shall attest to the action of a majority, but shall not be construed as the chair's personal approval or disapproval of the bill.

A committee report may be accompanied by a minority report, signed by those members who have dissented from the committee's report, and it shall be in order to move the adoption of the minority report as a substitute for the committee's report when the committee offers its report. It shall require a majority of the members elected to adopt the minority report. The committee's report shall always be read before the minority report is read. Where both majority and minority reports are submitted, a motion to adopt the majority report shall first be considered, and a motion to adopt a minority report shall not be in order unless a motion to adopt the majority report fails.

Rule 48. Discharge Petition. Whenever a committee fails or refuses to report within a reasonable time a bill submitted to it, a member may sponsor and file with the Clerk a written request, signed by twenty-five or more members, to call the same up for consideration on the next succeeding legislative day after the filing of the request. The effect of this petition shall be to bring before the House the question of whether the committee to which the bill has been assigned has held the bill for an unreasonable time. Upon the motion of the member sponsoring the request, and if a majority of the members elected to the House concur that the bill has been held an unreasonable time, the bill shall be considered as though it had been regularly reported, and sent to the Rules Committee.

Rule 49. Procedure in Committee. The rules of procedure in the House shall be observed in committee insofar as the same are applicable. The committee chair, or the committee by majority vote in a regularly called meeting, shall post at least three calendar days prior to their consideration the bills and resolutions to be considered by the committee at its next meeting, provided that no bill or resolution shall be posted by the chair or the committee by a majority vote unless and until a request for posting form has been filed with the committee chair or secretary and approved by the committee chair as containing satisfactory information. No measure shall be considered except those posted, unless the measure is one which has been recommitted to the same committee from which it was previously reported with a favorable expression. A list of the measures to be considered shall be filed with the Clerk at least three calendar days prior to the meeting. In the case of prefiled bills receiving a favorable expression from the interim joint committee to which they were assigned, posting by the chair or the committee shall occur during the first week of the session, and those bills may be considered by the appropriate committee during the first three weeks of the session. No posting request shall be required for those prefiled bills.

BILLS AND RESOLUTIONS

Rule 50. Form of Bills. All bills introduced shall be printed on the computerized bill preparation system of the Legislative Research Commission, and none otherwise prepared shall be accepted for introduction. Bills shall be offered as six distinctly legible copies. Identical bills for introduction in the other chamber may be exact reproductions of original bill provided one copy is authenticated by the Director of the Legislative Research Commission as the original to be introduced in the other chamber. The original shall be the official bill, and shall be retained by the Legislative Research Commission staff for the use of the House until engrossed and sent to the Senate. A replacement original of a bill, generated pursuant to these Rules, shall thereafter be considered the original and official bill. One copy shall be used by committees; two copies shall be for the use of the media and shall be given to a person designated by the media; and one copy shall be retained by the Legislative Research Commission for its work file. Each copy shall be backed with a protective cover, as provided for this purpose by the Legislative Research Commission. The title of the bill, or a portion thereof, and the signature of the member introducing the bill shall be placed on each cover.

In all bills, as introduced and as printed, any new matter contained therein shall be underscored; and when an amendment proposes the elimination of matter in an existing law, that elimination shall be indicated on the bill by placing the material proposed to be eliminated in brackets, and by striking through the words to be eliminated with a single line so as not to render those words illegible. In any bill seeking to repeal existing sections of the Kentucky Revised Statutes, the sections sought to be repealed shall be identified by way of inclusion of the headnotes applied to each section as it appears in the Kentucky Revised Statutes. All bills recommending or reauthorizing a study by an interim committee, task force, or special committee of the Legislative Research Commission shall include the following language: "Provisions of this statute to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date." The Legislative Research Commission staff shall see that all bills introduced have been prepared through the computerized bill preparation system of the Legislative Research Commission.

Rule 51. Introduction of Bills. A member may introduce bills and resolutions by filing them with the House Clerk on the floor or in the Clerk's office at any time the office is open. The member filing the bill or resolution shall be the primary sponsor of the bill or resolution, and with the sponsor's permission, one member may sign the bill as primary co-sponsor. Other members may co-sponsor the bill or resolution only with the sponsor's permission and by filing the proper papers with the Clerk. A co-sponsor may withdraw co-sponsorship of the bill or resolution with or without the sponsor's permission by filing the proper papers with the Clerk. Bills and resolutions filed after the House has concluded the Introduction and Reading of New Bills, in Rule 4, Order of Business, shall be considered as having been introduced the next succeeding legislative day. The House Clerk shall number bills in the order received and transmit a copy immediately after introduction on the House floor to the Committee on Committees for reference to committee.

In a regular session in an even-numbered year, no bill or resolution having the force of law shall be introduced after the thirty-eighth legislative day of the session. In a regular session in an odd-numbered year, no bill or resolution having the force of law shall be introduced after the fourteenth legislative day of the session.

The last two legislative days preceding the veto recess shall be reserved by the House exclusively for the business of concurring in amended House bills.

Rule 52. Fiscal Statement. A sponsor of a bill which, if enacted, would affect the revenues or expenditures of state government generally, may at any time by request cause the staff of the Legislative Research Commission to analyze and prepare a fiscal statement for the measure. The staff of the Legislative Research Commission shall analyze and prepare a fiscal statement for any bill which, if enacted, would fiscally affect local governments through the imposition of a local mandate; constitute a mandated health benefit; change the financial liability of any public retirement system administered by an agency of state government; or fiscally affect state or local corrections services in a significant manner, including any bill which would modify or create a criminal penalty or otherwise affect the population of a correctional system or facility.

The chair of the committee to which a bill has been referred may require that a fiscal statement be attached to the bill prior to posting. The chair or a majority of the committee to which a bill has been referred may require that a fiscal statement be attached to the bill, or amendment thereof, prior to final committee action.

Members may require, by majority vote, that a fiscal statement be attached to any bill or amendment on the Orders of the Day relating to fiscal matters herein described. In that instance, the fiscal statement shall be attached to the bill, or amendment thereof, prior to final consideration of the bill on the floor of the House.

Rule 53. Fiscal Statements for Amendments. Any member proposing an amendment which relates to fiscal matters described in Rule 52 may cause a fiscal statement to be prepared. A fiscal statement shall be considered a public document upon introduction of the bill or amendment for which it was prepared.

Rule 54. Reference of Bills. The Committee on Committees shall refer all bills to the proper standing committee not later than the third day in which the House is in session after the date of introduction. When a House bill has been amended in the Senate and has been returned to the House for concurrence in the amendment, it shall be referred to the Rules Committee. In these instances, the Clerk shall distribute copies of the bill and its proposed amendment to each member of the Rules Committee. The Rules Committee may post these bills to the Orders of the Day for consideration of the amendment, and final passage, giving precedence to these bills over all other matters posted. When bills with amendments for concurrence are reached in the Orders of the Day, the Speaker shall first put the question of concurrence in the amendment, whereupon if that is favorable, the bill shall be put immediately upon its final passage. Bills originating in and passed by the Senate when reported to the House shall be referred to the Committee on Committees and shall take the same course as other bills.

Rule 55. Printing of Bills. Upon receipt of a bill, the Legislative Research Commission shall examine the form of the bill to ensure that it is free from errors of form or typography and has been assigned the proper KRS section or chapter numbers. If a formal change is necessary the Commission shall request the sponsor of the bill to sign a form approving the specified changes. If a bill is found to be correct, or corrections have been approved, the Commission shall authorize its printing.

The Legislative Research Commission shall have printed at least 200 copies of each bill or resolution carrying the force and effect of law introduced in the House and of each bill or resolution carrying the force and effect of law acted on by the Senate and reported to the House. Bills shall be printed in the order in which they are introduced and shall be distributed to members immediately upon receipt from the printer.

Rule 56. Readings of Bills. If a bill is reported with the expression of opinion that it should not pass, a vote may then be taken on whether it shall be read at length and be placed on the Calendar, if a majority of the members elected to the House shall concur therein. When reported favorably by the committee, the bill shall then be given its first reading at length and shall be placed by the Commission staff upon the Calendar to be kept by the staff, and shall then be entitled to its second reading the next succeeding legislative day.

Every bill shall be read at length on three different legislative days; but the second and third readings thereof at length may be dispensed with by a majority of all the members elected to the House and the bill read by its title.

Rule 57. Calendar; Consent Calendar. (1) In order to reduce the time required for final passage of bills posted in the Orders of the Day, a consent procedure for the consideration of uncontested bills shall be established and designated as follows:

(a) The Commission staff shall keep a Regular Calendar and a Consent Calendar for each legislative day showing the bills receiving their second reading.

(b) The Commission staff shall also keep a Regular Orders and a Consent Orders showing bills posted for final passage by the Rules Committee.

(2) Bills reported by a Standing Committee with a regular "should pass" or "should pass with committee amendment/substitute attached" recommendation shall be shown in the Regular Calendar on the day on which they are entitled to a second reading.

(3) A Standing Committee may at the time of favorably reporting any House or Senate Bill, recommend that it be placed in the Consent Calendar provided:

(a) The primary sponsor has so requested when it is a House Bill, and

(b) The bill receives a "should pass" or "should pass with committee amendment/substitute attached" recommendation from the committee by a unanimous vote of the members present.

Any House or Senate Bill thus reported shall be first placed in the Consent Calendar on the day on which it is entitled to a second reading and shall continue to be shown in that Calendar until taken therefrom by the Rules Committee and posted in the Consent Orders. Bills receiving a second reading should be so designated to distinguish them from bills which have already received their second reading.

(4) A certificate shall be attached to each bill recommended for the Consent Calendar showing the request of the sponsor of any House Bill, and the unanimous recommendation of the members present signed by the Chair.

(5) After a sufficient number of bills have accumulated in the Consent Calendar, the Rules Committee may post any or all of those bills to the Consent Orders for a day certain. On that day, the Consent Orders shall be called before the Regular Orders.

(6) Upon the call of the Consent Orders each bill in those Orders shall be given a third reading by title only. The Speaker shall then allow a reasonable time for questions from the floor and any explanation necessary by the sponsor or committee chair. Consent Order bills may not be amended from the floor.

(7) The Commission staff shall attach a roll call to each bill in the Consent Calendar and any member may at any time prior to passage of the Consent Orders record with the Commission staff a "nay" or "pass" vote on any bill within the Consent Calendar or Consent Orders.

(8) Upon the call for the question on the Consent Orders, the Speaker shall instruct the Commission staff to announce the "nay" and "pass" votes previously filed on each bill in the Consent Orders. All other members present in the chamber on the day and at the time the Consent Orders are called shall be considered as having voted "aye" and the roll call attached to each bill shall so reflect as the final vote.

(9) Upon the written petition of any five members objecting to the placement or retention of any bill in the Consent Calendar or Consent Orders, the bill shall cease to be so considered and shall be placed in the Regular Calendar or Regular Orders as provided in these rules.

Rule 58. Orders of the Day. When a bill has had its second reading it shall be placed in the Orders of the Day, or be recommitted, and when next reached in the House it shall be ready for recommitment, or to be read a third time and placed upon its passage, and the Speaker shall so announce to the House.

A bill may be recommitted or amended in accordance with these rules at any time before its passage. Bills shall be placed in the Orders of the Day in the order in which they have been given their first reading, and shall be taken therefrom in accordance with Rule 41. When a House bill is in the Orders of the Day, it shall be in order on motion of the author to substitute for it an identical Senate bill which is in the Calendar of the House.

No bill shall be taken from the Orders of the Day unless it shall have been printed and previously distributed to members. No bill, amendment, or committee substitute relating to congressional or legislative redistricting shall be taken from the Orders of the Day unless it shall have been verified by Legislative Research Commission staff using the Commission's redistricting software, for plan integrity and geographic integrity. The verification shall be evidenced by the Legislative Record summary notation "PLAN INTEGRITY VERIFIED" and the "Geographic Integrity Verified" notation on amendments.

Rule 59. Final Passage. When a House bill has been amended in the Senate and the House has concurred in the amendment, or a Senate bill has been amended in the House, but the Senate refuses to concur, and the House recedes from its amendment, the bill shall immediately be placed upon its passage.

Rule 60. Amendments to Bills. All amendments offered shall be on sheets with a proper heading printed in black, furnished by the Commission staff, and shall bear the signature of the members offering the same. An amendment prepared for one member but signed by another shall be considered the amendment of the member signing the amendment. All amendments shall give the proper page and line of the printed bill. An original and six copies of each amendment shall be introduced. No amendment shall be in order that is not germane to the matter under consideration and unless it shall have been printed and previously distributed by the Clerk to members at least one legislative day prior to consideration of the bill or resolution; and the Speaker, when the question is raised, shall rule as to the admissibility of the proposed amendment, subject to appeal to the House.

Any amendment to a bill under consideration containing the substantial text of the language of any other bill introduced during the session shall require for its consideration the affirmative vote of a majority of the members of the House. The commission staff shall cause those amendments to be identified when the bill proposed to be amended thereby is posted on the Orders of the Day. When a question is raised as to the identity of the proposed amendment containing the substantial text of any other bill introduced during the session, the Speaker shall rule thereon, subject to appeal to the House.

A committee substitute, upon its adoption, shall be considered as the original bill for purposes relating to the permissible degree of further amendment of the bill.

A proposal to amend the title of a bill shall be by separate title amendment. The question of adoption of an offered title amendment for a bill shall be presented to the body immediately after adoption of the bill.

A proposal to amend the Constitution of Kentucky shall be introduced as a bill, and no such proposal shall be in order if it is offered as an amendment to any bill.

If a proposed floor amendment to a branch budget bill will result, if adopted, in a loss of revenues or an increase in expenditures for a budget unit, the amendment shall specify by budget unit the amount and source of funds that will offset the loss of revenues or specify the budget unit or other source of funds that will support the increased expenditures. If a budget unit or other source of funds is specified, the amendment shall include all necessary language to effect the changes. It shall be out of order for a floor amendment to a branch budget bill to: (a) specify in general language that funds to support the change shall come from broadly defined sources, such as the budget of a particular cabinet, branch of government, or multiple unrelated budget units, unless the effect on each of these is specifically defined by program and amount; (b) require or permit any other branch or unit of government to determine which specific programs would be affected; or (c) reduce the Budget Reserve Trust Fund.

Rule 61. Engrossment of Bills. Every House bill and joint resolution, together with the amendments thereto, which has been passed by the House and not subject to further amendment or motion, shall be engrossed by the Commission staff. The Clerk shall endorse thereon the day of passage or adoption. The bill shall be delivered to the Senate in open session by the Clerk or someone designated by the Clerk, and Senate concurrence asked therein. A like procedure shall be observed toward Senate bills.

When engrossing a bill, the Commission staff may incorporate amendments by means of typing or by generating a replacement original of the bill through computerized process.

Rule 62. Enrollment of Bills. All House bills and resolutions which have passed both the Senate and the House shall be delivered by the Commission staff to the Enrolling Clerk, taking a receipt therefor, in the order in which passed. The Commission staff shall keep the number and title of all bills and joint and concurrent resolutions carrying the force and effect of law, passed by the House of Representatives and the Senate in a suitable record book attesting the fact and date of passage.

If a bill which originates in the House is amended by the Senate and the House concurs in the amendments proposed and adopted by the Senate, the Commission staff shall engross those amendments in the original copy of the bill by typing or may generate a replacement original copy of the House bill through computerized process, before delivering the bill to the Enrolling Clerk of the House.

In cases of extreme emergency and during the last three days prior to sine die adjournment, where no correct printed copy can be produced, the Enrolling Clerk may enroll the bill or resolution by typing the same.

The original bill or resolution or replacement therefor, if applicable, and an enrolled copy shall be delivered to the Committee on Enrollment. The Enrolling Clerk shall certify that each is in the exact form as finally passed prior to their delivery. The Committee on Enrollment and the Enrolling Clerk shall jointly compare the original bill with the enrolled copy, and if the enrollment is ascertained to be correctly done, the Committee shall report the same to the House. If any bill or resolution is found not correctly enrolled, it shall be returned to the Enrolling Clerk to be properly enrolled and delivered to the Committee on Enrollment as is first provided herein.

Rule 63. Signing of Bills. The Enrolling Clerk of the House shall deliver the original and enrolled copies of House bills and resolutions signed by the Speaker to the Chair of the Enrollment Committee of the Senate for presentation to the President of the Senate for the President's signature. When signed by the President of the Senate, the enrolled bill or resolution and the original copy thereof shall be returned by the Enrolling Clerk to the Clerk of the House who shall present the enrolled bill or resolution to the Governor for the Governor's approval and take a receipt for same.

Rule 64. Resolutions. Resolutions having the force and effect of law shall be treated and considered as bills in all respects under these rules. A simple resolution expressing the will of the House shall upon its introduction be automatically referred to the Committee on Committees, which may refer it to the floor if it is honorary, benevolent, and does not direct further action; otherwise, it shall be referred to a standing committee. Simple resolutions referred to a standing committee may be considered for adoption only after receiving a recommendation from a standing committee and being posted for passage by the Rules Committee. A resolution shall not be accepted for introduction if offered in lieu of a legislative citation. No resolution shall be considered unless it shall have been distributed to all members. All resolutions recommending or reauthorizing a study by an interim committee, task force, or special committee of the Legislative Research Commission shall include the following language: "Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date." All resolutions recommending or reauthorizing a study, or which recommend or reauthorize creation of a task force or special committee of the Legislative Research Commission shall be concurrent or joint resolutions.

Rule 65. Legislative Citations. For the purpose of extending the commendations, condolences or congratulations of the General Assembly to a particular person, or to recognize a particular event or occasion, there may be issued a "Legislative Citation." Citations may not be used for procedural matters, matters of a controversial or partisan political nature, nor in place of resolutions memorializing the U.S. Congress, but only when appropriate to express the feeling of the House or of the General Assembly with reference to a person or event.

The sponsor shall receive the original citation and a copy shall also be transmitted to the Clerk of the House prior to adoption. Each citation shall bear the signature of the sponsor and the name of the person or event cited, and upon adoption shall be spread at length upon the Journal. Citations shall be considered in the order of business "Motions, Petitions and Communications."

VOTING

Rule 66. Roll Call. Any member, with a second, may require a roll call on any matter pending before the House. The names of members shall be arranged alphabetically when taking a yea and nay vote.

Any time these rules require a roll-call vote, or a yea and a nay vote of the members, that vote may be taken by either a voice roll call or the electrical voting system, as ordered by the Speaker.

The Speaker, before each roll-call vote is taken, shall instruct the Clerk to sound the warning chimes installed in that part of the Capitol assigned to the use of the House.

During a roll call any one member, with a second, may request and be afforded a delay of two minutes prior to the closing of the roll. Only one such motion shall be observed during any one roll call.

The Speaker shall recognize any member who rises for the purpose of explaining a vote. No member shall be allowed to speak more than three minutes to explain a vote, and shall not speak at all if the question is not a debatable question.

When sufficient time has been allowed the members to vote and to explain their vote, the Speaker shall announce: "Have all voted?" "Does anyone desire to change their vote?" and, after sufficient pause, shall lock the roll call system and instruct the Clerk to record the vote. It shall be the responsibility of each member to determine the accuracy of the member's individual vote as registered opposite the member's name on the electrical roll call board and advise the Speaker of any desired change before the roll call system is locked.

The Clerk shall immediately start the recording equipment, and when completely recorded, shall present the result to the Speaker who shall announce same to the House. The Clerk shall enter upon the Journal the result in the manner provided by the rules of the House.

At the same time the vote is recorded by the electric recording equipment an original and five duplicate roll call sheets shall be made showing the vote, two of which duplicates shall be for use of the press, and one copy shall be furnished to the Legislative Research Commission.

With respect to any roll call vote on a question that is not on the passage of a bill, adoption of an amendment or committee substitute, concurrence or recession from a Senate amendment, adoption of a conference committee or free conference committee report, or override of a gubernatorial veto, the electrical voting system shall indicate that the question subject of the roll call vote is procedural in nature, and the roll call vote shall be described as a procedural vote on the original roll call sheet and on all duplicates.

Rule 68. Voting for Others Prohibited. No member shall vote for another member, nor shall any person not a member cast a vote for a member. In addition to any penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be punished in a manner as the House may determine. If a person not a member shall vote or attempt to vote for any member, that person shall be barred from the floor of the House for the remainder of the session and may be further punished in any manner as the House may deem proper, in addition to the punishment as may be prescribed by law.

Material that may be distributed by the Clerk in the House Chamber is restricted to official communications relating to pending legislation or the operation of the House, material sent by a member clearly identified on the face of the material or its attachments to any other member, or other material as designated by the Speaker's Office. The Sergeant-at-Arms shall be charged with the duty of ensuring that no individual other than employees of the House under the direction of the Clerk or House members shall cause materials of any nature to be distributed in the House Chamber. Questions as to the propriety of materials shall be referred to the Committee on Committees for resolution. Any material distributed by unauthorized individuals shall be collected from the members' desks and treated as litter, and any material submitted but not distributed that is unclaimed after one week shall be discarded. Material which is received via e-mail or received on diskette with a request for distribution electronically by LRC staff shall be refused or returned to the sender. Nothing in this rule restricts the right of any person to communicate directly with any member, either electronically or through the United States mail.

He served as an assistant baseball coach from 1974 until becoming head baseball coach for Marion County High in 1983. In recognition of his contributions to high school athletics, Dave was inducted into the Athletic Directors' 5th Region Hall of Fame in 2003; and

WHEREAS, Dave Hourigan served the citizens of Marion County as Deputy County Clerk from 1974 until 1986, when he ran successfully for a seat in the House of Representatives, where he served four terms. During his tenure, Representative Hourigan went quietly about his legislative duties, effectively serving his constituents, and offering common sense and plain talk, often beginning his floor speeches with the phrase, "This is the way we look at things in Gravel Switch."; and

WHEREAS, in 1993, Dave Hourigan was elected Marion County Judge Executive, at a time when the county was experiencing serious financial difficulties. As the county's chief executive, he led the fight to increase the local occupational tax to 1%. Although unpopular at the time, the increased revenue helped to bring the county to financial stability, and helped to fund construction of the Marion County Detention Center. By the end of the 2005-2006 fiscal year, the county had a surplus of some $2 million, and a new Marion County Administrative Office Building which has now been dedicated in Dave Hourigan's memory; and

WHEREAS, although Dave Hourigan never married, he is remembered as having the biggest family in Marion County, because the county was his family;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives expresses its deepest sympathy upon the untimely passing of Dave Hourigan, colleague, public servant, and friend.

Section 2. When the House of Representatives adjourns this day, it does so in loving memory and honor of the late Dave Hourigan.

Section 3. The Clerk of the House of Representatives is directed to transmit a copy of this Resolution to the Marion County Fiscal Court, Marion County Courthouse, 120 West Main Street, Lebanon, Kentucky 40033.

The House of Representatives of the Commonwealth of Kentucky does hereby adjourn this legislative day in memory and honor of Billy Ray Wynn and joins with Representative Danny Ford in expressing deepest sympathy to the Wynn Family and all who mourn the tragic and untimely loss of this esteemed citizen of Berea, Kentucky, on December 31, 2006. This highly-regarded gentleman, a native of Rockcastle County; an employee of Parker Seal; an ordained deacon at Bible Baptist Church; and a devoted father, grandfather and husband, is remembered on this day and honored for the many and generous contributions he made to his family, friends and the community. Billy Ray Wynn will be deeply missed by all those whose lives were touched by his remarkable presence. Done in Frankfort, Kentucky, this fourth day of January, in the year two thousand and seven.

Representative Wayne moved the adoption of the following **Legislative Citation No. 2**.

The House of Representatives of the Commonwealth of Kentucky does hereby adjourn this legislative day in loving memory and honor of Marilyn Spink Sister of Charity of Nazareth and joins with Representative Jim Wayne in expressing deepest gratitude to this remarkable woman for her many vital contributions to the Commonwealth of Kentucky and deepest sympathy to all who share in the profound loss on March 27, 2006, of this compassionate and highly-effective community leader. A native of Louisville and a Sister of Charity of Nazareth for forty-four years, her efforts on behalf of those suffering life-threatening illnesses and those diagnosed with terminal illnesses, led her to England in 1976 to work under the foremost hospice expert, Cicely Saunders, at St. Christopher Hospice. Upon returning to Louisville, she joined with health care leaders to found one of the first hospices in the United States in the City of Louisville, and went on to establish Hospice of Southern Indiana, Shelbyville and Elizabethtown, all of which offered services designed to meet the medical, social, emotional and spiritual needs of persons with life-threatening illnesses and their families. Sister Marilyn was instrumental in the opening of Glade House and House of Ruth, two Louisville organizations that care for families and individuals affected by HIV/AIDS. Concerned that patients with HIV/AIDS had few if any options for long-term care, she helped lead the efforts to have communicable disease regulations waived as they applied to nursing homes so those patients could be admitted to such facilities. Nazareth Home was the first to admit HIV/AIDS patients and remained the only one to do so for the next ten years, due to both discrimination and fear associated with the disease. She was committed to providing outreach services to the homosexual community and served as pastoral minister to lesbians and gays at the request of Archbishop Kelly. This esteemed citizen, who also founded a local chapter of "Make Today Count," a self-help group for the terminally ill, is remembered on this day for her devoted and faithful efforts to ease the pains of those who suffer. Sister Marilyn will be deeply missed by all those whose lives were touched by her remarkable presence. Done in Frankfort, Kentucky, this fourth day of January, in the year two thousand and seven.

Legislative Citation No. 2 was adopted without objection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.440 is amended to read as follows:

The General Assembly finds that:

(1) Every student should have access to a safe, secure, and orderly school that is conducive to learning;

(2) All schools and school districts must have plans, policies, and procedures dealing with measures for assisting students who are at risk of academic failure or ***are***~~[of]~~ engaging in disruptive and disorderly behavior***, including but not limited to the harassment, intimidation, or bullying of another student***; and

(3) State and local resources are needed to enlarge the capacities for research, effective programming, and program evaluation that lead to success in addressing safety and discipline within the schools.

Section 2. KRS 158.441 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) ***"Harassment, intimidation, or bullying" means a repeated verbal, nonverbal, or written communication transmitted; repeated physical acts committed; or any other repeated behavior committed by a student against another student on school premises, on school-sponsored transportation, or at a school-sponsored event with intent to injure, intimidate, alienate, or threaten another student that results in:***

(a) Physically harming a student;

(b) Damaging or stealing a student's property;

(c) Substantially disrupting the orderly operation of the school; or

(d) Creating a hostile environment that substantially interferes with a student's educational benefits, opportunities, or performance.

This definition shall not be interpreted to prohibit civil exchange of opinions or debate or cultural practices protected under the state or federal Constitution if the opinion expressed does not otherwise materially or substantially disrupt the education process.

(2) "Intervention services" means any preventive, developmental, corrective, supportive services or treatment provided to a student who is at risk of school failure, is at risk of participation in violent behavior or juvenile crime, or has been expelled from the school district. Services may include, but are not limited to, screening to identify students at risk for emotional disabilities and antisocial behavior; direct instruction in academic, social, problem solving, and conflict resolution skills; alternative educational programs; psychological services; identification and assessment of abilities; counseling services; medical services; day treatment; family services; work and community service programs.

(3)~~[(2)]~~ "School resource officer" means a sworn law enforcement officer who has specialized training to work with youth at a school site. The school resource officer shall be employed through a contract between a local law enforcement agency and a school district.

(1) In cooperation with the Kentucky Education Association, the Kentucky School Boards Association, the Kentucky Association of School Administrators, the Parent-Teachers Association, the Kentucky Chamber of Commerce, the Farm Bureau, members of the Interim Joint Committee on Education, and other interested groups, and in collaboration with the Center for School Safety, the Department of Education shall develop:

(2) The department shall obtain statewide data on major discipline problems and reasons why students drop out of school. (3) Copies of the discipline guidelines shall be distributed to all school districts. The statewide guidelines shall contain broad principles to guide local districts in developing their own discipline code and school councils in the selection of discipline and classroom management techniques under KRS 158.154; and in the development of the district-wide safety plan.

(4) Each local board of education shall be responsible for formulating a code of acceptable behavior and discipline to apply to the students in each school operated by the board.

(a) The superintendent, or designee, shall be responsible for overall implementation and supervision, and each school principal shall be responsible for administration and implementation within each school. Each school council shall select and implement the appropriate discipline and classroom management techniques necessary to carry out the code. The board shall establish a process for a two-way communication system for teachers and other employees to notify a principal, supervisor, or other administrator of an existing emergency.

(b) The code shall contain the type of behavior expected from each student, the consequences of failure to obey the standards, and the importance of the standards to the maintenance of a safe learning environment where orderly learning is possible and encouraged.

(c) ***The code shall prohibit the harassment, intimidation, or bullying of a student, defined in a manner no less inclusive than that defined in Section 2 of this Act, and shall contain the following:***

All school employees and parents shall be provided copies of the code.

(f) A local school district shall:

2. Incorporate information regarding the code of acceptable behavior and discipline in employee training provided by the district; and

3. Ensure that all schools inform students and their parents or legal guardians annually of the contents of the district's code of acceptable behavior and discipline and implement a process for discussing the code with students.

(b) Assault or battery or abuse of school personnel; stealing or willfully or wantonly defacing, destroying, or damaging the personal property of school personnel on school property, off school property, or at school-sponsored activities constitutes cause for suspension or expulsion from school.

(2) (a) Each local board of education shall adopt a policy requiring the expulsion from school for a period of not less than one (1) year for a student who is determined by the board to have brought a weapon to a school under its jurisdiction. In determining whether a student has brought a weapon to school, a local board of education shall use

the definition of "unlawful possession of a weapon on school property" stated in KRS 527.070.

(b) The board shall also adopt a policy requiring disciplinary actions, up to and including expulsion from school, for a student who is determined by the board to have possessed prescription drugs or controlled substances for the purpose of sale or distribution at a school under the board's jurisdiction, or to have physically assaulted or battered or abused educational personnel or other students at a school or school function under the board's jurisdiction. The board may modify the expulsion requirement for students on a case-by-case basis. A board that has expelled a student from the student's regular school setting shall provide or assure that educational services are provided to the student in an appropriate alternative program or setting, unless the board has made a determination, on the record, supported by clear and convincing evidence, that the expelled student posed a threat to the safety of other students or school staff and could not be placed into a state-funded agency program. Behavior which constitutes a threat shall include but not be limited to the physical assault, battery, or abuse of others; the threat of physical force; being under the influence of drugs or alcohol; the use, possession, sale, or transfer of drugs or alcohol; the carrying, possessing, or transfer of weapons or dangerous instruments; and any other behavior which may endanger the safety of others. Other intervention services as indicated for each student may be provided by the board or by agreement with the appropriate state or community agency. A state agency that provides the service shall be responsible for the cost.

(3) For purposes of this subsection, "charges" means substantiated behavior that falls within the grounds for suspension or expulsion enumerated in subsection (1) of this section, including behavior committed by a student while enrolled in a private or public school, or in a school within another state. A school board may adopt a policy providing that, if a student is suspended or expelled for any reason or faces charges that may lead to suspension or expulsion but withdraws prior to a hearing from any public or private school in this or any other state, the receiving district may review the details of the charges, suspension, or expulsion and determine if the student will be admitted, and if so, what conditions may be imposed upon the admission.

(4) School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the district transportation system pending any further disciplinary action that may occur. Each board of education shall adopt a policy to assure the implementation of this section and to assure the safety of the students and staff.

(5) A pupil shall not be suspended from the common schools until after at least the following due process procedures have been provided:

(a) The pupil has been given oral or written notice of the charge or charges against him which constitute cause for suspension;

(b) The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and

(c) The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

(6) The superintendent, principal, assistant principal, or head teacher of any school may suspend a pupil but shall report the action in writing immediately to the superintendent and to the parent, guardian, or other person having legal custody or control of the pupil. The board of education of any school district may expel any pupil for misconduct as defined in subsection (1) of this section, but the action shall not be taken until the parent, guardian, or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.

(7) (a) Suspension of exceptional children, as defined in KRS 157.200, shall be considered a change of educational placement if:

1. The child is removed for more than ten (10) consecutive days during a school year; or

2. The child is subjected to a series of removals that constitute a pattern because the removals accumulate to more than ten (10) school days during a school year and because of other factors, such as the length of each removal, the total amount of time the child is removed, and the proximity of removals to one another.

(b) The admissions and release committee shall meet to review the placement and make a recommendation for continued placement or a change in placement and determine whether regular suspension or expulsion procedures apply. Additional evaluations shall be completed, if necessary.

(c) If the admissions and release committee determines that an exceptional child's behavior is related to his disability, the child shall not be suspended any further or expelled unless the current placement could result in injury to the child, other children, or the educational personnel, in which case an appropriate alternative placement shall be provided that will provide for the child's educational needs and will provide a safe learning and teaching environment for all. If the admissions and release committee determines that the behavior is not related to the disability, the local educational agency may pursue its regular suspension or expulsion procedure for the child, if the behavior so warrants. However, educational services shall not be terminated during a period of expulsion and during a suspension after a student is suspended for more than a total of ten (10) days during a school year. A district may seek temporary injunctive relief through the courts if the parent and the other members of the admissions and release committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

(8) Suspension of primary school students shall be considered only in exceptional cases where there are safety issues for the child or others.

(9) Any action under this section related to students with disabilities shall be in compliance with applicable federal law.

Section 5. KRS 158.444 is amended to read as follows:

(1) The Kentucky Board of Education shall promulgate appropriate administrative regulations relating to school safety, student discipline, and related matters.

(2) The Kentucky Department of Education shall:

(a) Collaborate with the Center for School Safety in carrying out the center's mission;[~~ and~~]

(b) Establish and maintain a statewide data collection system by which school districts shall report by sex, race, and grade level:

2. The number of arrests, the charges, and whether civil damages were pursued by the injured party;

3. The number of suspensions, expulsions, and corporal punishments; and

4. Data required during the assessment process under KRS 158.445***; and***[~~.~~]

(c) [~~The department shall~~]Provide all data collected relating to this subsection to the Center for School Safety according to timelines established by the center.

SECTION 6. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

(1) All personally identifiable student data collected pursuant to subsection (2)(b) of Section 5 of this Act shall be subject to the confidentiality provisions of the Kentucky Family Education Rights and Privacy Act, KRS 160.700 to 160.730, and to the federal Family Educational Rights and Privacy Act, 20 U.S.C. sec. 1232g, and its implementing regulations.

(2) Parents or legal guardians shall have the right to inspect or challenge the personally identifiable student records as permitted under the Kentucky Family Education Rights and Privacy Act and the federal Family Educational Rights and Privacy Act and implementing regulations.

(3) Data collected on an individual student under Section 5 of this Act shall be placed in the student's disciplinary record.

SECTION 7. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

HR 64, A RESOLUTION recognizing February 6, 2007, as "Ronald Reagan Day" in the Commonwealth of Kentucky.

WHEREAS, President Ronald Wilson Reagan, a man of humble background, worked throughout his life serving freedom and advancing the public good, having been employed as an entertainer, union leader, corporate spokesman, Governor of California, and President of the United States. He served with honor and distinction for two terms as our president, and in his second election, he earned the confidence of three-fifths of the electorate and was victorious in 49 of the 50 states in the general election, a record unsurpassed in American history; and

WHEREAS, in 1981, when Ronald Reagan was inaugurated President, he inherited a disillusioned nation shackled by rampant inflation and high unemployment. However, during his presidency, he worked in a bipartisan manner to enact his bold agenda of restoring accountability and common sense to government, leading to an unprecedented economic expansion and opportunities for millions of Americans; and

WHEREAS, President Reagan's commitment to an active social policy agenda for the nation's children helped lower crime and drug use in our neighborhoods, and his commitment to our Armed Forces contributed to the restoration of pride in America, her values, and those cherished by the free world, and prepared America's Armed Forces to meet 21st century challenges. His vision of "peace through strength" led to the end of the Cold War and the ultimate demise of the Soviet Union, guaranteeing basic human rights for millions of people; and

WHEREAS, February 6, 2007, will be the 96th anniversary of Ronald Reagan's birth, and the third since his passing;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

The Chief Doorkeeper announced the arrival of the Governor of the Commonwealth of Kentucky, The Honorable Ernie Fletcher.

Governor Ernie Fletcher addressed the Joint Session of the General Assembly as follows:

STATE OF THE COMMONWEALTH
BY GOVERNOR ERNIE FLETCHER
TUESDAY, FEBRUARY 6, 2007 - 7:00 p.m.

Let's start by having a moment of silence for the people who lost their lives this morning in Nelson County.

First Lady, Constitutional Officers, Chief Justice Lambert, Justices, President Williams, Speaker Richards, Legislators and my fellow Kentuckians. I want to begin by welcoming Kentucky's new legislators to this august body. I also want to welcome and recognize our new justices.

I had the honor of appointing Justice McAnulty, the first African-American to serve on Kentucky's Supreme Court. Congratulations to you and to the people of Jefferson County on your election.

This is the first short session where we don't have to write a budget; in that sense it is historic.

A little over three years ago I gave my first State of the Commonwealth address.

Prisoners released early to balance the budget were committing crimes

Elderly and disabled patients saw their nursing home benefits slashed Employment was stagnant and revenues dropped.

We faced a large deficit.

TAX REFORM

Proposals of tax increases came from many voices. They said raising taxes was the only way to fund education. Together, we decided, that wasn't the real solution to our problem.

We lived within our means and reformed our taxes, lowered the income tax on 78 percent of working Kentuckians and reduced the tax margin on businesses by nearly 30 percent. We funded those changes by closing loop-holes for out of state businesses and raising the cigarette tax. It may not have been the easy answer, but it honored our dedication to a guiding set of conservative principles. And it worked. We are encouraging growth, restoring hope and creating opportunity.

GOVERNMENT EFFICIENCY

Three years ago, with thrift, courage and vision, we faced the challenge before us. The thrift to wean government from much waste and inefficiency. We reduced the size of government by over 2,000 employees through attrition. We increased the collection of delinquent taxes by 54 million dollars per year.

We now have over 80 million dollars more to build roads in your communities because we tightened change orders and reduced bureaucracy in transportation. We faced our challenge with the courage to reform. We substantially reformed an antiquated tax system.

We transformed state employee health insurance to a self-insured program, saving millions in cost increases and keeping benefits stable. And we reformed Medicaid – ending decades of neglect. And we answered our challenge with the vision to build more than ever in our history.

We built roads and bridges that are so much more than asphalt and concrete; they are safer paths to expanding dreams, new horizons and over 100,000 new jobs. By creating an atmosphere of growth, we now have more people working than ever before. Businesses are more profitable. New companies are springing up all across the state and the country is now looking to Kentucky as an emerging biotech player.

We built places of learning and research to strengthen hope, build careers and prepare a smarter, more capable workforce. And we did it without cutting benefits for our most vulnerable citizens and without raising taxes.

VALUES

We designed our reform with time-honored and proven values. From the Old Testament we are admonished to "Execute true justice, Show mercy and compassion'. I believe we have followed those values--

Treating our vulnerable more compassionately
Providing better protection and justice for our unborn
Caring for our newborns more thoroughly
And strengthening our commitment to education and to those who teach our children.

We're also redeeming the lives of those ravaged by drugs and toughening the laws against those who manufacture illegal drugs. We're ensuring that Kentucky ages gracefully. In fact, recently I created the Department for Aging and Independent Living. Finally, Frankfort will provide a clear voice of advocacy on behalf of aging and disabled Kentuckians.

Already this new department is implementing a Long Term Living Initiative to develop a single place to find information and resources so aging and disabled Kentuckians can find the best care-- in the right setting. In just three years, we have made a difference-- sometimes a difference between life and death. Rebecca Gambrel never wore her seat belt and was angered when she heard of the Primary Seat Belt Law passed. Yet, she didn't want to break the law, so she buckled up.

On October 11, 2006, Rebecca was in a head-on collision. The officers who responded said, "You're one lucky lady! Your seatbelt saved your life." Now, no one rides in Rebecca's car without their seat belt. Rebecca is with us tonight to thank you for passing the seat belt law. Please welcome her.

Tonight, I'd also like for us to recognize a Kentuckian -- one who epitomizes the bravery of each of our soldiers. This soldier showed remarkable courage during an intense battle against al Qaeda and Taliban fighters in Afghanistan. On March 4, 2002, his demonstration of pure valor helped ten wounded Americans receive life-saving treatment and led to the recovery of seven servicemen killed during grenade and mortar attacks. Please welcome Silver Star recipient: Master Sergeant Keary Miller.

TEAM WORK

More than 8,500 National Guard soldiers and airmen were deployed to fight the Global War on Terror. They understand the teamwork that is necessary for a mission's success.

Recently, we witnessed two other examples of what can be accomplished when you assemble a great team. In fact, when was the last time a Kentucky Governor accompanied two football teams to winning bowl games? UK and U of L have never won bowl games in the same season.

Coach Brooks is with us tonight. Please join me in congratulating him, his team and the University of Kentucky on a fantastic season and winning the Music City Bowl.

I also congratulate the University of Louisville football team for an excellent season and its victory in the Orange Bowl. I'm proud to welcome Quarterback Brian Brohm and his father, Oscar. Brian was considering an early entry into the NFL draft, but decided to stay for one last shot at a national championship. Brian, we'd like to see you get there. Thank you for joining us tonight.

Wins like this are good for all of Kentucky and help us recruit not only talent for the field but also for the classroom and the laboratory. I have assembled one of the finest teams this state has ever seen--- and that this team does an excellent job implementing the legislation you pass as well as helping you serve your constituents. For their expertise and hard work, join me in thanking our Cabinet Secretaries, their staff and all of Kentucky's public servants.

A year ago this body passed a robust budget that took on nearly twice the debt of any previous one in our history. The budget included sound investments in education and infrastructure. However, I vetoed some projects to avoid assuming a debt level that threatened the state's bond rating. The vetoes accomplished our goal. Wall Street respected our responsible actions. As a result, Kentucky's outlook from Standard and Poor's was moved from stable to positive. Our revenues are so improved, that our debt ratio, even after restoring projects, will be less than the budget with the vetoed projects.

WHERE WE GO FROM HERE

Tonight, I am here to report that the state of the Commonwealth is much stronger and healthier than it was three years ago, but we still have challenges that lie ahead in order to reach the goals that I laid out for the next decade. Now, where do we go from here? We have the opportunity to build an even stronger reserve fund and revisit un-met needs.

The Consensus Forecasting Group has projected an additional 401 million dollars, bringing the total surplus of the last two budget cycles to more than 700 million dollars. This is not a budget year, but our effort to run government effectively has created the opportunity to address some of Kentucky's pressing needs in this session. I know each of you will have priorities as well, and I look forward to working with you.

RESTORATION OF PROJECTS

I believe we can now, responsibly move forward on those vetoed projects and I support restoring all of them. Some of the projects have changed slightly and I made some revisions. For example, I support funding the design of the Breathitt Veterinary Center in Western Kentucky as it has significance for homeland security and the integrity of our livestock industry.

RETIREMENT

I also want us to look at some of our other needs with an eye on saving for the future by placing nearly half the total surplus into a combination of our reserve fund and the state's pension programs. Kentucky made a commitment to its public servants and I want to assure all retirees and those who are currently working, that we will keep the promises made to them. Last year, I placed 24 million dollars from the 06 surplus into the state employee pension programs.

Now, after discussion with many of you, I recommend we put no less than 50 million dollars into the retirement accounts for both state workers and teachers. The most effective way to use this money to put it toward the health care retirement benefit plans since they have the fastest growing liability. This funding addresses our short-term need and yesterday, I formed a blue ribbon commission to assess and make recommendations for the long term stability of our retirement system.

BUDGET RESERVE TRUST FUND

With the significant surplus we now have, I recommend an allocation of 150 million dollars to the reserve trust fund bringing the balance to approximately 386 million dollars, the largest in our history. There are three reasons why this deposit is important.

First, it allows us to better prepare for unexpected economic downturns or disasters.
Secondly, it helps keep our strong credit rating.
And thirdly, it allows us to plan for initiatives in the budget session next year including major health care and education proposals.

As Bill Gates has written, "...we are moving at the speed of thought." The people of Kentucky voted for annual sessions because they understood that the needs of our state cannot always wait to be addressed every two years.

The other proposals I make tonight should not wait until the next session. I'd like to thank the thousands of Kentuckians who attended my 14 town hall meetings, voted on the town hall Web site or sent letters to or called my office. When I traveled around the state during the forums, one of the messages I heard was: We need more investment in education.

How should we now build on the 25 percent increase in our current budget for primary and secondary education? The Read to Achieve Program that the First Lady championed is working, but to help us compete nationally and internationally we all recognize that we must do better in math and science.

Let me thank Representative Moberly and Senator Kelly for their work in this area.

I recommend tonight that we invest an additional 7 million dollars in our Math Achievement Fund to make this program available to more than 100 schools across the state.

I also applaud Senator Winters and Senator Kelly for sponsoring SB 1 and 2 which will encourage more into the fields of math and science. We are above the national ACT average in reading. If we raise our math and science scores to the national average, Kentucky will have overall ACT scores above the national average. We are finally that close.

I would like to take this opportunity to recognize the 2007 Kentucky Teacher of the Year. Susanne Burckhardt is a national board-certified teacher at Simpsonville Elementary. She represents the quality teacher that we want to keep in and attract to Kentucky. Susanne, thank you and congratulations.

We have many poor conditioned school buildings in every region of the Commonwealth. Therefore, I am developing a long-term plan to alleviate all of the worst conditioned school facilities, including the challenges endured by high growth districts. I want to thank President Williams and Senator Winters for agreeing in advance to work on this plan. Experts have concluded that there is a direct relationship between the physical condition of a school facility and a student's academic achievement. The plan, at a minimum, will bring all school facilities to a level where the condition of the school building does NOT impede a child's ability to learn. Because of the extensive number of urgent needs schools, the 50 million additional dollars in the current budget helped, but clearly left many schools in need.

You have expressed the desire not to expand the budget in this session and I respect that, but please know that there are areas of urgent need and super high growth that could use additional funding now-- and should the budget be opened I would encourage investment in our school facilities.

TUITION ASSISTANCE

We Kentuckians set a lofty goal of increasing the percentage of Kentuckians with bachelor's degrees to the national average by 2020. Higher education means higher earnings. In thirty years, a person with a professional degree makes 2.3 million dollars more than a high school graduate. And higher education is the only way for our state to remain competitive. To achieve our goal, higher education should be available to every Kentuckian regardless of financial condition. I want to thank the University Presidents for their recent focus on needs-based tuition assistance. Several have begun their own programs. But, the fact remains that tuition has increased 145 percent in the last 10 years. And half the qualified students who apply for our College Assistance Program are turned down for lack of funds.

Statistics show that college enrollment for those turned down is 21 percent lower, than for those who received help. And a small survey at Kentucky State University showed that drop-out rates have been magnified by increasing costs. I also believe there are low income students in middle school and high school that give up on the hope of attending college because of the financial barriers. We can do something about that. We should extend to every student and family in Kentucky a single, overriding message: The Kentucky Covenant. . . a pact that if you work hard, get good grades and take rigorous courses, we will guarantee you an affordable college education here in this state regardless of your financial means.

We will also provide incentives for high achievement in Math and Science.

I am asking you to join me as we work with our universities and community colleges to make this Kentucky Covenant with every student in our state. Working with leading experts in education and financial models we will develop a sustainable program plan for the 08 session. And working with the Universities and combining resources with some of the surplus money that we put in the Reserve Fund I believe we will develop a plan to guarantee every Kentucky student a chance to succeed.

But some students cannot wait until then—so I also propose that 20 million dollars be invested in more needs-based assistance through our College Access Program and the Kentucky Tuition Grant program. These funds will reduce the waiting list and result in more Kentuckians going to college providing financial aid to an additional 11,800 Kentuckians, about 2,400 of whom would not have enrolled otherwise.

Also, there are more than half a million Kentucky adults with some college education but no bachelor's degree. Because there are no needs-based state-funded programs for adult part-time employed students to address this need, I request you invest 5 million dollars to allow Kentucky adults to finish their college education.

Some will say wait until 08 and I understand your concern, but I believe if we are to meet our 2020 goals which this body established we should help all we can when we can.

HEALTH CARE

There are two critical areas that need action now to address our urgent health care needs and bring lower cost, higher quality health care to Kentucky families. We have the second highest rate of cervical cancer deaths in the nation. Most of these deaths are caused by the Human Papilloma Virus. Thanks to a new vaccine developed, in part, by three individuals in our audience, future deaths can be avoided. These three dedicated researchers from our own University of Louisville helped to create and test the world's first cervical cancer vaccine. Please welcome Dr. Ben Jenson, Dr. Dr. Shin Je Ghim and Dr. Stanley Gall.

If you have ever watched a patient die of cervical cancer, and I have, you would do every thing you could to make this vaccine available. I am moving forward with funding this vaccine for our Medicaid patients out of the existing budget. But for low-income individuals or those without insurance, it is not an affordable option. For these Kentuckians, I ask for 4.1 million dollars to make this vaccine available to them. We are not in the business of parenting. So, I propose we properly educate parents about the vaccine and give them the option for their children to receive the vaccine.

E-HEALTH

We are also working to make health care more affordable for Kentucky families through our e-Health efforts. One of the major barriers to achieving this goal is that health care is still dominated by inefficient paper processes.

I recently received a call from Secretary Leavitt of the federal Department of Health and Human Services. He wanted to let me know Kentucky received a 4.9 million dollar federal grant to help our Medicaid program lead our state's e-Health efforts. This federal funding is a boost to our efforts to bring lower cost, higher-quality health care to Kentucky. Now I ask you to allocate an additional 4.1 million dollars of state funding to ensure all Kentucky families and communities can benefit from e-Health.

Also, from the town hall meetings, I heard about the need of our private childcare providers who take care of children with intense care needs. Recognizing our providers' increasing challenges, I propose 7.5 million dollars be allocated to increase payments to ensure our most vulnerable children continue to receive the services they need. This funding, when added to matching federal dollars will bring the total to about 16.4 million dollars. While the majority of this funding will support all providers, I am asking that a portion of these funds be used to address the more intense care needs of some our children.

ECONOMIC INCENTIVES-INITIATIVES

Let me now move to economic incentives that will help our state continue to grow. Tonight I offer several economic development initiatives. The first is a package that will help keep our outstanding corporate citizen, Ford Motor Company prosperous in Kentucky. This package includes 10 million dollars for training and other incentives. Both Senate and House leadership, including Senator Seum and Representative Clark have worked with us to develop this legislation. Now, I ask for your support. Additionally, I will ask for an economic development bond of 10 million dollars to allow us to create even more job opportunities in Kentucky.

ENERGY

Achieving energy independence is one of our major opportunities. Last year, you passed HB 299 which represented the beginning of Kentucky becoming part of the solution to the nation's dependence on foreign oil. That bill was a good start.

Now, it's time to go to the next level. To help our nation achieve energy independence, I propose that we enact legislation that does 4 things:

First, provide tax incentives and credits for state-of -the-art electric and coal-to-liquids generating facilities. This makes us competitive in attracting capital for these large projects.

Second, provide revenue bonds and grant opportunities for new facilities that provide new and clean methods for generating fuel and energy.

Third, extend the clean-coal tax credit for coal-fired generating facilities that use clean-coal technologies, such as IGCC.

Fourth, adopt tax credits for individuals and builders who install Energy Star certified energy saving products. This will encourage Kentuckians to conserve.

Energy independence transcends politics. It is good policy for our nation, our state and our citizens. Representatives Adkins, Gooch and Pullin and Senator Stivers have done great work in this area already. Let me say thank you.

CONSERVATION EASEMENT

Another legacy we can leave our children is one of preserving our landscapes and the natural beauty that we have in Kentucky. Opportunities to participate in outdoor recreation provide numerous benefits to building strong communities including enhanced quality of life, improved public health, new tourism opportunities, and an added amenity for our economic development efforts. No one is more supportive of good development than this administration. We also realize that a growing economy needs new homes and businesses, but over 47,000 acres each year are lost to development. We are getting to the point where only the wealthy can afford access to land for hunting, fishing and wildlife observation. We need more accessible land for all Kentuckians, habitat for wildlife and recreational opportunities. According to Commissioner Gassett, this bill sponsored by Representatives Webb and McKee and Senator Tapp is the most significant piece of legislation for conservation and sportsmen and women in Kentucky in our lifetime. This voluntary program respects personal property rights. There is no cost in this biennium. In 2009, the cost is 3 million dollars. This amount increases each year and will be capped at 10 million dollars per year beginning in 2012. I hope you can join me and the one million Kentuckians who have hunting and fishing licenses, as well as the thousands who enjoy viewing wildlife, by passing this legislation.

HIGH TECH INCENTIVES

We have become the buzz of the high tech industry with the incentives you passed last session. With those tools, Commissioner Clayton has worked to add 101 high tech companies to our growing knowledge based economy in last year alone. We have more interest than we expected and let me ask that you allocate 2 million dollars for this fiscal year and 5 million dollars for 08 for the purpose of attracting more of these companies that are finding Kentucky a new bio-tech player.

EVENTS—WEG

In less than four years, we will bring the world's focus to Kentucky for the 2010 Alltech World Equestrian Games at the Kentucky Horse Park. After our trip to Aachen, Germany to observe the 2006 Games, it became apparent that to host the finest World Equestrian Games ever, we had more work to do. I am asking you to fund a 10,000 seat outdoor spectator arena expandable to 30,000 temporary seating as well as other improvements to the indoor arena you authorized last year.

Also, I am asking for the authorization to spend road fund money to make transportation improvements in order to accommodate the over 500,000 expected visitors. With these additions we can showcase Kentucky to over 200 countries and hundreds of millions of people. This will make the Horse Park the finest equestrian facility in the world for annual legacy events already in the making.

The total cost-- 28 million dollars in bonds and 10 million in road funds.
The economic impact-- about 150 million dollars annually.
The value of this chance to show the World our beautiful Commonwealth-- priceless.

ADD DISTRICTS

Every county judge and local official knows how important Kentucky Area Development Districts are to their community's and county's success. The ADDs budgets have been basically level for several years and yet they continue to add a valuable service to counties and local government. As we ask for more regional planning and cooperation it is important to give them the tools they need. I support increasing their funding in fiscal year 08 by 1.5 million dollars and then looking at additional funding in 09 when we return.

KIA - WOLF CREEK

Recently, because of concerns regarding the integrity of Wolf Creek Dam, the Corps of Engineers announced that the water level in Lake Cumberland will be lowered. Taking this situation seriously, I assembled an interagency working group to plan for and respond to the needs which are likely to arise from this circumstance. My first priority is the safety of the citizens in the region. We are doing our part to assist with the potential impact on tourism, fishing and the general economy in this area. This situation has a potential for far-reaching challenges including water and energy supplies, as well as emergency response plans, in the event of a breach.

So we can be better prepared for situations like this and other urgent needs, that communities across the Commonwealth may have, I am asking for bonding authority for $25 million be placed in the Community Economic Growth Grant fund and $20 million be used to recapitalize Fund B of the Kentucky Infrastructure Authority.

In addition, I am asking you tonight for flexibility in how I may expend surplus funds proactively to assist the citizens and communities in this region to help with the possible challenges arising from the Wolfe Creek Dam situation. This funding will help us respond to citizens and local government not only in this area, but all across the state. I'd like to recognize Senator Jensen and Thayer for support other initiatives to streamline how communities apply for and receive funding.

SOCIAL WORKER BILL

This fall, an unconscionable tragedy occurred in Henderson County. Boni Frederick, one of our state's social service aides, was killed during a visitation between a toddler and his mother. Every day in Kentucky, our social service aides walk into dangerous situations. For too long we have provided too few resources to these public servants who protect our children. My administration will help make the jobs of our social workers safer. Representatives Burch, Wayne, Lee, Senator Denton and many others are proposing ways to fundamentally change our social service system so that we keep families and state employee safe. This is what I promised to Boni's co-workers, and what I call on us all to live up to now. I commit to working with these legislators to fund this initiative.

FLIGHT 5191

This past year we had another tragedy...the crash of Flight 5191. Nothing we do can return the loss or fill the void left by that tragedy. So many of us lost friends and some lost family. I wish to recognize the families of the victims of Flight 5191. I also wish to recognize the Kentuckians who responded to this disaster. Members of the Lexington Fayette Urban County Government and the Blue Grass Airport have met to assemble a Flight 5191 Memorial Commission to oversee the design, selection and construction of a memorial to those who lost their lives in this tragedy. I want to thank Mayor Newberry and his staff and Michael Gobb for their leadership in this respect. I encourage you to provide the financial support for a fitting memorial to these victims and their families.

DRUG INITIATIVE

Let me turn to a deep concern that plagues not only Kentucky, but the nation. We all have witnessed the destructive power of drugs to ravage lives and families, to weaken our communities and to overload our criminal justice system. It is an epidemic. We have taken some important steps. To fight not only drugs, but the chronic homelessness it causes we have established ten recovery centers across the state with 1,000 beds of hope. We have strengthened our rehabilitation efforts in our prisons and have increased those beds from 400 to 1,400. With the Methamphetamine legislation you passed we are making progress. There are 57 percent less reported Meth labs and an estimated 69 percent reduction in exposure of children to methamphetamine.

It is now time to take the next step in our fight to tackle this problem. Joining Senators Stivers and Kelly along with General Stumbo we announced legislation that would help us take one of the most significant step this state has ever taken to stop the scourge of drugs.

It is an approach to attack the problem at every point:

To stop illegal transportation of drugs and the seizure of funds of Drug Traffickers, electronic monitoring, tougher Internet pharmacy enforcement and rehabilitation for Kentuckians struggling with substance abuse. I hope you will support us in this effort. The first role of government is to protect it citizens and especially our children. One other thing I ask you to do this session is to make the KLEFPF fund whole by making all certified peace officers eligible.

JAILS

Together we must begin to focus our attention on an issue critical to the financial stability of Counties all across this Commonwealth, the cost of operating county jails. This is a problem that has developed over years and now is becoming more significant as it affects the budgets of many counties. We have increased the per diem recently but a comprehensive long term solution has not been undertaken.

Indeed the time is now for the development of a bi-partisan short time solution to address immediate needs, followed by a comprehensive re-examination of our corrections program across the Commonwealth. I hope during this session that action to relieve the short term concerns as well as plan for a long term solution is undertaken. I look forward to working with you.

In 2005, I established a panel to study the Kentucky Commission on Human Rights. The results revealed the commission's staffing level is inadequate to decrease the number of discrimination cases it receives. Tonight, I request the commission be given $300,000 in fiscal year 08 to meet its mission of encouraging fair treatment and discouraging discrimination against all racial and ethnic groups in Kentucky.

VETERANS INITIATIVE

In my last State of the Commonwealth address, I closed with a salute to our soldiers and veterans. In the past year more Kentuckians have sacrificed personal freedoms, physical well-being and sometimes their lives to stand up to the forces of terrorism. Since last year, over twenty brave Kentuckians gave us their all, dying in the fight to oppose those who would threaten our freedom.

This year I propose a comprehensive set of initiatives to begin to pay back those who serve and have served so selflessly for you and me. I am establishing a veterans advocate and benefits specialist in the Personnel Cabinet to assist Kentucky veterans through the application and interview process for state jobs. I announced my support for bonding the full 6 million dollar expansion of the Western Kentucky Veterans Center so that we can move forward on constructing a place for 40 more beds. Through federal grant funds, we will be reimbursed for this cost in the future.

I also will ask the Secretary of the Finance and Administration Cabinet to write a letter of gracious acceptance to allow us to except land from Fort Knox for an additional state veterans nursing home and to extend our state veterans cemetery. Last session you authorized a Veterans' Personal Loan Program. I am now asking for 2.5 million dollars to fund this program in the current budget.

For veterans unable to care for their own affairs by the federal VA, I have proposed a Conservator Program to help veterans manage their financial and personal affairs. We also are working with Representative Wilkey who has introduced a Wounded and Disabled Veterans Bill that will provide lifetime support and case management to those scarred from the battlefield.

Tonight, I wish to introduce you to Herman Horn. He is a survivor of Pearl Harbor and represents the thousands of veterans who will benefit if we pass this legislation. On the morning of December 7, 1941, Herman woke up and the Japanese were bombing and strafing everything he could see. Mr. Horn's unit escaped the initial attack and took action to stage a counter-attack. He is now the president of the Kentucky Pearl Harbor Survivors Association, and for many years has shared his experience with hundreds of students. Herman, thank your for coming and for sharing your story with us.

Our soldiers with uncommon valor protect our freedom. Their families make financial sacrifices the deployments, the loneliness, the anxiety. We can afford easily to ease some of that burden by exempting the pay of active, National Guard and reserve soldiers from the state income tax. This legislation is sponsored by Representatives Siler, Ballard, Dossett and Senator Tori. The cost: 8.6 million dollars this budget cycle, then about 16.5 million dollars annually there after.

The benefits are numerous. Many soldiers change their residency to other states because of our income tax. We can attract many of the over 8 out of ten Fort Campbell soldiers who make Tennessee their home instead of Kentucky, because of the income tax issue. I believe that, in and of its self may make up most of the cost of the initiative. I ask for your support to do this to honor those who fight for our freedom and security.

CLOSING

In closing let me say that here in Frankfort the well-heeled voices are easy to hear, hard to ignore and inviting to heed. But if we listen carefully, we will hear the soft and timid voices of the poor, the fatherless and the downtrodden that without our special efforts will go unnoticed. It is often in the still, small voice that truth resounds. Let us listen more carefully to do justice to those that our creator called the least of these my brethren as we have done these three years.

Through cautious management, honest debate and by putting aside our political leanings, we have together turned Kentucky around. Thousands of people are now hearing about our Unbridled Spirit, they like what they hear. Over the next few years we will have nearly a million visitors attending world-class events and the Lincoln bicentennial celebration. Because of the work we have done together, they will like what they see.

Thank you and God bless.

The President of the Senate resumed the Chair.

Representative Adkins moved to dissolve the Joint Session. Agreed.

The Speaker resumed the Chair and called the House to order.

HB 202, AN ACT relating to agricultural districts.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 262.850 is amended to read as follows:

(1) This section shall be known as "the Agricultural District and Conservation Act."

(2) It is the policy of the state to conserve, protect, and to encourage development and improvement of its agricultural lands for the production of food and other agricultural products. It is also the policy of this state to conserve and protect the agricultural land base as a valuable natural resource which is both fragile and finite. The pressure imposed by urban expansion, transportation systems, water impoundments, surface mining of mineral resources, utility rights-of-way, and industrial development has continually reduced the land resource base necessary to sufficiently produce food and fiber for our future needs. It is the purpose of this section to provide a means by which agricultural land may be protected and enhanced as a viable segment of the state's economy and as an important resource.

(3) ***As used in this section, for the sole purpose of forming an agricultural district:***

- ***(a) "Agricultural land" means any tract of land, including all income-producing improvements, of at least five (5) contiguous acres in area used for agriculture;***
- ***(b) "Agriculture" means the business of raising or producing:***
  - ***1. Crops, the products of which are used for food, feed, fiber, energy, or pharmaceuticals;***
  - ***2. Horticulture products;***
  - ***3. Tobacco;***
  - ***4. Aquaculture products;***
  - ***5. Livestock, poultry, and ratite birds and eggs;***
  - ***6. Milk and milk products;***
  - ***7. Eggs and egg products;***
  - ***8. Bees and bee products; and***
  - ***9. Timber;***
- ***(c) "Horticulture" means the business of raising fruits, nuts, vegetables, flowers, ornamental plants, shrubs, trees, herbs, and the starts or transplants needed to produce these items;***
- ***(d) "Aquaculture" means the science, art, and business of producing and raising aquatic organisms under controlled or semicontrolled conditions;***

(e) "Livestock" means cattle, sheep, swine, goats, horses, llamas, buffaloes, or any other animals of the bovine, ovine, porcine, caprine, or equine species; and deer and elk, whose regulatory requirements are under KRS Chapters 150 and 246, that are privately owned and raised in a confined area for breeding stock, food, fiber, and other products; and

(f) "Poultry" means chickens, ducks, turkeys, or other domestic fowl being raised or kept on any premises in the Commonwealth for profit.

(4) The local governing administrative body for an agricultural district shall be the conservation district board of supervisors. The Soil and Water Conservation Commission shall be responsible for statewide administration of the agricultural district program and shall have sole authority to certify or deny agricultural district petitions. The commission may apply for assistance and funds from the Federal Farmland Protection Act of 1981 (Pub. L. 97-377) which may be available for the development of the agricultural district program and may accept easements as provided in KRS 65.410 to 65.480.

(5)[~~(4)~~] Any owner or owners of land may submit a petition to the local conservation district board of supervisors requesting the creation of an agricultural district within the county. The petition shall include a description of the proposed area, description of each land parcel, location of the proposed boundaries, petitioners' names and addresses, adjacent landowners' names and addresses, and other pertinent information as required in the petition application. The boundary of an agricultural district shall be contiguous. No land shall be included in an agricultural district without the consent of the owner.

(6)[~~(5)~~] Upon receipt of a petition, the local conservation district board of supervisors shall notify the fiscal court and any local or regional planning or zoning body, if any, by sending a copy of the petition and accompanying materials to that body.

(7)[~~(6)~~] The following factors shall be considered by the local conservation district board of supervisors and the Soil and Water Conservation Commission when considering the formation of any agricultural district:

(a) The capability of the land to support agricultural production, as indicated by: soil, climate, topography*,* or other natural factors;

(b) The viability of active farmlands, as indicated by: markets for farm products, extent and nature of farm improvements, present status of farming, anticipated trends in agricultural economic conditions*,* and technology;

(c) That the proposed agricultural district meets the minimum size limit of two hundred fifty (250) contiguous acres, unless the local conservation district board and the Soil and Water Conservation Commission allow fewer than two hundred fifty (250) contiguous acres if the proposed area meets a minimum annual production performance established by the district board and approved by the commission;

(d) County development patterns and needs and the location of the district in relation to any urban development boundaries within the county*, including the local Comprehensive Plan and the 401 Facilities Plan, if one exists*;

(e) Any matter which may be relevant to evaluate the petition; and

(f) Whether an application is from more than one (1) farm owner, in which case a preference shall be given to the application.

(8)[~~(7)~~] The local soil and water conservation district board of supervisors shall review the petition application and submit a recommendation to the Soil and Water Commission within sixty (60) days of receipt. The local conservation district recommendation shall be submitted to the commission in the form of approval, approval with modifications, or denial of the petition accompanied by justification for *the*[~~such a~~] denial.

(9)[~~(8)~~] The Soil and Water Conservation Commission shall review the recommendation of the district board of supervisors and certify or deny the agricultural district's petition within sixty (60) days of receipt.

(10)[~~(9)~~] Upon the approval of a petition by the Soil and Water Conservation Commission, the commission shall notify the area development district in which the agricultural district will lie, the local county clerk, and the secretary of the Governor's Cabinet.

(11)[~~(10)~~] Land within the boundary of an agricultural district shall not be annexed.

(12)[~~(11)~~] The owners of land within the boundary of an agricultural district shall be exempt under KRS 74.177 from any assessment authorized for the extension of water service lines until the land is removed from the district and developed for nonagricultural use. Any member, or any successor heir of the member, of an agricultural district may withdraw from the district upon notifying the local conservation district board of supervisors in writing.

(13)[~~(12)~~] It shall be the policy of all state agencies to support the formation of agricultural districts as a means of preserving Kentucky's farmlands and to mitigate the impact of their present and future plans and programs upon the continued agricultural use of land within an agricultural district.

(14)[~~(13)~~] Agricultural districts shall be comprised only of agricultural land as defined in ***this section. The agricultural land must have been used for agriculture for at least one (1) year before becoming eligible for consideration to be in an agricultural district***[~~KRS 132.010~~].

(15) (a)[~~(14)~~] An agricultural district ***of ten (10) acres or more*** shall be established for five (5) years with a review to be made by the local soil and water conservation district board of supervisors at the end of the five-year period and

every five (5) years thereafter. Each owner of land shall agree to remain in the district for a five (5) year period, which is renewable at the end of the five (5) years.[~~However,~~] The board shall make a review any time upon the written request of a local government which demonstrates that the review is necessary in order to consider development needs of the local government. The board shall consider whether the continued existence of the district is justified, any adjustments which may be necessary due to urban or county development, and other factors the board finds relevant. The board shall revise the district as necessary based on the review and subject to approval of the State Soil and Water Conservation Commission. Before the state commission takes final action, all interested parties shall be given the opportunity to request the state commission to amend or overturn the local board's decision.

(b) An agricultural district of less than ten (10) acres shall be established for five (5) years with a review to be made annually by the local soil and water conservation district board of supervisors. Each owner of land shall agree to remain in the district for a five (5) year period, which is renewable at the end of the five (5) years. The board shall make a review any time upon the written request of a local government which demonstrates that the review is necessary in order to consider development needs of the local government. The board shall consider whether the continued existence of the district is justified, any adjustments which may be necessary due to urban or county development, and other factors the board finds relevant. The board shall revise the district as necessary based on the review and subject to approval of the State Soil and Water Conservation Commission. Before the state commission takes final action, all interested parties shall be given the opportunity to request the state commission to amend or overturn the local board's decision.

(c) An agricultural district of less than ten (10) acres shall comply with any conservation plans required by the State Soil and Water Conservation Commission.

(16)[~~(15)~~] The withdrawal of a member from a district reducing the remaining acreage of agricultural district land to less than two hundred fifty (250) acres or resulting in the remaining land being noncontiguous shall not cause the decertification of the district.

(17)[~~(16)~~] Any member of an agricultural district who has received a summons of condemnation proceedings being instituted concerning the member's land located in the district may request the local soil and water conservation district board of supervisors to hold a public hearing on the proposed taking of land.[~~However~~] A hearing under this section shall not be held if the petitioner in the condemnation proceeding is a utility as defined in KRS 278.010(3) and obtained a certificate of convenience and necessity as required by KRS 278.020(1).

(18)[~~(17) (a)~~] The board shall notify the local property valuation administrator of the farms which belong to an agricultural district, and ***shall notify the local property valuation administrator if***[~~whenever~~] a farm is ***released or*** withdrawn from a district. The board shall also inform all members of a district of the right to have their land assessed by the local property valuation administrator at the land's agricultural use value and shall offer advice and assistance on obtaining ***that***[~~such an~~] assessment. ***When informing the members of a district about their right to have their land assessed at its agricultural use value, the board shall also inform the members that only land that meets the requirements of KRS Chapter 132 shall be eligible for the agricultural assessment.***

[~~(b) The board shall also notify the local property valuation administrator whenever a farm is released or withdrawn from an agricultural district.~~]

(19)[~~(18)~~] The board may allow an amendment to an existing certified agricultural district if approved by the commission.

SECTION 1. A NEW SECTION OF KRS 304.14-600 TO 304.14-625 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provisions of this chapter to the contrary, each insurer that issues, delivers, or renews any long-term care insurance policy on or after January 1, 2008, shall, before use thereof, file with the executive director its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers. The insurer shall also submit a copy of the filing to the Attorney General and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the executive director. The insurer shall submit a new filing to reflect any material change to the previously filed and approved rate filing. For all other changes, the insurer shall submit an amendment to a previously approved rate filing.

(2) (a) A rate filing under this section may be used by the insurer on and after the date of filing with the executive director prior to approval by the executive director. A rate filing shall be approved or disapproved by the executive director within sixty (60) days after the date of filing. Should sixty (60) days expire after the executive director receives the filing before approval or disapproval of the filing, the filing shall be deemed approved.

(b) In the circumstances of a filing that has been deemed approved or has been disapproved under paragraph (a) of this subsection, the executive director may order a retroactive reduction of rates to a reasonable rate if the executive director subsequently determines that the filing contained misrepresentations or was based on fraudulent information, and if after applying the factors in subsection (3) of this section the executive director determines that the rates were unreasonable. If the executive director seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the executive director shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.

(3) In approving or disapproving a filing under this section, the executive director shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium or fee charged;

(b) Previous premium rates or fees for the policies or contracts to which the filing applies;

(c) The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

(d) Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory; and

(e) Other factors as deemed relevant by the executive director.

(4) At any time the executive director, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund or future premium credit to policyholders, enrollees, and subscribers if the executive director determines that the rates or fees previously approved are in violation of this chapter.

(5) The executive director may by administrative regulation prescribe any additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section, including, but not limited to:

(a) Certification by a qualified actuary that:

1. The initial premium rate schedule is sufficient to cover anticipated costs under moderately-adverse experience and that the premium rate schedule is reasonably expected to be sustainable over the life of the form with no future premium increases anticipated; and

2. As to any premium rate schedule increase, if the requested premium rate schedule increase is implemented and the underlying assumptions are realized, no further premium rate schedule increases are anticipated;

(b) An actuarial memorandum justifying any rate schedule change; and

(c) A statement that the premium rate schedule is not less than the premium rate schedule for existing similar policy forms also available from the insurer, or in the case of renewal premium rate schedules, the renewal premium rate schedules are not greater than new business premium rate schedules, except for differences attributable to benefits.

(6) (a) The executive director shall hold a hearing upon written request by the Attorney General. The written request shall be based upon one (1) or more of the reasons set out in subsection (3) of this section and shall state the applicable reasons.

(b) An insurer may request a hearing, pursuant to KRS 304.2-310, with regard to any action taken by the executive director under this section as to the disapproval of rates or an order of a retroactive reduction of rates.

(c) The hearing shall be a public hearing conducted in accordance with KRS 304.2-310.

(5) The executive director shall by administrative regulation prescribe additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section.

(6) (a) The executive director shall hold a hearing upon written request by the Attorney General. The written request shall be based upon one (1) or more of the reasons set out in subsection (3) of this section and shall state the applicable reasons.

HB 94, AN ACT relating to methamphetamine contamination.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that properties are being contaminated with hazardous chemical residues created by the manufacture of methamphetamine. Innocent members of the public have been harmed from exposure to these residues because properties are not properly decontaminated prior to the subsequent rental, sale, or use of the properties. Remediation of properties has been frustrated by a lack of comprehensive standards and procedures for decontamination of properties found to have been involved with methamphetamine production. The purpose of this section is to protect the public health, safety, and welfare by providing specific cleanup standards and procedures.

(1) As used in this section, the following definitions shall apply:

(a) "Inhabitable property" means any building or structure and any related curtilage, water, water system, or sewer system used as a clandestine methamphetamine drug lab that is intended to be primarily occupied by people, including a mobile home, that may be sold, leased, or rented for any length of time. "Inhabitable property" shall not include a hotel, as defined in KRS 219.011;

(b) "Surface material" means any porous or nonporous substance common to the interior of a building or structure, including but not limited to ceilings and walls, window coverings, floor and floor coverings, counters, furniture, heating and cooling duct work, and any other surface to which inhabitants of the building or structure may be exposed; and

(c) "Related hazardous material or hazardous waste" means any hazardous waste as defined in this chapter or hazardous material as defined in KRS 174.405 that is related to the clandestine production of

methamphetamine.

(2) The decontamination standard for methamphetamine inside inhabitable property is less than or equal to one-tenth of one (0.1) microgram of methamphetamine per one hundred (100) square centimeters of surface material, unless the cabinet promulgates an administrative regulation providing for a different standard. The cabinet may provide for other standards by administrative regulations as follows:

(a) Standards for precursors to methamphetamine that are consistent with the standard for methamphetamine or standards for related hazardous material or hazardous waste; and

(b) The number and locations of surface material samples to be collected based on the circumstances of the contamination and acceptable testing methods.

In the absence of an administrative regulation as described in paragraph (b) of this subsection, at least three (3) samples must be collected from the surface material most likely to be contaminated at each property.

(3) (a) Only contractors certified by the Environmental and Public Protection Cabinet shall be authorized to conduct the decontamination services for inhabitable properties. The cabinet shall maintain a list of vendors and contractors with current certification to provide decontamination services. In order to become a certified contractor, a contractor shall:

1. Register with the cabinet;

2. Post a bond, or obtain other financial assurance, in the amount of one million dollars ($1,000,000);

3. Certify that decontamination will be performed safely, and in accordance with 803 KAR 2:403; and

4. Certify that each cleanup conducted meets the decontamination standard required by subsection (2) of this section.

(b) Upon registration, the Environmental and Public Protection Cabinet shall either accept or deny the contractor's certification. The cabinet may revoke the certification of any contractor for cause and may collect the forfeited financial assurance of any contractor found to be in violation of this section. Forfeited financial assurance may be used by the cabinet to decontaminate inhabitable properties.

(c) The cabinet may promulgate administrative regulations to establish standards and procedures for contractor certification and to establish reasonable fees to implement this section.

(4) When a state or local law enforcement agency becomes aware that an inhabitable property has been contaminated by its use as a clandestine methamphetamine drug lab, the agency shall immediately report the contamination in writing to the local health department.

(5) Upon receipt of a written report of methamphetamine contamination of an inhabitable property provided by a state or local law enforcement agency under subsection (4) of this section, a local health department shall act to protect the public from health hazards posed by methamphetamine contamination of inhabitable property. To carry out this responsibility, a local health department shall rely on its powers under KRS Chapter 212.

(6) To effect the provisions and promote the purposes of this section, the Environmental and Public Protection Cabinet, the Cabinet for Health and Family Services, and the Justice Cabinet shall integrate their efforts with other state agencies to provide information and training to the public about the health hazards associated with methamphetamine laboratories.

(7) The Environmental and Public Protection Cabinet, the Cabinet for Health and Family Services, and the Justice Cabinet shall pursue funds from the federal government, through grants or any other funding source, to help pay for the cost of assessment and decontamination of inhabitable properties.

Section 2. KRS 198A.040 is amended to read as follows:

The corporation shall have all of the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter including, but without limiting the generality of the foregoing, the power:

(1) To make or participate in the making of insured construction loans to sponsors of land development or residential housing; provided, however, that such loans shall be made only upon the determination by the corporation that construction loans have been refused in writing, wholly or in part, from private lenders in the Commonwealth of Kentucky upon reasonably equivalent terms and conditions;

(18) To sue and be sued in its own name, plead and be impleaded;

(19) To maintain an office in the city of Frankfort and at such other place or places as it may determine;

(23) To invest any funds held in reserve or in sinking fund accounts or any moneys not required for immediate disbursement in obligations guaranteed by the Commonwealth, the United States, or their agencies or instrumentalities; provided, however, that the return on such investments shall not violate any rulings of the Internal Revenue Service regarding the investment of the proceeds of any federally tax exempt bond issue;

(25) To insure or reinsure construction, mortgage, and rehabilitation loans on residential housing; provided, however, that any such insurance, reinsurance, or waiver shall be made only upon the determination by the corporation:

(a) That such insurance or reinsurance is not otherwise available wholly or in part from private insurers upon reasonably equivalent terms and conditions; and

(b) That such loan is a reasonably sound business investment; and provided further that insurance may be waived only where the corporation finds that the amount of the loan does not exceed eighty-five percent (85%) of the development costs, or eighty-five percent (85%) of the value of the property secured by the mortgage as determined by at least two (2) appraisers who are independent of the sponsors, builders, and developers;

(26) To make grants from appropriated funds, agency and trust funds, and any other funds from any source available to the corporation, to sponsors, municipalities, local housing authorities, and to owners of residential housing for the development, construction, rehabilitation, or maintenance of residential housing and such facilities related thereto as corporation shall deem important for a proper living environment, all on such terms and conditions as may be deemed appropriate by the corporation;

(2) The board of directors shall cause due notice of the resolution to be given to all the owners of benefited lands, as determined by the board. Said notice shall set out the time and place of a meeting of the board of directors of the watershed conservancy district at which owners of benefited lands who may be liable for the annual assessments may be heard.

(3) At the hearing upon the resolution, owners of benefited lands may voice their views concerning the proposal as to whether it should be undertaken, and the scope thereof, or the degree of benefit received by their lands. The board shall prepare a record summarizing the proceedings. If the board of directors determines as a result of the hearing that the proposal should be carried out as planned, it may make such changes or revisions in the resolution as it deems proper and shall give due

notice of an election to be held at which benefited landowners may vote on the question of annual special assessments to defray the cost. (5) If a majority of those voting upon the proposition favor the assessment the board shall give due notice of the vote. Any owner of property to be benefited by the project may, within forty (40) days after publication of such notice, file an action in the Circuit Court of the county in which his lands are located seeking relief by declaratory judgment or injunction. If a suit is filed, the county attorney shall represent the board of directors in upholding the validity of the proposed assessment. After the lapse of time specified herein all actions by owners of properties to be benefited shall be forever barred.

(6) If no suit is filed and no injunction issued within the time allowed in subsection (5) of this section, the board of directors shall levy annual assessments effective only upon the benefited properties and based on the acreage thereof. The annual assessment shall be made by the board of directors at the same time and in the same manner as provided in KRS 262.765 for taxes generally and shall be collected as provided in KRS 262.770. The assessments shall constitute liens against the land benefited and shall attach to the land, taking precedence over all other liens except state, county and municipal taxes and prior improvement assessments.

Section 8. KRS 262.778 is amended to read as follows:

(1) Upon determination by the board of directors of a watershed conservancy district that a watershed project is necessary, and upon approval of the plans for same by the board of supervisors, the board of directors shall adopt a resolution which shall set out:

(b) A list of the benefited lands located in the flood plain, as determined by the board of directors, giving the acreage of such lands and the names of the owners thereof as defined by KRS 262.010*(7)*[~~(6)~~] with a classification of such lands or parts thereof into classes in order that assessments may be made according to direct benefits;

(c) The total cost of the project; and

(d) The fact that the cost shall be met by a bond issue payable solely from annual assessments to be levied upon the lands set out in the resolution on the basis of a certain amount per acre according to benefits received, not to exceed in any one year a sum per acre specified in the resolution, with the annual assessments to extend over a period of years specified in the resolution not to exceed thirty (30) years.

(2) The board of directors shall cause due notice of the resolution to be given to all the owners of benefited lands, as determined by the board. Said notice shall set out the time and place of a meeting of the board of directors of the watershed conservancy district at which owners of benefited lands who may be liable for the annual assessments may be heard.

(3) At the hearing upon the resolution, owners of benefited lands may voice their views concerning the proposed project as to whether said project should be undertaken, and the scope thereof, or the propriety of placing their lands in the project area or the degree of benefit received by their lands. The board shall prepare a record summarizing the proceedings. If the board of directors determines as a result of the hearing that the project should be carried out as planned, it may make such changes or revisions in the resolution as it deems proper and shall give due notice of an election to be held at which benefited landowners may vote on the question of annual special assessments to defray the cost of the project. The notice of the election shall include the text of the resolution of the board in its final form. The board of directors may give due notice as provided in KRS 262.010(4).

(4) The board of directors shall prepare to be presented to the voters the question: "Should the assessment proposed by resolution of the .... Watershed Conservancy District be adopted?". Voters shall be instructed to vote "yes" or "no." Only owners of benefited land as set out in the resolution shall be eligible to vote. The board of directors may provide for a meeting of the landowners at which the vote may be cast, in which case qualified voters may vote by absentee vote. The board shall appoint a polling superintendent and other necessary election officers, giving representation to the opponents of the question as well as to proponents.

(5) If a majority of those voting upon the proposition favor the assessment, the board shall give due notice of the vote and the fact that bonds will forthwith be issued payable from special assessments. Any owner of property to be benefited by the project may, within forty (40) days after publication of such notice, file an action in the Circuit Court of the county in which his lands are located seeking relief by declaratory judgment or injunction. If a suit is filed, the county attorney should represent the board of directors in upholding the validity of the proposed bond issue. After the lapse of time specified herein, all actions by owners of properties to be benefited shall be forever barred.

(6) If no suit is filed and no injunction issued within the time allowed in subsection (5) of this section, the board of directors

shall by resolution authorize the issuance of bonds designated "watershed project assessment bonds," determining the principal amount thereof and establishing the denominations and maturity dates thereof and shall levy an annual assessment effective only upon the benefited properties and based on the acreage thereof. The annual rate of such assessments shall be fixed when other taxes of the district are levied and shall be sufficient in each year to provide for the payment of such bonds and interest coupons as they mature and sufficient to provide a fund equal to twenty percent (20%) of the average annual principal and interest requirements, the same to constitute a "debt service reserve" as a precaution against possible default by failure to collect annual levies. The bonds shall state on their face that they do not constitute a debt of the district but are payable solely from collection of special assessments made upon benefited lands lying in the watershed conservancy district.

Section 5. KRS 45A.080 is amended to read as follows:

(1) ***Except as provided by Section 4 of this Act,*** contracts exceeding the amount provided by KRS 45A.100 shall be awarded by competitive sealed bidding unless it is determined in writing that this method is not practicable. Factors to be considered in determining whether competitive sealed bidding is not practicable shall include:

(a) Whether specifications can be prepared that permit award on the basis of best value; and

(b) The available sources, the time and place of performance, and other relevant circumstances as are appropriate for the use of competitive sealed bidding.

(2) The invitation for bids shall state that awards shall be made on the basis of best value. In any contract which is awarded

under an invitation to bid which requires delivery by a specified date and imposes a penalty for late delivery, if the delivery is late, the contractor shall be given the opportunity to present evidence that the cause of the delay was beyond his control. If it is the opinion of the purchasing officer that there is sufficient justification for delayed delivery, the purchasing officer may adjust or waive any penalty that is provided for in the contract.

(3) Adequate public notice of the invitation for bids shall be given a sufficient time prior to the date set forth for the opening of bids. The notice may include posting on the Internet or publication in a newspaper or newspapers of general circulation in the state as determined by the secretary of the Finance and Administration Cabinet not less than seven (7) days before the date set for the opening of the bids. The provisions of this subsection shall also apply to price contracts and purchase contracts of state institutions of higher education.

(4) Bids shall be opened publicly at the time and place designated in the invitation for bids. At the time the bids are opened, the purchasing agency shall announce the agency's engineer's estimate, if applicable, and make it a part of the agency records pertaining to the letting of any contract for which bids were received. Each bid, together with the name of the bidder and the agency's engineer's estimate, shall be recorded and be open to public inspection. Electronic bid opening and posting of the required information for public viewing shall satisfy the requirements of this subsection.

(5) The contract shall be awarded by written notice to the responsive and responsible bidder whose bid offers the best value.

(6) Correction or withdrawal of bids shall be allowed only to the extent permitted by regulations issued by the secretary.

Section 6. KRS 45A.085 is amended to read as follows:

(1) When, under administrative regulations promulgated by the secretary or under KRS 45A.180, the purchasing officer determines in writing that the use of competitive sealed bidding is not practicable, and except as provided in KRS 45A.095***,***[~~ and~~] 45A.100, ***and Section 4 of this Act,*** a contract may be awarded by competitive negotiation.

(2) Adequate public notice of the request for proposals shall be given in the same manner and circumstances as provided in KRS 45A.080(3).

(3) Contracts other than contracts for projects utilizing an alternative project delivery method under KRS 45A.180 may be competitively negotiated when it is determined in writing by the purchasing officer that the bids received by competitive sealed bidding either are unreasonable as to all or part of the requirements, or were not independently reached in open competition, and for which each competitive bidder has been notified of the intention to negotiate and is given reasonable opportunity to negotiate.

(4) Contracts for projects utilizing an alternative project delivery method shall be processed in accordance with KRS 45A.180.

(5) The request for proposals shall indicate the relative importance of price and other evaluation factors.

(6) Award shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the Commonwealth, taking into consideration price and the evaluation factors set forth in the request for proposals.

(7) Written or oral discussions shall be conducted with all responsible offerors who submit proposals determined in writing to be reasonably susceptible of being selected for award. Discussions shall not disclose any information derived from proposals submitted by competing offerors. Discussions need not be conducted:

  (a) With respect to prices, where the prices are fixed by law or administrative regulation, except that consideration shall be given to competitive terms and conditions;

  (b) Where time of delivery or performance will not permit discussions; or

  (c) Where it can be clearly demonstrated and documented from the existence of adequate competition or prior experience with the particular supply, service, or construction item, that acceptance of an initial offer without discussion would result in fair and reasonable best value procurement, and the request for proposals notifies all offerors of the possibility that award may be made on the basis of the initial offers.

Section 7. KRS 45A.095 is amended to read as follows:

(1) A contract may be made by noncompetitive negotiation only for sole source purchases, or when competition is not feasible, as determined by the purchasing officer in writing prior to award, under administrative regulations promulgated by the secretary of the Finance and Administration Cabinet or the governing boards of universities operating under KRS Chapter 164A, ***pursuant to Section 4 of this Act,*** or when emergency conditions exist. Sole source is a situation in which there is only one (1) known capable supplier of a commodity or service, occasioned by the unique nature of the requirement, the supplier, or market conditions. Insofar as it is practical, no less than three (3) suppliers shall be solicited to submit written or oral quotations whenever it is determined that competitive sealed bidding is not feasible. Award shall be made to the supplier offering the best value. The names of the suppliers submitting quotations and the date and amount of each quotation shall be placed in the procurement file and maintained as a public record. Competitive bids may not be required:

  (a) For contractual services where no competition exists, such as telephone service, electrical energy, and other public utility services;

  (b) Where rates are fixed by law or ordinance;

  (c) For library books;

(d) For commercial items that are purchased for resale;

(e) For interests in real property;

(f) For visiting speakers, professors, expert witnesses, and performing artists;

(g) For personal service contracts executed pursuant to KRS 45A.690 to 45A.725; and

(h) For agricultural products in accordance with KRS 45A.645.

(2) The chief procurement officer, the head of a using agency, or a person authorized in writing as the designee of either officer may make or authorize others to make emergency procurements when an emergency condition exists.

(3) An emergency condition is a situation which creates a threat or impending threat to public health, welfare, or safety such as may arise by reason of fires, floods, tornadoes, other natural or man-caused disasters, epidemics, riots, enemy attack, sabotage, explosion, power failure, energy shortages, transportation emergencies, equipment failures, state or federal legislative mandates, or similar events. The existence of the emergency condition creates an immediate and serious need for services, construction, or items of tangible personal property that cannot be met through normal procurement methods and the lack of which would seriously threaten the functioning of government, the preservation or protection of property, or the health or safety of any person.

(4) The Finance and Administration Cabinet may negotiate directly for the purchase of contractual services, supplies, materials, or equipment in bona fide emergencies regardless of estimated costs. The existence of the emergency shall be fully explained, in writing, by the head of the agency for which the purchase is to be made. The explanation shall be approved by the secretary of the Finance and Administration Cabinet and shall include the name of the vendor receiving the contract along with any other price quotations and a written determination for selection of the vendor receiving the contract. This information shall be filed with the record of all such purchases and made available to the public. Where practical, standard specifications shall be followed in making emergency purchases. In any event, every effort should be made to effect a competitively established price for purchases made by the state.

Section 8. KRS 45A.100 is amended to read as follows:

(1) ***If purchases are not available under the provisions of Section 4 of this Act,*** procurements may be made in accordance with small purchase administrative regulations promulgated by the secretary of the Finance and Administration Cabinet, pursuant to KRS Chapter 13A, as follows:

(a) Up to ten thousand dollars ($10,000) per project for construction and one thousand dollars ($1,000) for purchases by any state governmental body, except for those state administrative bodies specified in paragraph (b) of this subsection; and

(b) Up to forty thousand dollars ($40,000) per project for construction or purchases by the Finance and Administration Cabinet, state institutions of higher education, and the legislative branch of government.

(2) Procurement requirements shall not be artificially divided so as to constitute a small purchase under this section. At least every two (2) years, the secretary shall review the prevailing costs of labor and materials and may make recommendations to the next regular session of the General Assembly for the revision of the then current maximum small purchase amount as justified by intervening changes in the cost of labor and materials.

(3) The secretary of the Finance and Administration Cabinet may grant to any state agency with a justifiable need a delegation of small purchasing authority which exceeds the agency's small purchase limit provided in subsection (1) of this section. Delegations of small purchasing authority shall be granted or revoked by the secretary of the Finance and Administration Cabinet, in accordance with administrative regulations promulgated by the cabinet pursuant to KRS Chapter 13A. These administrative regulations shall establish, at a minimum, the criteria for granting and revoking delegations of small purchasing authority, including the requesting agency's past compliance with purchasing regulations, the level of training of the agency's purchasing staff, and the extent to which the agency utilizes the Kentucky Automated Purchasing System. The administrative regulations may permit the secretary of the Finance and Administration Cabinet to delegate small purchase procurements up to the maximum amount specified in subsection (1)(b) of this section.

(b) Any investigation by the board of any matter related to an appeal filed by an employee shall be conducted only upon notice to the employee, the employee's counsel, and the appointing authority. All parties to the appeal shall have access to information produced by the investigations and the information shall be presented at the hearing.

(21)[~~(20)~~] Each appeal shall be decided individually, unless otherwise agreed by the parties and the board. The board shall not:

(a) Employ class action procedures; or

(b) Conduct test representative cases.

(22)[~~(21)~~] Board members shall abstain from public comment about a pending or impending proceeding before the board. This shall not prohibit board members from making public statements in the course of their official duties or from explaining for public information the procedures of the board.

(24)[~~(23)~~] (a) If the board finds that the action complained of was taken by the appointing authority in violation of laws prohibiting favor for, or discrimination against, or bias with respect to, his political or religious opinions or affiliations or ethnic origin, or in violation of laws prohibiting discrimination because of such individual's sex or age or disability, the appointing authority shall immediately reinstate the employee to his former position or a position of like status and pay, without loss of pay for the period of his penalization, or otherwise make the employee whole unless the order is stayed by the board or the court on appeal;

(b) If the board finds that the action complained of was taken without just cause, the board shall order the immediate reinstatement of the employee to his former position or a position of like status and pay, without loss of pay for the period of his penalization, or otherwise make the employee whole unless the order is stayed by the board or the court on appeal;

(27)[~~(26)~~] After a final decision has been rendered by the board or court, an employee who prevails in his appeal shall be credited with the amount of leave time used for time spent at his hearing before the board or court. Employees who had an insufficient amount of leave time shall be credited with leave time equal to the amount of time spent at their hearings before the board or court.

(28)[~~(27)~~] If the appointing authority appeals the final order of the board, unless the board rules otherwise, the reinstated employee shall remain in his former position, or a position of like status or pay, until the conclusion of the appeals process, at which time the appointing authority shall take action in accordance with the court order.

(29) After a final decision in a contested case has been rendered by the board or court, the board shall make the decision available to the public in electronic format on its Web site and shall organize the decisions according to the statutory basis for which the appeal was based.

(30)[~~(28)~~] For the purposes of subsections (3), (4), (5), (6), (7), and (8) of this section, the word "agency" means any agency not assigned to a cabinet for organizational purposes.

(31)[~~(29)~~] Notwithstanding any other prescribed limitation of action, an employee that has been penalized, but has not received a written notice of his or her right to appeal as provided in this section, shall file his or her appeal with the Personnel Board within one (1) year from the date of the penalization or from the date that the employee reasonably should have known of the penalization.

(7) The administrative regulations shall provide:

(a) For the preparation, maintenance, and revision of a position classification plan for all positions in the classified service, based upon similarity of duties performed and responsibilities assumed, so that the same qualifications may reasonably be required for, and the same schedule of pay may be equitably applied to, all positions in the same class. The secretary shall allocate the position of every employee in the classified service to one (1) of the classes in the plan. Except as provided by this chapter, an eligible's score shall expire automatically one (1) year from the date of testing, unless the life of the score is extended by action of the secretary for a period not to exceed one (1) additional year. Except for those individuals exercising reemployment rights, all eligibles may be removed from the register when a new examination is established;

(e) Layoffs;

(f) Registers;

(g) Types of appointments;

(h) Attendance; hours of work; compensatory time; annual, court, military, sick, voting, and special leaves of absence, provided that the secretary shall not promulgate administrative regulations that would reduce the rate at which employees may accumulate leave time below the rate effective on December 10, 1985; and

(i) Employee evaluations.

(2) The secretary shall promulgate comprehensive administrative regulations for the unclassified service.

(3) (a) Except as provided by KRS 18A.355, the secretary shall not promulgate administrative regulations that would reduce an employee's salary; and

(4) The secretary may promulgate administrative regulations to implement state government's affirmative action plan under KRS 18A.138.

(5) (a) The administrative regulations shall comply with the provisions of this chapter and KRS Chapter 13A, and shall have the force and effect of law after compliance with the provisions of KRS Chapters 13A and 18A and the procedures adopted thereunder;

(b) Administrative regulations promulgated by the secretary shall not expand or restrict rights granted to, or duties imposed upon, employees and administrative bodies by the provisions of this chapter; and

(c) No administrative body other than the Personnel Cabinet shall promulgate administrative regulations governing the subject matters specified in this section.

(6) Prior to filing an administrative regulation with the Legislative Research Commission, the secretary shall submit the administrative regulation to the board for review.

(7) The administrative regulations shall provide:

(a) For the preparation, maintenance, and revision of a position classification plan for all positions in the classified service, based upon similarity of duties performed and responsibilities assumed, so that the same qualifications may reasonably be required for, and the same schedule of pay may be equitably applied to, all positions in the same class. The secretary shall allocate the position of every employee in the classified service to one (1) of the classes in the plan. The secretary shall reallocate existing positions, after consultation with appointing authorities, when it is determined that they are incorrectly allocated, and there has been no substantial change in duties from those in effect when such positions were last classified. The occupant of a position being reallocated shall continue to serve in the reallocated position with no reduction in salary. ***The secretary may approve the salary of a career employee who is promoted to a higher pay grade to the same salary level that would be available to new appointments in that grade, provided that all other employees in that classification in that county in the same class with similar qualifications are raised to that salary level***;

Amendments to the pay plan shall be made in the same manner. Each employee shall be paid at one (1) of the rates set forth in the pay plan for the class of position in which he is employed, provided that the full amount of the annual increment provided for by the provisions of KRS 18A.355, and the full amount of an increment due to a promotion, salary adjustment, reclassification, or reallocation, shall be added to an employee's base salary or wages;

(c) For open competitive examinations to test the relative fitness of applicants for the respective positions. The examinations shall be announced publicly and applications accepted at least ten (10) days prior to certification of a register, and may be advertised through the press, radio, and other media. The secretary shall continue to receive applications and examine candidates on a continuous basis long enough to assure a sufficient number of eligibles to meet the needs of the service. Except as provided by this chapter, he shall add the names of successful candidates to existing eligible lists in accordance with their respective ratings. The secretary shall be free to use any investigation of education and experience and any test of capacity, knowledge, manual skill, character, personal traits, or physical fitness, which in his judgment, serves the need to discover the relative fitness of applicants;

(d) As provided by this chapter, for the establishment of eligible lists for appointment, upon which lists shall be placed the names of successful candidates in the order of their relative excellence in the respective examinations. Except as provided by this chapter, an eligible's score shall expire automatically one (1) year from the date of testing, unless the life of the score is extended by action of the secretary for a period not to exceed one (1) additional year. Except for those individuals exercising reemployment rights, all eligibles may be removed from the register when a new examination is established;

(e) For the rejection of candidates or eligibles who fail to comply with reasonable requirements of the secretary in regard to such factors as age, physical condition, training, and experience, or who have attempted any deception or fraud in connection with an examination;

(f) Except as provided by this chapter, for the appointment of a person whose score is included in the five (5) highest scores earned on the examination;

(g) For annual, sick, and special leaves of absence, with or without pay, or reduced pay, after approval by the Governor as provided by KRS 18A.155(1)(d);

(j) For a uniform system of annual employee evaluation for classified employees, with status, that shall be considered in determining eligibility for discretionary salary advancements, promotions, and disciplinary actions. The administrative regulations shall:

1. Require the secretary to determine the appropriate number of job categories to be evaluated and a method for rating each category;
2. Provide for periodic informal reviews during the evaluation period which shall be documented on the evaluation form and pertinent comments by either the employee or supervisor may be included;
3. Establish a procedure for internal dispute resolution with respect to the final evaluation rating;

HR 78, A RESOLUTION requesting reauthorization of the Tobacco Task Force.

WHEREAS, for decades, tobacco production has been an important component of Kentucky's agricultural economy; and

WHEREAS, tobacco farming in Kentucky remains at a critical juncture in the aftermath of the federal buyout and the advent of a free market system; and

WHEREAS, growers face many issues, such as contending with labor shortages and costs, having to invest in infrastructure and machinery, improving growing techniques, acquiring quality land, facing contract prices that are too low, competing in a national and international market environment; and

WHEREAS, any continuing reduction in tobacco production will have a ripple effect throughout rural areas of Kentucky, affecting local economies, and ultimately leading to an erosion of state and local revenues; and

WHEREAS, the Tobacco Task Force was created by the Legislative Research Commission in 1984 to address problems that threatened Kentucky's tobacco economy and was instrumental in helping to resolve those problems; and

WHEREAS, Kentucky's tobacco industry and tobacco farmers remain in jeopardy because of the problems and concerns prevalent in the post-buyout era;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Tobacco Task Force be reauthorized through November 30, 2007, to help address the problems facing the tobacco industry in the state.

Floor Amendment No. 1 to the Committee Substitute to **HB 137**, by Representative Yonts:

HB 137, On page 1, after line 11 insert the following:

"Section 2. KRS 224.60-130 is amended to read as follows:

(1) The Environmental and Public Protection Cabinet, Department for Environmental Protection, Division of Waste Management, shall:

(a) Establish by administrative regulation the policy, guidelines, and procedures to administer the financial responsibility and petroleum storage tank accounts of the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the division may distinguish between types, classes, and ages of petroleum storage tanks. The division may establish a range of amounts to be paid from the fund, or may base payments on methods such as pay for performance, task order, or firm fixed pricing, which are designed to provide incentives for contractors to more tightly control corrective action costs, and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. The criteria may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. Owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the division for reimbursement from the fund for the performance of corrective action. At a minimum, the division shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the division shall obligate funds necessary to meet these requirements;

(b) Establish by administrative regulation the criteria to be met to be eligible to participate in the financial responsibility and petroleum storage tank accounts and to receive reimbursement from these accounts. The division may establish eligibility criteria for the petroleum storage tank account based upon the financial ability of the petroleum storage tank owner or operator. Owners or operators seeking coverage under the petroleum storage tank account shall file for eligibility and for financial assistance with the division [~~on or before January 15, 2008~~]. To insure cost effectiveness, the division shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund. In promulgating administrative regulations to carry out this section, the division may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;

(c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal regulations applicable to petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The account shall receive four-tenths of one cent ($0.004) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the division;

(d) Establish a small operator assistance account within the fund which may be used by the division to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;

(e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. Reimbursements of corrective action projects performed under the petroleum storage tank account shall be carried out on or before July 15, 2013. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent ($0.01) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, 2004, the division shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The division shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the division shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;

(f) Hear complaints brought before the division regarding the payment of claims from the fund in accordance with KRS 224.10-410 to 224.10-470;

(g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;

(h) Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform actuarial studies, as directed by the division, for determining an appropriate reserve in the financial responsibility account and the petroleum storage tank account sufficient to satisfy the obligations in each account for all eligible facilities and to satisfy future liabilities and expenses necessary to operate each account. The division shall, by administrative regulation, set the entry level for participation in the fund;

(i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;

(j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the division may distinguish among owners and operators based on income, number of tanks, number of facilities, and types and classes of tanks;

(k) Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;

(l) Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The division may collect soil or water samples or require storage tank owners or operators to split samples with the division for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the division to collect or split samples shall make the facility ineligible for fund participation;

(m) Have inspectors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the division schedule an inspector to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an inspector fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the division no later than ten (10) days prior to the proposed date that an inspector is not available on the proposed date, in which event a representative of the division shall contact the operator and schedule a new date. If no inspector is present at the rescheduled date, the removal may then proceed without penalty; and

(n) Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter.

~~[The funding and operations of the small operator assistance account and the small operator's tank removal account shall end on July 15, 2008.]~~

(2) The division may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.

(3) The division may sue and be sued in its own name.

(4) The division may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The division may transfer funds to the financial responsibility account as needed to maintain within that account sufficient funds to demonstrate financial responsibility and to ensure payment of claims as provided in subsection (1)(c) of this section.

Section 3. KRS 224.60-145 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, there is established a petroleum environmental assurance fee to be paid by dealers on each gallon of gasoline and special fuels received in this state.

(2) All deductions detailed in KRS 138.240(2) and all credits detailed in KRS 138.358 are exempt from the fee. If a dealer has on file, pursuant to KRS Chapter 138, a statement supporting a claimed exemption, an additional statement shall not be required for claiming exemption from the fee.

(3) The fee shall be reported and paid to the Department of Revenue at the same time and in the same manner as is required for the reporting and payment of the gasoline and special fuels taxes as provided by law.

(4) The petroleum environmental assurance fee shall be set at one and four-tenths cent ($0.014) for each gallon. Four-tenths of a cent ($0.004) per gallon shall be deposited in the financial responsibility account and one cent ($0.01) shall be deposited in the petroleum storage tank account.

(5) Within thirty (30) days of the close of fiscal year 2001-2002 and each fiscal year thereafter, the state budget director shall review the balance of each account to determine if a surplus exists. "Surplus" means funds in excess of the amounts necessary to satisfy the obligations in each account for all eligible facilities, to satisfy future liabilities and expenses necessary to operate each account, and to maintain an appropriate reserve in the financial responsibility account to demonstrate financial responsibility and compensate for third-party claims. The state budget director shall report the determination to the Interim Joint Committee on Appropriations and Revenue. After a determination that a surplus exists, the surplus shall be transferred to a restricted account and retained until appropriated by the General Assembly.

(6) All provisions of law related to the Department of Revenue's administration and enforcement of the gasoline and special

fuels tax and all other powers generally conveyed to the Department of Revenue by the Kentucky Revised Statutes for the assessment and collection of taxes shall apply with regard to the fee levied by KRS 224.60-105 to 224.60-160.

(7) The Department of Revenue shall refund the fee imposed by KRS 224.60-145(1) to any person who paid the fee provided they are entitled to a refund of motor fuel tax under KRS 138.344 to KRS 138.355 and to any person who paid the fee on transactions exempted under KRS 224.60-145(2).

(8) Notwithstanding any other provisions of KRS 65.180, 65.182, 68.600 to 68.606, 139.470, 183.165, 224.60-115, 224.60-130, 224.60-137, 224.60-140, 224.60-142, and this section to the contrary, the small operator assistance account and small operator tank removal account established under KRS 224.60-130 shall continue in effect until July 15, ***2010***[~~2008~~], and thereafter until all eligible claims related to tanks registered by that date are resolved, and sufficient money shall be allocated to and maintained in that account to assure prompt payment of all eligible claims, and to provide for removal of tanks for eligible owners and operators as directed by this chapter." and

HB 32, AN ACT relating to a student's license or permit to operate a motor vehicle.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 159.051 is amended to read as follows:

(1) When a student age sixteen (16) or seventeen (17) drops out of school or is declared to be academically deficient, the school administrator or his designee shall notify the superintendent of schools of the district in which the student is a resident or is enrolled. The reports shall be made at the end of each semester but may be made earlier in the semester for accumulated absences. A student shall be deemed to have dropped out of school when he has nine (9) or more unexcused absences in the preceding semester. Any absences due to suspension shall be unexcused absences. A student shall be deemed to be academically deficient when he has not received passing grades in at least four (4) courses, or the equivalent of four (4) courses, in the preceding semester. The local school board shall adopt a policy to reflect a similar standard for academic deficiency for students in alternative, special education, or part-time programs.

(2) Within ten (10) days after receiving the notification, the superintendent shall report the student's name and Social Security number to the Transportation Cabinet. As soon as possible thereafter, the cabinet shall notify the student that his operator's license, ***intermediate license,*** permit, or privilege to operate a motor vehicle has been revoked or denied and shall inform the student of his right to a hearing before the District Court of appropriate venue to show cause as to the reasons his[~~driver's~~] license***, permit, or privilege*** should be reinstated. Within fifteen (15) days after this notice is sent, the custodial parent, legal guardian, or next friend of the student may request an ex parte hearing before the District Court. The student shall not be charged District Court filing fees. The notification shall inform the student that he is not required to have legal counsel.[~~ Revocation under this subsection shall not be permitted unless the local school district shall operate an alternative education program approved by the Department of Education designed to meet the learning needs of students who are unable to succeed in the regular program.~~]

(3) In order for the student to have his license reinstated, the court shall be satisfied that the license is needed to meet family obligations or family economic considerations which if unsatisfied would create an undue hardship or that the student is the only licensed driver in the household or the student is not considered a dropout or academically deficient pursuant to this section. If the student satisfies the court, the court shall notify the cabinet to reinstate the student's license at no cost. The student, if aggrieved by a decision of the court issued pursuant to this section, may appeal the decision within thirty (30) days to the Circuit Court of appropriate venue. A student who is being schooled at home shall be considered to be enrolled in school.

(4) A student who has had his license revoked under the provisions of this section may reapply for his driver's license as early as the end of the semester during which he enrolls in school and successfully completes the educational requirements. A student may also reapply for his driver's license at the end of a summer school semester which results in the student having passed at least four (4) courses, or the equivalent of four (4) courses, during the successive spring and summer semesters, and the courses meet the educational requirements for graduation. He shall provide proof issued by his school within the preceding sixty (60) days that he is enrolled and is not academically deficient.

Section 2. KRS 186.470 is amended to read as follows:

(1) The application of any minor under the age of eighteen (18) for an operator's license, motorcycle operator's license, intermediate license, or any instruction permit shall not be granted unless the application is signed by a parent or legal guardian of the applicant. Regardless of which parent signs the application, both parents shall be responsible as provided in KRS 186.590. If the minor does not have a father, mother, or guardian, an operator's license, intermediate license, or instruction permit shall not be granted to the minor unless his application is signed by a person willing to assume the obligation imposed by KRS 186.590 upon a person signing the application of a minor. A signature shall not be required in the case of the renewal of a minor's license but the signature on the original application shall continue to make the parent, guardian, or other person liable under the provisions of KRS 186.590 on all renewals of the minor's license until he reaches the age of eighteen (18) unless the license, or any renewal thereof, is canceled as provided in subsection ***(3)***[~~(2)~~] of this section.

(2) ***The application shall include parental consent for the receipt and release of the information as set forth in Section 1 of this Act regarding the attendance and academic requirements for a minor to acquire and keep an operator's license, intermediate license, instructional permit, or privilege to operate a motor vehicle.***

(3) A parent or a guardian of a minor applicant may file with the cabinet a verified written request that the license of the minor be canceled. Thereupon the license of the minor shall be canceled and the person who signed the application shall be relieved as to subsequent acts of the minor from the liability imposed by subsection (1) of KRS 186.590.

(4)[~~(3)~~] The cabinet upon receipt of satisfactory evidence of the death of the person who signed the application of a minor for a license shall have the license canceled and no new license shall be issued to the minor until a new application, signed and verified, is made as required by this section.

2. The employee ***may, within ten (10) days after receiving the charge, notify the superintendent and the commissioner of education of his or her intent to challenge the action and, upon failure of the employee to give notice within ten (10) days, the termination shall be final. 8. The employee or the school district shall have the right to make an appeal to the Circuit Court having jurisdiction in the county where the school district is located in accordance with KRS Chapter 13B. During any suspension pending investigation to determine if discipline is warranted, the superintendent shall place the employee on leave with pay if suspension is necessary. The due process described in this subsection shall apply if the employee is suspended without pay or terminated.

10. At any time prior to the conclusion of the hearing, either party may request an opportunity to mediate the dispute between themselves with their representatives present. If both parties agree to the mediation, they may attempt to mediate the dispute. The hearing officer shall not be present during attempts at mediation.

(13)[~~(11)~~] The evaluation of the local board policies required for classified personnel as set out in this section shall be subject to review by the Department of Education while it is conducting district management audits pursuant to KRS 158.785.

HCR 46, A CONCURRENT RESOLUTION urging Congress to repeal the Government Pension Offset (GPO) and the Windfall Elimination Provision (WEP).

WHEREAS, the intent of Congress in the enactment of the Government Pension Offset (GPO) and the Windfall Elimination Provision (WEP) was to protect the Social Security program and eliminate perceived abuses in the payment of dual benefits to certain beneficiaries; and

WHEREAS, the GPO and WEP have resulted in devastating, unintended consequences for hundreds of thousands of teachers and other public employees nationwide; and

WHEREAS, the GPO affects teachers and other public employees in Kentucky and other states who are participants in public retirement systems but who do not participate in the Social Security retirement program; and

WHEREAS, under the GPO, a teacher who receives benefits under the Kentucky Teachers' Retirement System will suffer at least a two-thirds reductions in the Social Security survivor benefits the teacher would otherwise receive from a spouse's private-sector earnings; and

WHEREAS, teachers in fifteen states, including Kentucky, do not participate in the Social Security program; and

WHEREAS, the WEP reduces the Social Security benefits of a teacher or other public employee who has participated and received earnings sufficient to qualify for Social Security retirement benefits as well as the benefits procured under the Kentucky Teachers' Retirement System or other public retirement system; and

WHEREAS, the GPO and WEP unfairly target public employees, especially our highly valued teachers who sacrifice lucrative earnings in the private sector to educate our children; and

WHEREAS, Kentucky has a significant teacher shortage and loses more than 2000 teachers annually to retirement and must actively recruit new teachers to meet growing enrollment demands; and

WHEREAS, a federal proposal to repeal both the GPO and WEP, the Social Security Fairness Act of 2007, has been introduced in the U.S. House of Representatives and the U.S. Senate and clearly indicates an awareness and acknowledgment of the devastating impact of these provisions on teachers and other public employees;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The General Assembly of the Commonwealth of Kentucky urges the Congress of the United States to enact the Social Security Fairness Act of 2007 or similar legislation to repeal the GPO and WEP provisions of the Social Security law.

(7) The credit shall meet the entirety of the taxpayer's liability under the first tax listed in consecutive order under subsection (6) of this section before applying the remaining credit to the next tax listed in consecutive order. The taxpayer's total liability under each preceding tax must be fully met before the remaining credit can be applied to the subsequent tax listed in consecutive order.

(8) The taxpayer shall maintain records required in subsection (5) of this section for a period of five (5) years.

(9) Acceptable verification of coal purchased during the base year shall include invoices that indicate the tons of coal purchased from a Kentucky supplier of coal and proof of remittance for that purchase.

Section 42. 2006 Kentucky Acts Chapter 252, Part II, Capital Projects Budget, on page 1259, after L. Transportation Cabinet, after item 019., the following is added:

M. COAL SEVERANCE TAX PROJECTS

(1) Projects Authorization and Appropriation: Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are composed of estimated receipts for fiscal year 2006-2007 and fiscal year 2007-2008 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Governor's Office for Local Development.

(2) Water and Sewer Projects: The following projects that are related to water and sewer shall be administered by the Kentucky Infrastructure Authority.

Section 44. 2006 Kentucky Acts Chapter 252, Part XXVII, Judicial Branch Capital Projects Budget; 3. Bond Refinancings, at pages 1461 and 1462, is amended to read as follows:

3. Bond Refinancings

Any savings realized from bonds refinanced after November 1, 2005, associated with a court facility constructed or renovated after July 1, 1994, shall be shared by the local unit of government and the Court of Justice based on the proportional share of the original project costs borne by the local unit of government and the Court of Justice. The length of the term of the refinancing shall not extend beyond the original maturity date of the prior bonds.

The local unit of government may use the savings to make needed improvements to the court facility, if the annual lease payment of the state is not increased as a result of the refinancing. Improvements may consist of but are not limited to holding cells, additional parking, removing physical barriers in order to comply with the American Disabilities Act requirements, space additions for the holding of family court, and other needed improvements as determined by the local unit of government after consulting with the Administrative Office of the Courts.

(3) The board, with the approval of the mayor, shall employ a chief examiner who shall be professionally qualified and experienced in the field of testing and who shall formulate, give, grade, and administer all written or other examinations required by the board.

(4) Physical fitness for promotion shall be presumed unless certified to the contrary by the chief, who shall supply the board with medical records of the disability.

(5) At least ninety (90) days notice shall be given before a promotional examination is conducted, except for clerical positions.

(6) Promotional tests shall be graded, as determined by the board, to include written, oral, and other examination scores. In addition, seniority in grade, not to exceed ten percent (10%), shall be awarded for each year of service after five (5) full years of service. The results of the written, oral, and other examinations shall be combined with seniority to determine the applicant's final evaluated rating.

(7) Promotional eligibility lists shall contain the names of successful candidates in the order of their standing through examination. An individual's results and ratings are subject to review by the individual candidate, but are otherwise confidential.

(8) The chief examiner shall compile the results of all examinations. Upon completion of grading of examinations, candidates shall be informed by mail of the final evaluated rating attained and their individual ranking on the eligibility list. An applicant may, by appointment, discuss his or her examination results within the offices of the chief examiner during business hours at any time when such review will not interfere with the work of the board. A review must be requested within ten (10) calendar days following the establishment of the eligibility list. The board shall make examination questions and answers available for inspection by the applicant upon the filing of a written challenge.

(9) In filling promotional vacancies, the chief shall select from not more than five (5) candidates graded highest on the appropriate eligibility list. The board shall determine the justification for not promoting a candidate with the higher evaluated rating who has been certified for promotion four (4) times. If the board determines that the candidate's nonpromotion is unjustified or unsupported by the evidence, the candidate shall be promoted. The certified rank list for promotions shall be valid for two (2) years and shall not be extended. All promotional vacancies shall be filled within sixty (60) days of the vacancy.

SECTION 11. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

In all cases provided for in Section 10 of this Act, the action of the chief shall be final, except in the following cases:

(c) If a majority of the members of the board are of the opinion that the action of the chief is unjustified or unsupported by proper evidence, the order of the chief may be set aside and revoked by the board, and the board may impose the penalty or punishment it deems necessary and appropriate, if any; provided however, the board shall not impose a penalty or punishment in excess of the action of the chief.

No member shall be removed or dismissed except as provided for in this section.

(2) An appeal to the board of a suspension of a nonprobationary member of less than forty (40) hours may be heard by the full board or any hearing officer secured by the board.

(b) After the hearing, the hearing officer shall complete and submit to the board, no later than thirty (30) days after the hearing, a written recommended order which shall include his findings of fact, conclusions of law, and recommended disposition of the appeal, which may include recommended penalties. The recommended order shall also include a statement advising the appealing member and chief fully of their exception and appeal rights. A copy of the hearing officer's recommended order shall be sent to the appealing member and chief. Each party shall have fifteen (15) days from the date the recommended order is mailed within which to file exceptions to the recommendations with the board.

(c) The board shall consider the record, including the recommended order and any exceptions duly filed to a recommended order, and accept and adopt or reject or modify, in whole or in part, the recommended order, or remand the appeal of the matter, in whole or in part, to the hearing officer for further proceedings as appropriate.

(d) The final order of the board shall be in writing. If the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law. The board shall render a final order in an administrative hearing within thirty (30) days after receipt of the hearing officer's recommended order.

(3) (a) Every action of a dismissal, suspension, or demotion made by the board shall be final, except that any person aggrieved may, within thirty (30) days after the action, appeal to the Circuit Court of the county in which the board meets. The board shall be named respondent as the consolidated local government fire department merit board, and service shall be had on the chairman of the board. The appeal taken to the Circuit Court shall be docketed by the clerk as a civil action with appropriate judicial review of an administrative action or decision.

(b) The judgment of the Circuit Court shall be subject to appeal to the Court of Appeals. The procedure as to the

appeal to the Court of Appeals shall be the same as in any civil action.

SECTION 12. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(h) Testing performed or sponsored by the state fire marshal to determine a cigarette's compliance with the performance standard required shall be conducted in accordance with this section.

(2) (a) Each cigarette listed in a certification submitted pursuant to Section 3 of this Act that uses lowered permeability bands in the cigarette paper to achieve compliance with the performance standard set forth in this section shall have at least two (2) nominally identical bands on the paper surrounding the tobacco column. At least one complete band shall be located at least fifteen (15) millimeters from the lighting end of the cigarette.

(b) For cigarettes on which the bands are positioned by design, there shall be at least two bands fully located at least fifteen (15) millimeters from the lighting end and ten (10) millimeters from the filter end of the tobacco column, or ten (10) millimeters from the labeled end of the tobacco column for nonfiltered cigarettes.

(3) (a) A manufacturer of a cigarette that the state fire marshal determines cannot be tested in accordance with the test method prescribed in paragraph (a) of subsection (1) of this section shall propose a test method and performance standard for the cigarette to the state fire marshal. Upon approval of the proposed test method and a determination by the state fire marshal that the performance standard proposed by the manufacturer is equivalent to the performance standard prescribed in paragraph (c) of subsection (1) of this section, the manufacturer may employ a test method and performance standard to certify the cigarette pursuant to Section 3 of this Act.

(b) If the state fire marshal determines the existence of other cigarette ignition propensity standards that include a test method and performance standard that are the same as those contained in Sections 1 to 8 of this Act, then the state fire marshal may authorize the manufacturer to employ the alternative test method and performance standard to certify that cigarette for sale in this state, unless the state fire marshal demonstrates a reasonable basis why the alternative test should not be accepted under Sections 1 to 8 of this Act. All other applicable requirements of this section shall apply to the manufacturer.

(4) (a) Each manufacturer shall maintain copies of the reports of all tests conducted on all cigarettes offered for sale for a period of three (3) years, and shall make copies of the reports available to the state fire marshal and the Attorney General upon written request.

(b) Any manufacturer who fails to make copies of the reports available within sixty (60) days of receiving a written request shall be subject to a civil penalty not to exceed ten thousand dollars ($10,000) for each day after the sixtieth day that the manufacturer does not make these copies available.

(5) The state fire marshal may adopt a subsequent ASTM Standard Test Method for Measuring the Ignition Strength of Cigarettes upon a finding that the subsequent method does not result in a change in the percentage of full-length burns exhibited by any tested cigarette when compared to the percentage of full-length burns the same cigarette would exhibit when tested in accordance with ASTM Standard E2187-04 and the performance standard in paragraph (c) of subsection (1) of this section.

(6) The state fire marshal shall review the effectiveness of this section and shall report every three (3) years to the General Assembly the fire marshal's findings and, if appropriate, recommendations for legislation to improve the effectiveness of this section. The report and legislative recommendations shall be submitted no later than October 1 of each three (3) year period.

(7) The requirements of this section shall not prohibit a wholesale dealer or retailer from selling its existing inventory of cigarettes on or after the effective date of this Act if the wholesale dealer or retailer can establish that state tax stamps were affixed to the cigarettes prior to the effective date of this Act, and if the wholesale dealer or retailer can establish that the inventory was purchased prior to the effective date of this Act in comparable quantity to the inventory purchased during the same period of the prior year.

(a) The Kentucky family trust shall be authorized to accept contributions from any source including trustees, personal representatives, guardians and conservators, and other fiduciaries, and, subject to the provisions of paragraph (k) of this subsection, from the life beneficiaries and their respective spouses, to be held, administered, managed, invested and distributed in order to facilitate the coordination and integration of private financing for individuals who have a disability or are eligible for services provided by the department, or both, while maintaining the eligibility of these individuals for government entitlement funding. All contributions, and the earnings thereon, shall be administered as one trust fund; however, separate accounts shall be established for each designated beneficiary. The income earned, after deducting administrative expenses, shall be credited to the accounts of the respective life beneficiaries in proportion to the principal balance in the account for each such life beneficiary, to the total principal balances in the accounts for all life beneficiaries;

(b) Every donor may designate a specific person as the life beneficiary of the contribution made by the donor. In addition, each donor may name a cotrustee, including the donor, and a successor or successors to the cotrustee, to act with the trustees of the trust on behalf of the designated life beneficiary. But, a life beneficiary shall not be eligible to be a cotrustee or a successor cotrustee and court approval of the specific person designated as life beneficiary and as cotrustee or successor trustee shall be required in connection with any trust created by a guardian or conservator, or in accordance with the administration of an estate;

(c) The cotrustee, with the consent of the trust, shall from time to time but not less frequently than annually determine the amount of income or principal or income and principal to be used to provide noncash benefits and the nature and type of benefits to be provided for the life beneficiary. Any net income which is not used shall be added to principal annually. If the trust and the cotrustee are unable to agree either on the amount of income or principal or income and principal to be used or the benefits to be provided, then either the trust or the cotrustee shall have the right to request that the matter be resolved by arbitration which shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The requesting party shall send a written request for arbitration to the responding party and shall in this request set forth the name, address, and telephone number of the requesting party's arbitrator. The responding party shall, within ten (10) days after receipt of the request for arbitration, set forth in writing to the requesting party the name, address, and telephone number of the responding party's arbitrator. Copies of the request for arbitration and response shall be sent to the head of the department. If the two (2) designated arbitrators are unable to agree upon a third arbitrator within ten (10) days after the responding party has identified that party's arbitrator, then the head of the department shall designate the third (3) arbitrator by written notice to the requesting and responding parties' arbitrators. The three (3) arbitrators shall meet, conduct a hearing, and render a decision within thirty (30) days after the appointment of the third arbitrator. A decision of a majority of the arbitrators shall be binding upon the requesting and responding parties. Each party shall pay the fees and expenses of that party's own arbitrator and the fees and expenses of the third arbitrator shall be borne equally by the parties. Judgment on the arbitrators' award may be entered in any court of competent jurisdiction;

(d) Any donor, during his or her lifetime, except for a trust created pursuant to the administration of an estate or otherwise designated as irrevocable, may revoke any gift made to the trust; provided, however, any donor may, at any time, voluntarily waive the right to revoke. If at the time the donor has revoked his or her gift to the trust the life beneficiary has not received any benefits provided by use of trust income or principal, then an amount equal to one hundred percent (100%) of the principal balance shall be returned to the donor. Any undistributed net income shall be distributed to the charitable trust. If at the time the donor has revoked his or her gift to the trust the life beneficiary has received any benefits provided by the use of trust income or principal, then an amount equal to ninety percent (90%) of the principal balance shall be returned to the donor. The balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust;

(e) Any acting cotrustee, except a cotrustee of a trust created pursuant to the administration of an estate, other than the original donor of a life beneficiary's account, shall have the right, for good and sufficient reason upon written notice to the trust and the department stating that reason, to withdraw all or a portion of the principal balance. In that event, the applicable portion, as set forth in paragraph (g) of this subsection, of the principal balance shall then be distributed to the successor trust and the balance of the principal balance together with any undistributed net income shall be distributed to the charitable trust;

(f) If a life beneficiary for whose benefit a contribution or contributions have been made to the family trust ceases to be eligible for services provided by the department and neither the donor nor the then-acting cotrustee, except a cotrustee of a trust created pursuant to the administration of an estate, has revoked or withdrawn the applicable portion, as set for in paragraph (g) of this subsection, of the principal balance, then the board of trustees may, by written notice to the donor or acting cotrustee, terminate the trust as to that beneficiary and thereupon shall distribute the applicable portion, as set forth in paragraph (g) of this subsection, of the

principal balance, to the trustee of the successor trust to be held, administered, and distributed by the trustee in accordance with the provisions of the successor trust described in paragraph (l) of this subsection;

(g) If at the time of withdrawal or termination as provided in paragraph (f) of this subsection of a life beneficiary's account from the trust either the life beneficiary has not received any benefits provided by the use of the trust income or principal or the life beneficiary has received benefits provided by the use of trust income or principal for a period of not more than five (5) years from the date a contribution was first made to the trust for the life beneficiary, then an amount equal to ninety percent (90%) of the principal balance shall be distributed to the successor trust, and the balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust. But, if the life beneficiary at the time of the withdrawal by the cotrustee or termination as provided in this paragraph has received any benefits provided by the use of trust income or principal for a period of more than five (5) years from the date a contribution was first made to the trust for the life beneficiary, then an amount equal to seventy-five percent (75%) of the principal balance shall be distributed to the successor trust, and the balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust;

(h) Subject to the provisions of paragraph (i) of this subsection, if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, then an amount equal to one hundred percent (100%) of the principal balance shall be distributed to those persons that the donor has designated. Any undistributed net income shall be distributed to the charitable trust. If at the time of death of the life beneficiary, the life beneficiary has been receiving benefits provided by the use of trust income, or principal, or income and principal, then an amount equal to seventy-five percent (75%) of the principal balance shall be distributed to those persons that the donor has designated, and the balance of the principal balance, together with all undistributed net income, shall be distributed to the charitable trust;

(i) If the trust is created as a result of a distribution from a personal representative of an estate of which the life beneficiary is a distributee, then if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, an amount equal to one hundred percent (100%) of the principal balance shall be distributed to those persons who are the life beneficiary's heirs-at-law. Any undistributed income shall be distributed to the charitable trust. If at the time of death of the life beneficiary the life beneficiary has been receiving benefits provided by the use of trust income, or principal, or income and principal, then an amount equal to seventy-five percent (75%) of the principal balance shall be distributed to those persons who are the life beneficiary's heirs-at-law. The balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. If there are no heirs at the time of either such distribution, the then-principal balance together with all undistributed income shall be distributed to the charitable trust;

(j) If the trust is created as a result of the recovery of damages by reason of a personal injury to the life beneficiary, then if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, the Commonwealth of Kentucky shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of the life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the life beneficiary's account, an amount equal to one hundred percent (100%) of the principal balance shall be distributed to those persons who are the life beneficiary's heirs-at-law. If there are no heirs, the balance, if any, of the principal balance together with all undistributed income shall be distributed to the charitable trust. If at the time of death of the life beneficiary the life beneficiary has been receiving benefits provided by the use of trust income, or principal, or income and principal, then the Commonwealth of Kentucky shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of the life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the life beneficiary's account, an amount equal to seventy-five percent (75%) of the principal balance shall be distributed to those persons who are the life beneficiary's heirs-at-law and the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. If there are no heirs, the balance of the principal balance, together with all undistributed income, shall be distributed to the charitable trust;

(k) If an account is established with the assets of the beneficiary by the beneficiary, a family member, the beneficiary's guardian, or pursuant to a court order, all in accordance with 42 U.S.C. sec. 1396p(d)(4)(c), then upon the death of the life beneficiary the Commonwealth of Kentucky shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of the life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the life beneficiary's account, an amount equal to seventy-five percent (75%) of the principal balance shall be distributed to those persons who are the life beneficiary's heirs-at-law and the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. If there are no heirs, the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust;

(l) Notwithstanding the provisions of paragraphs (d) to (h) of this subsection to the contrary, the donor may voluntarily agree to a smaller percentage of the principal balance in any account established by the donor than

is provided in this subsection to be returned to the donor or distributed to the successor trust, as the case may be; and a corresponding larger percentage of the principal balance in such account to be distributed either to the charitable trust or to a designated restricted account within the charitable trust;

(m) Upon receipt of a notice of withdrawal from a designated cotrustee, other than the original donor, and a determination by the board of trustees that the reason for the withdrawal is good and sufficient, or upon the issuance of notice of termination by the board of trustees, the board of trustees shall distribute and pay over to the designated trustee of the successor trust the applicable portion of the principal balance as set forth in paragraph (h) of this subsection. But, court approval of distribution to a successor trustee shall be required in connection with any trust created pursuant to the administration of an estate. The designated trustee of the successor trust shall hold, administer, and distribute the principal and income of the successor trust, in the discretion of the trustee, for the maintenance, support, health, education, and general well-being of the beneficiary, recognizing that it is the purpose of the successor trust to supplement, not replace, any government benefits for the beneficiary's basic support to which the beneficiary may be entitled and to increase the quality of the beneficiary's life by providing the beneficiary with those amenities which cannot otherwise be provided by public assistance or entitlements or other available sources. Permissible expenditures include but are not limited to more sophisticated dental, medical, and diagnostic work or treatment than is otherwise available from public assistance; private rehabilitative training; supplementary education aid; entertainment; periodic vacations and outings; expenditures to foster the interests, talents and hobbies of the beneficiary; and expenditures to purchase personal property and services which will make life more comfortable and enjoyable for the beneficiary but which will not defeat his or her eligibility for public assistance. Expenditures may include payment of the funeral and burial costs of the beneficiary. The designated trustee, in his or her discretion, may make payments from time to time for a person to accompany the beneficiary on vacations and outings and for the transportation of the beneficiary or of friends and relatives of the beneficiary to visit the beneficiary. Any undistributed income shall be added to the principal from time to time. Expenditures shall not be made for the primary support or maintenance of the beneficiary, including basic food, shelter, and clothing, if, as a result, the beneficiary would no longer be eligible to receive public benefits or assistance to which the beneficiary is then entitled. After the death and burial of the beneficiary, the remaining balance of the successor trust shall be distributed to those persons that the donor has designated;

(n) The charitable trust shall be administered as part of the family trust, but as a separate account. The income attributable to the charitable trust shall be used to provide benefits for individuals who have a disability or who are eligible for services provided by or through the department and who either have no immediate family or whose immediate family, in the reasonable opinion of the trustees, is financially unable to make a contribution to the trust sufficient to provide benefits for such individuals, while maintaining such individuals' eligibility for government entitlement funding. The trustees may from time to time determine to use part of the principal of the charitable trust to provide these benefits. As used in this section, the term "immediate family" includes parents, children, and siblings. The individuals to be beneficiaries of the charitable trust shall be recommended to the trustees by the department and others from time to time. The trustees shall annually determine the amount of charitable trust income or principal to be used to provide benefits and the nature and type of benefits to be provided for each identified beneficiary of the charitable trust. Any income not used shall be added to principal annually; and

(o) Any person, with the consent of the board of trustees, may establish a restricted account within the charitable trust and shall be permitted to determine, with the consent of the board of trustees, the beneficiaries of the restricted account provided the beneficiaries qualify as participants of the trust as set forth in Sections 1 to 7 of this Act.

SECTION 7. A NEW SECTION OF KRS CHAPTER 194A IS CREATED TO READ AS FOLLOWS:

No trustee, cotrustee, or successor cotrustee serving pursuant to the provisions of Sections 1 to 7 of this Act shall at any time be held liable for any mistake of law or fact, or of both law and fact, or errors of judgment, nor for any loss sustained by the trust estate or by any beneficiary under the provisions of Sections 1 to 7 of this Act, or by any other person, except through actual fraud or willful misconduct on the part of the trustee, cotrustee, or successor cotrustee.

Section 8. The provisions of Sections 1 to 7 of this Act shall be effective upon a determination by the Department for Mental Health and Mental Retardation Services and notification to the reviser of statutes that there has been federal legislative or administrative assurance that participation in the trust as established in this Act will not jeopardize a beneficiary's eligibility for public assistance and will not reduce the payment of covered services for which the beneficiary is eligible, and not otherwise.

The taxes imposed by this chapter shall apply to resident, nonprofit educational, charitable, and religious institutions which have qualified for exemption from income taxation under Section 501(c)(3) of the Internal Revenue Code as follows:

(1) Tax does not apply to sales of tangible personal property or services to such institutions provided the property or service is to be used solely within the educational, charitable, or religious function.

(2) Tax does not apply to sales of food to students in school cafeterias or lunchrooms.

(3) Tax does not apply to sales by school bookstores of textbooks, workbooks, and other course materials.

(4) ***Tax does not apply to sales by churches for fund-raising activities.***

(5) Tax does not apply to sales by nonprofit, school sponsored clubs and organizations, provided such sales do not include tickets for athletic events.

(6)[~~(5)~~] An institution shall be entitled to a refund equal to twenty-five percent (25%) of the tax collected on its sale of donated goods if the refund is used exclusively as reimbursement for capital construction costs of additional retail locations in this state, provided the institution:

(a) Routinely sells donated items;

(b) Provides job training and employment to individuals with workplace disadvantages and disabilities;

(c) Spends at least seventy-five percent (75%) of its annual revenue on job training, job placement, or other related community services;

(d) Submits a refund application to the department within sixty (60) days after the new retail location opens for business; and

(e) Provides records of capital construction costs for the new retail location and any other information the department deems necessary to process the refund.

The maximum refund allowed for any location shall not exceed one million dollars ($1,000,000). As used in this subsection, "capital construction cost" means the cost of construction of any new facilities or the purchase and renovation of any existing facilities, but does not include the cost of real property other than real property designated as a brownfield site as defined in KRS 65.680(4).

(7)[~~(6)~~] Notwithstanding any other provision of law to the contrary, refunds under subsection ***(6)***[~~(5)~~] of this section shall be made directly to the institution. Interest shall not be allowed or paid on the refund. The department may examine any refund within four (4) years from the date the refund application is received. Any overpayment shall be subject to the interest provisions of KRS 131.183 and the penalty provisions of KRS 131.180.

(2) The exemption does not apply to activities in which all or substantially all the household goods of a person are offered for sale or where nonprofit organizations conduct regular selling activities in competition with private business.

Section 3. This Act takes effect July 1, 2007.

A ***branch*** budget bill enacted at a special session or in an odd-numbered-year regular session of the General Assembly shall not be effective past July 1 of the year in which the next even-numbered-year regular session takes place.

(2) A ***branch*** budget bill may contain language which ***suspends one (1) or more statutes by exempting***[~~exempts~~] the ***branch*** budget bill or any ***provision***[~~appropriation or the use~~] thereof from the operation of ***the***[~~a~~] statute for the effective period of the ***branch*** budget bill. ***A branch budget bill may also contain language which modifies one (1) or more statutes for the effective period of the branch budget bill. amending, creating, repealing, or repealing and reenacting a statute be effective beyond the effective period of the branch budget bill described in subsection (1) of this section, then the amendment, creation, repeal, or repeal and reenactment of the statute shall be set forth at length and shall comply with the provisions of KRS 446.145.

Section 2. KRS 48.316 is amended to read as follows:

To the extent that the provisions of a budget bill are in conflict with any provisions of ***the Kentucky Revised Statutes***[~~KRS Chapters 12, 42, 56, 152, 177, or 341~~], the provisions of those ***statutes***[~~chapters~~] are[~~ hereby~~] suspended or modified. Such suspension or modification shall not extend beyond the duration of the budget bill.

Section 3. The provisions of this Act shall apply retroactively to branch budget bills making appropriations for the Executive Branch of government for fiscal years 2004-2005 and 2005-2006 enacted at the 2005 Regular Session (HB 267), making appropriations for the Judicial Branch of government for fiscal years 2006-2007 and 2007-2008 enacted at the 2006 Regular Session (HB 382), and making appropriations for the Executive Branch of government for fiscal years 2005-2006, 2006-2007, and 2007-2008 enacted at the 2006 Regular Session (HB 380).

The Committee Substitute to **HB 184** is as follows:

HB 184, AN ACT relating to the branch budget bills.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 48.310 is amended to read as follows:

(1) ***Except as provided in subsection (3) of this section,*** no provision of a branch budget bill shall be effective beyond the second fiscal year from the date of its enactment. A ***branch*** budget bill enacted at a special session or in an odd-numbered-year regular session of the General Assembly shall not be effective past July 1 of the year in which the next even-numbered-year regular session takes place.

(2) A ***branch*** budget bill may contain language which ***suspends one (1) or more statutes by exempting***[~~exempts~~] the ***branch*** budget bill or any ***provision***[~~appropriation or the use~~] thereof from the operation of ***the***[~~a~~] statute for the effective period of the ***branch*** budget bill. ***A branch budget bill may also contain language which modifies one (1) or more statutes for the effective period of the branch budget bill. The suspended or modified statute need not be set out at length but may be introduced by "notwithstanding" or other language sufficient to identify the affected statute.***

(3) A branch budget bill may amend, create, repeal, or repeal and reenact any statute beyond the effective period of the branch budget bill described in subsection (1) of this section. If it is the intent of the General Assembly that language amending, creating, repealing, or repealing and reenacting a statute be effective beyond the effective period of the branch budget bill described in subsection (1) of this section, then the amendment, creation, repeal, or repeal and reenactment of the statute shall be set forth at length and shall comply with the provisions of subsections (1) to (6) of Section 3 of this Act.

Section 2. KRS 48.316 is amended to read as follows:

To the extent that the provisions of a budget bill are in conflict with any provisions of ***the Kentucky Revised Statutes***[~~KRS Chapters 12, 42, 56, 152, 177, or 341~~], the provisions of those ***statutes***[~~chapters~~] are[~~ hereby~~] suspended or modified. Such suspension or modification shall not extend beyond the duration of the budget bill.

SECTION 3. A NEW SECTION OF KRS CHAPTER 446 IS CREATED TO READ AS FOLLOWS:

(1) Except for provisions concerning effective dates, required votes for passage, and permitted gubernatorial action, the Constitution of Kentucky treats an appropriations bill, including a bill commonly referenced as a "branch budget bill," the same as any other bill. The Constitution of Kentucky, therefore, permits the General Assembly to suspend, modify, amend, create, repeal, or repeal and reenact provisions in an appropriations bill, including a bill commonly referenced as a "branch budget bill."

(2) Other limitations or special provisions regarding an appropriations bill, including a bill commonly referenced as a "branch budget bill," are self-imposed by a prior General Assembly, are statutory in nature, and may be suspended, modified, amended, or repealed by a future General Assembly.

(3) At the time the Supreme Court of Kentucky decided Armstrong v. Collins, the General Assembly had enacted a statutory limitation relating to the suspension or modification of statutes in the budget bill that required a finding that "the financial condition of state government requires such suspension or modification." In 1994, the General Assembly repealed the provisions that required the finding. Thus, the statutory requirement that the General Assembly find that the financial condition of the Commonwealth warrants a modification or suspension of statutory language in the budget bill no longer exists.

(4) One (1) session of the General Assembly cannot bind a future General Assembly. Therefore, consistent with the provisions of this chapter, if an enacted appropriations bill, including a bill commonly referenced as a "branch budget bill," contradicts a limitation established by a prior General Assembly in KRS Chapter 48 or any other chapter, the later enacted appropriations bill shall prevail.

Section 4. KRS 446.145 is amended to read as follows:

(1) Bills amending an existing section of the statutes shall indicate the material proposed to be deleted by brackets and by striking through the material.

(2) Bills amending an existing section of the statutes shall indicate new material by underlining.

(3) Bills creating a new section of the statutes shall begin with the phrase "A NEW SECTION OF KRS CHAPTER --- IS CREATED TO READ AS FOLLOWS:" and shall contain underlining of all material in the section.

(4) Bills repealing a section of the statutes shall list the statute number and headnote.

(5) (a) Bills repealing and reenacting a section of the statutes without change from the text of that statute as it read at the time of its repeal shall begin with the phrase "KRS --- is repealed and reenacted (or "reenacted as a new section of KRS Chapter ---", if appropriate) to read as follows:" and shall not contain underlining of the reenacted text.

(b) Bills repealing and reenacting a section of the statutes with changes from the text of that statute as it read at the time of its repeal shall begin with the phrase "KRS --- is repealed, reenacted (or "reenacted as a new section of KRS Chapter ---", if appropriate), and amended to read as follows:", shall indicate the material proposed to be deleted by brackets and by striking through the material, and shall indicate new material by underlining.

(c) Bills repealing and reenacting a section of the statutes with text totally different from the text of that statute as it read at the time of its repeal or so substantially different that using the procedure set out in paragraph (b) of this subsection is impracticable shall begin with the phrase "KRS --- IS REPEALED AND REENACTED (or "REENACTED AS A NEW SECTION OF KRS CHAPTER ---", if appropriate) TO READ AS FOLLOWS:" and shall indicate the reenacted text of the statute by underlining.

(6) Sections of a bill not intended to be codified shall begin simply with the section number within the bill without any further introductory phrase, and the text of those sections shall be in normal type and not in all capitals or with underlining. These not-to-be-codified sections shall ordinarily be placed at the end of the bill or, in a bill having multiple parts, at the end of a particular part of that bill. Unless expressly drafted in a manner indicating codification is intended or unless determined by the reviser of statutes that codification is appropriate and necessary, the following material shall not be codified, in conformity with KRS 7.131(3):

(a) Repealers and repeals of repealers;

(b) Appropriation provisions;

(c) Temporary provisions;

(d) Construction clauses, including severability clauses;

(e) A short title, if necessary, for an act that is not a distinct codifiable unit; and

(f) Effective date provisions.

(7) A branch budget bill, as defined in KRS 48.010, may suspend or modify one (1) or more statutes for the effective period of the branch budget bill and may amend, create, repeal, or repeal and reenact any statute. The manner in which such changes shall be accomplished is set forth in Section 1 of this Act.

Section 5. The provisions of this Act shall apply retroactively to branch budget bills making appropriations for the Executive Branch of government for fiscal years 2004-2005 and 2005-2006 enacted at the 2005 Regular Session (HB 267), making appropriations for the Judicial Branch of government for fiscal years 2006-2007 and 2007-2008 enacted at the 2006 Regular Session (HB 382), and making appropriations for the Executive Branch of government for fiscal years 2005-2006, 2006-2007, and 2007-2008 enacted at the 2006 Regular Session (HB 380).

The premium surcharge shall be collected by the insurer from its policyholders at the same time and in the same manner that its premium or other charge for the insurance coverage is collected. The premium surcharge shall be disclosed to policyholders pursuant to administrative regulations promulgated by the executive director of insurance. However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth day of each month, each insurer shall report and remit to the Department of Revenue, on forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any moneys returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. Insurers with an annual liability of less than one thousand dollars ($1,000) for each of the previous two (2) calendar years may report and remit to the Department of Revenue all premium surcharge moneys collected on a calendar year basis on or before the twentieth (20th) day of January of the following calendar year. The funds derived from the premium surcharge shall be deposited in the State Treasury, and shall constitute a fund allocated for the uses and purposes of the Firefighters Foundation Program fund (KRS 95A.220 and 95A.262) and the Law Enforcement Foundation Program fund (KRS 15.430).

(b) Effective July 1, 1992, the surcharge rate in paragraph (a) of this subsection shall be adjusted by the commissioner of revenue to a rate calculated to provide sufficient funds for the uses and purposes of the Firefighters Foundation Program fund as prescribed by KRS 95A.220 and 95A.262 and the Law Enforcement Foundation Program fund as prescribed by KRS 15.430 for each fiscal year. The rate shall be calculated using as its base the number of local government units eligible for participation in the funds under applicable statutes as of January 1, 1994. To allow the commissioner of revenue to calculate an appropriate rate, the secretary of the Environmental and Public

Protection Cabinet and the secretary for the Justice Cabinet shall certify to the commissioner of revenue, no later than January 1 of each year, the estimated budgets for the respective funds specified above, including any surplus moneys in the funds, which shall be incorporated into the consideration of the adjusted rate for the next biennium. As soon as practical, the commissioner of revenue shall advise the executive director of insurance of the new rate and the executive director shall inform the affected insurers. The rate adjustment process shall continue on a biennial basis.

(2) Within five (5) days after the end of each month, all insurance premium surcharge proceeds deposited in the State Treasury as set forth in this section shall be paid by the State Treasurer into the Firefighters Foundation Program fund trust and agency account and the Law Enforcement Foundation Program fund trust and agency account. The amount paid into each account shall be proportionate to each fund's respective share of the total deposits, pursuant to KRS 42.190. Moneys deposited to the Law Enforcement Foundation Program fund trust and agency account shall not be disbursed, expended, encumbered, or transferred by any state official for uses and purposes other than those prescribed by KRS 15.410 to 15.500, except that beginning with fiscal year 1994-95, through June 30, 1999, moneys remaining in the account at the end of the fiscal year in excess of three million dollars ($3,000,000) shall lapse. On and after July 1, 1999, moneys in this account shall not lapse. Money deposited to the Firefighters Foundation Program fund trust and agency account shall not be disbursed, expended, encumbered, or transferred by any state official for uses and purposes other than those prescribed by KRS 95A.200 to 95A.300, except that beginning with fiscal year 1994-95, through June 30, 1999, moneys remaining in the account at the end of the fiscal year in excess of three million dollars ($3,000,000) shall lapse, but moneys in the revolving loan fund established in KRS 95A.262 shall not lapse. On and after July 1, 1999, moneys in this account shall not lapse.

(3) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative, or assessment fire insurance company shall be deposited in the State Treasury, and shall be paid monthly by the State Treasurer into the Firefighters Foundation Program fund trust and agency account as provided in KRS 95A.220 to 95A.262. However, insurance premium surcharge funds collected from policyholders of any mutual company, cooperative, or assessment fire insurance company which transfers its corporate domicile to this state from another state after July 15, 1994, shall continue to be paid into the Firefighters Foundation Program fund and the Law Enforcement Foundation Program fund as prescribed.

(4) No later than July 1 of each year, the Office of Insurance shall provide the Department of Revenue with a list of all Kentucky-licensed property and casualty insurers and the amount of premium volume collected by the insurer for the preceding calendar year as set forth on the annual statement of the insurer. No later than September 1 of each year, the Department of Revenue shall calculate an estimate of the premium surcharge due from each insurer subject to the insurance premium surcharge imposed pursuant to this section, based upon the surcharge rate imposed pursuant to this section and the amount of the premium volume for each insurer as reported by the Office of Insurance. The Department of Revenue shall compare the results of this estimate with the premium surcharge paid by each insurer during the preceding year, and shall provide the Legislative Research Commission, the Commission on Fire Protection Personnel Standards and Education, the Kentucky Law Enforcement Council, and the Office of Insurance with a report detailing its findings on a cumulative basis. In accordance with KRS 131.190, the Department of Revenue shall not identify or divulge the confidential tax information of any individual insurer in this report.

However, the rental rate paid for the additional space shall not exceed the square foot rental rate fixed by the original lease. A lease may also be modified with agreement of the lessor to decrease the number of square feet leased and the rent shall be appropriately reduced.

All such proposed modifications shall be filed and kept in the register for public inspection and comment for thirty (30) calendar days. Comments received from the public during the period shall be considered before the lease modification is executed by the parties and becomes binding against the Commonwealth. (4) No later than July 1 of each year, the Office of Insurance shall provide the Department of Revenue with a list of all Kentucky-licensed property and casualty insurers and the amount of premium volume collected by the insurer for the preceding calendar year as set forth on the annual statement of the insurer. No later than September 1 of each year, the Department of Revenue shall calculate an estimate of the premium surcharge due from each insurer subject to the insurance premium surcharge imposed pursuant to this section, based upon the surcharge rate imposed pursuant to this section and the amount of the premium volume for each insurer as reported by the Office of Insurance. The Department of Revenue shall compare the results of this estimate with the premium surcharge paid by each insurer during the preceding year, and shall provide the Legislative Research Commission, the Commission on Fire Protection Personnel Standards and Education, the Kentucky Law Enforcement Council, and the Office of Insurance with a report detailing its findings on a cumulative basis. (3) The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the corporation at a price and under terms and conditions determined by the corporation. Bonds or notes shall bear interest at a rate determined by the corporation. Notes shall mature at a time not exceeding ten (10) years from their date and bonds shall mature at a time not exceeding forty (40) years from their date, as determined by the corporation. The corporation shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination and the place of payment of principal and interest, which may be any bank or trust company within or without the Commonwealth. If an officer whose signature or a facsimile of whose signature appears on any bonds, notes, or coupons attached to them shall cease to be an officer before the delivery thereof, the signature or facsimile shall be valid and sufficient for all purposes as if he had remained in office until delivery. The corporation may provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the corporation may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. Upon the approval of a resolution of the corporation, authorizing the sale of its bonds or notes, the bonds or notes may be sold in a manner, either at public or private sale, and for a price the corporation shall determine to be for the best interest of the corporation and best effectuate the purposes of this chapter, if the sale is approved by the corporation.

(4) The proceeds of any bonds or notes shall be used solely for the purposes for which they are issued and shall be disbursed in the manner and under the restrictions, if any, the corporation may provide in the resolution authorizing the issuance of bonds or notes or in the trust agreement securing the same.

(5) Prior to the preparation of definitive bonds, the corporation may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when the bonds have been executed and are available for delivery. The corporation may also provide for the replacement of any bonds or notes which become mutilated, destroyed, or lost.

(6) (a) Prior to the issuance of any bonds or notes that are not secured by:

1. Direct obligations or obligations guaranteed by the United States of America; or

2. Obligations of federal agencies to the extent that the obligations are backed by the full faith and credit of the United States of America; or

3. Repurchase agreements with any primary dealer in securities fully secured by obligations described in subparagraphs 1. and 2. if the market value of the security is maintained at one hundred three percent (103%) of the principal amount of the repurchase agreement and the security is held by an independent third party custodian financial institution; or

4. Insured or guaranteed construction loans or mortgage loans as defined by KRS 198A.010(9) and (10); or

5. Guaranty insurance policies which guarantee payment of the principal and interest on the bonds issued by a nationally recognized entity authorized to issue guarantees and rated in the highest rating category by at least one (1) of the nationally recognized rating services;

the corporation shall obtain the approval of the issuance from the General Assembly in accordance with the provisions of KRS 56.870(1), unless the provisions of paragraph (b) of this subsection apply. This requirement shall not apply to refunding bond or note issues which are for the purpose of achieving debt service savings and which do not extend the term of the refunded bonds or notes.

(b) The corporation may provide for the issuance, at any one (1) time or from time to time, of bonds which do not satisfy the requirements of paragraph (a) of this subsection without approval of the issuance by the General Assembly if the cumulative outstanding indebtedness of the corporation that does not meet the requirements of paragraph (a) of this subsection does not exceed thirty million dollars ($30,000,000).

(c) The corporation shall annually report on its housing and bonding programs to the Interim Joint Committee on Appropriations and Revenue.

(7) The Finance and Administration Cabinet shall provide to the corporation fiscal consultant services regarding revenue bond management as necessary.

Section 8. The following KRS section is repealed:

HB 291, AN ACT relating to the Kentucky educational excellence scholarship program.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 164.7881 is amended to read as follows:

(1) Eligible high school students who have graduated from high school and eligible postsecondary students who have earned a Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and a supplemental award, or

a supplemental award only pursuant to KRS 164.7879(3)(c), shall be eligible to receive the Kentucky educational excellence scholarship, the Kentucky educational excellence scholarship and the supplemental award, or a supplemental award only for a maximum of eight (8) academic terms in an undergraduate or other postsecondary program of study at a participating institution, except as provided in ***subsections (5) and***[~~subsection~~] (6) of this section.

(2) To receive the Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and supplemental award, or a supplemental award only, an eligible high school or postsecondary student shall:

(a) Enroll in and attend a participating institution as a full-time student or a part-time student; and

(b) Maintain eligibility as provided in subsection (3) of this section.

(3) Eligibility for a Kentucky educational excellence scholarship or a Kentucky educational excellence scholarship and supplemental award shall terminate upon the earlier of:

(a) The expiration of five (5) years following the student's graduation from high school, except as provided in subsection (5) or (6) of this section; or

(b) The successful completion of an undergraduate or other postsecondary course of study. However, any student who successfully completes the requirements for a degree or certification involving a postsecondary course of study that normally requires less than eight (8) academic terms to complete may continue to receive the benefits of a Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and supplemental award, or a supplemental award only, for a cumulative total of eight (8) academic terms if the student enrolls as at least a part-time student in a four (4) year program.

(4) (a) The maximum award amount shall be determined by the authority and shall be adjusted as provided in this subsection. The award amount ultimately determined to be available to an eligible postsecondary student for an award period shall be delivered by the authority to the participating institution for disbursement to the eligible postsecondary student.

(b) The authority shall, by promulgation of administrative regulations, provide for the proportionate reduction of the maximum award amount for an eligible postsecondary student for any academic term in which the student is enrolled on a part-time basis. Each academic term for which any scholarship or supplemental award funds are accepted by an eligible postsecondary student shall count as a full academic term, even if the award amount was reduced to reflect the part-time status of the eligible postsecondary student, except if the eligible postsecondary student interrupts enrollment during the award period for any reason specified in subsection (5) of this section, and the participating institution does not certify a cumulative grade point average for that student at the end of that award period.

(c) 1. An eligible postsecondary student who is enrolled full-time in an undergraduate program of study, in the pharmacy program at the University of Kentucky, or in a program of study designated as an equivalent undergraduate program of study by the authority in an administrative regulation, shall receive the maximum award amount for the first award period that the student is enrolled in and attending the program of study.

2. To retain the maximum award for the second award period, an eligible postsecondary student shall have at least a 2.5 grade point average at the end of the first award period, except that if the eligible postsecondary student interrupts enrollment during the award period for any reason specified in subsection (5) of this section, and the participating institution does not certify a cumulative grade point average for that student at the end of that award period, the eligible postsecondary student shall, subject to paragraph (b) of this subsection, retain the maximum award for the award period in which he or she resumes enrollment.

3. To retain the maximum award amount for subsequent award periods, an eligible postsecondary student shall have a cumulative grade point average of 3.0 or greater at the end of the prior award period, except that if the eligible postsecondary student interrupts enrollment during the award period for any reason specified in subsection (5) of this section, and the participating institution does not certify a cumulative grade point average for that student at the end of that award period, the eligible postsecondary student shall, subject to paragraph (b) of this subsection, retain the same award for the award period in which he or she resumes enrollment as he or she received in the award period in which enrollment was interrupted.

4. Any eligible postsecondary student who maintains a cumulative grade point average of less than 3.0 but at least 2.5 at the completion of any award period shall receive a reduction in the maximum award amount equal to fifty percent (50%) of the maximum award amount for the next award period.

5. Any eligible postsecondary student who maintains a cumulative grade point average of less than 2.5 at the completion of any award period shall lose his or her award for the next award period.

6. Each participating institution shall certify to the authority at the close of each award period the cumulative grade point average of each Kentucky educational excellence scholarship recipient enrolled as a full-time or part-time student at the participating institution.

7. Any student who loses eligibility through failure to maintain the required cumulative grade point average may regain eligibility in a subsequent award period upon reestablishing at least a 2.5 cumulative grade point average or its equivalent during a subsequent award period, as certified by the participating institution.

(5) The expiration of a student's eight (8) academic terms and five (5) year eligibility shall be extended by the authority upon a determination that the student was unable to enroll for or complete an academic term due to any of the following circumstances:

(a) A serious and extended illness or injury of the student, certified by an attending physician;

(b) The death or serious and extended illness or injury of an immediate family member of the student, certified by an attending physician, which would render the student unable to attend classes;

(c) Natural disasters that would render a student unable to attend classes; or

(d) ***1.*** Active duty status for the student in the United States Armed Forces or as an officer in the Commissioned Corps of the United States Public Health Service, or active service by the student in the Peace Corps Act or the Americorps[~~, for up to three (3) years~~].

2. A student whose eligibility expired prior to the effective date of this Act due to the three (3) year time limit on eligibility extensions imposed by this paragraph prior to the effective date of this Act shall have his or her eligibility reinstated for the number of months beyond the three (3) years during which he or she was on active duty status.

(6) An eligible postsecondary student who is enrolled at a participating institution in a five (5) year undergraduate degree program designated in an administrative regulation promulgated by the authority shall be eligible to receive the Kentucky educational excellence scholarship, the Kentucky educational excellence scholarship and the supplemental award, or the supplemental award only for a maximum of ten (10) academic terms. The expiration of an eligible postsecondary student's five (5) year eligibility shall be extended to six (6) years for eligible postsecondary students meeting the requirements of this subsection.

(7) Each eligible high school student who attains a 28 or above on the ACT and a 4.0 grade point average for all four (4) years of high school shall be designated as a "Senator Jeff Green Scholar" in honor of the late Senator Jeff Green of Mayfield, Kentucky, First District, and shall be recognized by the high school in a manner consistent with recognition given by the high school to other high levels of academic achievement.

Section 3. Whereas the persons and companies named above have furnished in good faith the services, supplies, and materials enumerated, and the Commonwealth has received the same, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

HB 321, AN ACT relating to delinquent property taxes.

WHEREAS, the Court of Appeals issued an opinion in the case of Flag Drilling Company, Inc. v. Commonwealth of Kentucky, Revenue Cabinet, which was released for publication on March 24, 2005, in which the court held that private purchasers of certificates of delinquency are entitled to collect reasonable attorneys' fees and costs from individuals paying certificates of delinquency; and

WHEREAS, prior to the issuance of that opinion, private purchasers were not permitted to collect reasonable attorneys' fees and costs from individuals paying certificates of delinquency; and

WHEREAS, since the issuance of that opinion, it has come to the attention of the General Assembly that some private purchasers have been attempting to exact unconscionable attorneys' fees and costs from individuals paying certificates of delinquency, and that some private purchasers have made it very difficult for taxpayers to make payments on certificates of delinquency by not providing sufficient contact information to taxpayers; and

WHEREAS, it is the intent of the General Assembly, through the enactment of the provisions of Section 1 of this Act, to establish a reasonable amount that may be collected by private purchasers for costs and attorneys' fees, and to require private purchasers of certificates of delinquency to provide contact information to taxpayers so that taxpayers may pay certificates of delinquency;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 134 IS CREATED TO READ AS FOLLOWS:

(1) (a) The provisions of this subsection are intended to:

1. Establish a reasonable amount of costs and fees that may be collected by a private purchaser from the person paying the certificate of delinquency; and

2. Apply to all private purchasers holding certificates of delinquency on the effective date of this Act, as well as private purchasers that may purchase certificates of delinquency in the future.

(b) Notwithstanding any other provisions of this chapter, a private purchaser of a certificate of delinquency shall be entitled to collect only the following:

1. The amount actually paid to purchase the certificate of delinquency;

2. Interest accrued subsequent to the date the certificate of delinquency was purchased as provided in Section 6 of this Act; and

3. Actual attorneys' fees and any other actual expenses, not to exceed thirteen percent (13%) of the amount actually paid for the certificate of delinquency.

(2) A private purchaser holding a certificate of delinquency on the effective date of this Act shall, regardless of when that certificate of delinquency was purchased, send to the property owner by January 31, 2008, the following information:

(a) The legal name of the purchaser;

(b) The purchaser's physical address;

(c) The purchaser's mailing address for payments, if different from the physical address; and

(d) The purchaser's telephone number.

(4) The provisions of subparagraph 4. of paragraph (b) of subsection (1) of Section 5 of this Act, relating to notice if contact information changes, shall apply to all private purchasers of certificates of delinquency regardless of when the certificate of delinquency was purchased.

Section 2. KRS 134.420 is amended to read as follows:

(1) *(a)* The state and each county, city, or other taxing district shall have a lien on the property assessed for taxes due them respectively for ten (10) years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440.

(b) This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes.

(c) The lien shall include all interest, penalties, fees, commissions, charges, costs,[~~reasonable~~] attorney fees, and other expenses *as provided by this chapter that have been* incurred by reason of delinquency in payment of the tax bill

or certificate of delinquency or in the process of collecting either, and shall have priority over any other obligation or liability for which the property is liable.

(d) The lien of any city, county, or other taxing district shall be of equal rank with that of the state.

(e) When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated.

(f) Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.

(2) If any person liable to pay any tax administered by the Department of Revenue, other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.

(3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the commissioner of the Department of Revenue, or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.

(4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the commissioner of the Department of Revenue or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the Department of Revenue shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.

(5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:

(a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and

2. Is covered by the terms of a written agreement entered into before tax lien filing; and

(b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 3. KRS 134.460 is amended to read as follows:

[~~(1) Certificates of delinquency shall bear interest from the date of issuance until collected at the rate of twelve percent (12%) per annum simple interest. A fraction of a month is counted as an entire month. The total amount of the certificate of delinquency, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in KRS 67C.115 shall be included in the base for the interest calculation.~~

~~(2)~~]Certificates of delinquency shall be prima facie evidence that:

(1)[~~(a)~~]The property represented by the certificate was subject to taxes levied thereon, and was assessed as required by law.

(2)[~~(b)~~] The tax bill was valid and correct in all respects.

(3)[~~(c)~~]The taxes were not paid at any time before the issuance of the certificate.

Section 4. KRS 134.480 is amended to read as follows:

(1) ***(a)*** The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the ***claim is purchased by the sheriff on behalf of the*** state, county, or taxing district ***pursuant to KRS 134.450(2)***[~~was the purchaser~~].

(b) When a certificate is paid to an owner other than the state, county, or taxing district, the assignee shall mark paid in full on the certified copy of the certificate and shall surrender the certified copy of the certificate of delinquency to the person making payment, and***,*** if ***the person making payment***[~~he~~] is the person primarily liable on the certificate***, the person***[~~ he~~] may file it with the county clerk and have the certificate released of record.

(c) When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by ***the person***[~~him~~], and such other information as the department[~~ of Revenue~~] may require. The clerk shall mark the certificate of delinquency paid in full. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment ***of the certificate of delinquency***[~~thereof~~]. ***The payor shall be subrogated to the lien priority of the state, county, or taxing districts as provided in subsection (1) of Section 2 of this Act, and the certificate of delinquency shall be collectible as provided in this subsection and subsection (2) of this section.*** The clerk shall note the assignment on the certificate of delinquency and provide the assignee a certified copy of the certificate of delinquency, or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency.

(d) Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee pursuant to KRS 64.012, have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise ***the person***[~~he~~] shall pay a fee pursuant to KRS 64.012 to the clerk for entering such change on the certificate.

(2) ***(a)*** The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and ***the clerk***[~~he~~] shall give a receipt to the payor and make a report to the department[~~ of Revenue~~], the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days.

(b) The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards.

(c) The clerk[~~He~~] shall pay to the department[~~ of Revenue~~] for deposit with the State Treasurer all moneys collected by ***the clerk***[~~him~~] due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. ***The clerk***[~~He~~] shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto.

(d) The clerk[~~He~~] shall retain ten percent (10%) of the amount due each taxing unit ***as a fee*** for[~~ his~~] services ***provided***[~~as a fee~~]. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.

(3) ***(a) A***[~~If the~~] person entitled to pay a certificate of delinquency ***who is having difficulty locating a private purchaser to make payment on a certificate of delinquency may send***[~~sends~~] a registered letter addressed to ***the private purchaser who is*** the owner of record of the certificate***. If***[~~, other than the state, county, or taxing district, and~~] the letter is returned by mail unclaimed, ***or if the private purchaser fails to respond within fifteen (15) days,*** the sender ***may provide proof that the letter was returned or that the private purchaser did not respond within fifteen (15) days to the county clerk, and***[~~thereof~~] may ***then*** make payment to the county clerk, who shall make the necessary assignment or release and deposit the money in an escrow account for this specific purpose in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. ***The county clerk may maintain one (1) escrow account for all deposits made pursuant to this paragraph and shall maintain a record reflecting the amount due each private purchaser.***

(b) The clerk may deduct the sum of ***twenty dollars ($20)***[~~ten dollars ($10)~~] as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

(c) The clerk shall mail a copy of the certificate by regular mail to the owner of record of the certificate at the address on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon ***written*** demand, the money received in payment of a certificate of delinquency, ***the clerk***[~~he~~] and ***the clerk's***[~~his~~] sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the ***fifteenth day after the*** time ***the clerk***[~~he~~] received ***the written demand***[~~it~~] until paid.

(5) Copies of the records provided for in KRS 134.450 and this section, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 5. KRS 134.490 is amended to read as follows:

(1) Within fifty (50) days after the issuance of a certificate of delinquency to a private purchaser, the private purchaser shall give the same notice as required of a county attorney in KRS 134.500***(3)***[~~(2)~~].

(a) The notice shall advise the owner that***:***

1. The certificate is a lien of record against all property of the owner***;***[~~, and~~]

2. The certificate bears interest at the rate ***provided in Section 6 of this Act;***[~~of twelve percent (12%) per annum,~~] and

3. If the certificate is not paid, it will be subject to collection as provided by law.

(b) In addition, the notice shall provide the following information to the taxpayer:

1. The legal name of the purchaser;

2. The purchaser's physical address;

3. The purchaser's mailing address for payments, if different from the physical address; and

4. The purchaser's telephone number.

If the information required by this paragraph changes, the purchaser shall send a notice to the taxpayer by registered mail with the corrected information. Failure to send the original notice or any correction notices shall result in the suspension of the accrual of all interest and any fees incurred by the purchaser after that date until proper notice is given as required by this subsection.

(2) If a private person is the owner of a certificate of delinquency, ***the private purchaser***[~~he~~] may, after the expiration of the one (1) year period provided in KRS 134.470:

(a) Institute an action against the delinquent taxpayer to collect the amount of the certificate, and any other certificates subsequently issued to the same owner against the same delinquent, and shall have all the remedies available for the enforcement of a debt; or

(b) Institute an action to enforce the lien provided in subsection (1) of KRS 134.420, represented by the certificate that is more than one (1) year of age, and those certificates subsequently held by the same owner against the same delinquent or property; or

(c) Institute one (1) action including both types of actions mentioned in paragraphs (a) and (b) of this subsection, and the joinder of actions shall not be defeated if the delinquent taxpayer has disposed of any property covered by the lien, but the purchaser of the property shall be made a defendant if the judgment is to affect his interest in the property, and as between them the delinquent taxpayer shall be responsible.

(3) If the state, county, or a taxing district is the owner of a certificate of delinquency, it shall have, after the expiration of the one (1) year period provided in KRS 134.470, in addition to the remedies mentioned in subsection (2) of this section, the right to distrain and sell any property owned by the delinquent, including that on which the lien provided in subsection (1) of KRS 134.420 has attached. Any property sold under distraint proceedings shall be sold in the same manner as provided in KRS 134.430 and 134.440, except that the exercise of the power shall be vested in the county attorney.

(4) If property is sold pursuant to a judgment of foreclosure, it shall be appraised pursuant to the provisions of KRS 426.520 and there shall be a right of redemption as provided in KRS 426.530. If there is no purchaser at a foreclosure sale, the master commissioner shall make a deed to the person or persons shown by record to be the owner of the certificate or certificates of delinquency, and they shall have a pro rata interest in accordance with the amount of their respective certificates.

Section 6. KRS 134.500 is amended to read as follows:

(1) (a) [~~Certificates of delinquency shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The five dollar ($5) sheriff's fee, the advertising costs provided in KRS 134.420, the clerk's add on fee provided in KRS 134.480, and the county attorney's add on fee provided in this section shall be included in the interest calculation in counties containing cities of the first class or consolidated local government and shall be excluded in other counties, except upon adoption of an ordinance by a county to include in the interest calculation the fees provided for in KRS 134.420, the clerk's add on fee provided in KRS 134.480, and the county attorney's add on fee provided in this section. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he or she makes the next regular settlement.~~

~~(b)~~]A certificate of delinquency shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. ***The amount on which interest is calculated includes the following:***

1. The face amount of the tax due;

2. The ten percent (10%) penalty;

3. The five dollar ($5) sheriff's fee; and

4. Advertising costs incurred.

(b) If a certificate of delinquency is paid by a private purchaser, the amount paid by the private purchaser shall become the base amount upon which interest is calculated from the date of purchase until paid[~~The total amount of the certificate of delinquency, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be included in the base for the interest calculation~~].

(2) All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(3)[~~(2)~~] The department shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the department shall first offer the collection duties to the county attorney, unless the department determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the department on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the department[~~of Revenue~~] shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(4)[~~(3)~~] The county attorney who enters into a contract with the department shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the department may assume responsibility for all uncollected bills except those with pending court action.

(5)[~~(4)~~] The county attorney who enters into a contract with the department and performs his or her duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action or files a cross-claim, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(6)[~~(5)~~] If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the department shall assume responsibility for the collection process. In the performance of those duties, the department shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the department by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the department for deposit in the delinquent tax fund provided for under KRS 134.400.

(7)[~~(6)~~] Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the commissioner, and the petition may be sent to the department, which may require revision in instances where it deems revision or amendment necessary. The department shall advise the county attorney in all actions, and may send him or her special assistance when the commissioner deems assistance necessary. A copy of the judgment shall also be sent to the department. If the department sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his or her full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(8)[~~(7)~~] The department may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the department to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the department.

(9)~~[(8)]~~ The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 7. KRS 134.990 is amended to read as follows:

(1) Any sheriff who violates subsection (2) of KRS 134.140 shall be fined one hundred dollars ($100) for each offense.

(2) Any person who violates the provisions of KRS 134.150 shall, upon indictment and conviction in the county in which the act was done, be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500), and be removed from office.

(3) Any sheriff who violates subsection (3) of KRS 134.170 shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for each offense.

(4) Any sheriff who violates subsection (2) of KRS 134.200 shall be fined not less than five hundred dollars ($500) for each offense.

(5) Any outgoing sheriff who fails for ten (10) days to comply with the provisions of KRS 134.215 shall be fined not less than fifty dollars ($50) nor more than five hundred dollars ($500), and be liable on his bond for any default.

(6) Any sheriff who fails to report as required in KRS 134.300 shall be liable to indictment in the county of his residence, and upon conviction shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500).

(7) Any sheriff who fails to report as provided in KRS 134.320 shall be liable to indictment in the Franklin Circuit Court, and upon conviction shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for each offense.

(8) Any person who willfully fails to comply with any rule or regulation promulgated under subsection (4) of KRS 134.380 shall be fined not less than twenty dollars ($20) nor more than one thousand dollars ($1,000).

(9) Any sheriff who violates subsection (5) of KRS 134.430 shall be fined one hundred dollars ($100) and be liable on his official bond for the damages sustained by any person aggrieved.

such expenses are not otherwise provided. The charges shall be revised from time to time so as to produce sufficient revenues prescribed by this section.

(7) The resolution shall fix the extent of the revenues pledged by the postsecondary institution, and may specify the terms and conditions upon which additional bonds may be thereafter issued and sold ranking on a parity with and payable from the same sources as the bonds authorized by such resolution.

(8) Upon General Assembly authorization of an agency bonds project, the governing board of the postsecondary institution may issue revenue bond anticipation notes or advance moneys from other legally available funds of the postsecondary institution in order to pay for the costs of land acquisition, site development, studies, professional services, and other costs incidental to the letting of construction bids. 2. The seller's purchase price or sales price of the taxable tangible personal property is fifty percent (50%)

or less of the total purchase price or sales price of the bundled tangible personal property. Sellers shall not use a combination of the purchase price and the sales price of the tangible personal property when making the fifty percent (50%) determination for a transaction.

Section 7. KRS 139.270 is amended to read as follows:

(1) The resale certificate or certificate of exemption relieves the retailer or seller from the burden of proof only if taken in good faith from a person who, at the time of purchasing the tangible personal property:

(a) Indicates an intention to sell it in the regular course of business by executing the resale certificate; or

(b) Indicates that the property purchased will be used in an exempt manner by executing a certificate of exemption.

(2) This relief from liability ***provided to the retailer or the seller in subsection (1) of this section*** does not apply to a retailer or seller who***:***

(a) Fraudulently fails to collect the tax***;***[~~ or~~]

(b) Solicits purchasers to participate in the unlawful claiming of an exemption***; or***

(c) Accepts an exemption certificate when the purchaser claims an entity-based exemption when:

1. The product sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the retailer or seller; and

2. The state in which that location resides provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in that state.

For purposes of this paragraph, "entity-based exemption" means an exemption based on who purchases the product or who sells the product. An exemption available to all individuals shall not be considered an entity-based exemption.

(3)[~~(2)~~] ***(a)*** "Good faith" shall be demonstrated by the retailer or seller if the retailer or seller:

(b) If the retailer or seller has not obtained an exemption certificate or resale certificate or all relevant data elements within ninety (90) days subsequent to the date of sale, in keeping with the good faith standard, the seller or retailer may offer additional documentation to the department that the transaction is not subject to tax after the ninety (90) day period which the department may consider.

(4)[~~(3)~~] If the department later finds that the retailer or seller exercised good faith according to the provisions of subsection (2) of this section but that the purchaser used the property in a manner that would not have qualified for resale status or the purchaser issued a certificate of exemption and used the property in some other manner or for some other purpose, the department shall hold the purchaser liable for the remittance of the tax and may apply penalties provided in KRS 139.990.

Section 8. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the retailer via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents ($0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the department. unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit shall not be entitled to the exemption even though the purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include but not be limited to natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the Department of Revenue;

2. Classified as "residential" by a municipally owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;
3. Classified as "residential" by the governing body of a municipally owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

(11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property at a plant facility and which will be for sale. The property shall be regarded as having been purchased for resale. "Plant facility" shall have the same meaning as defined in KRS 139.170(3). For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.

(a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they shall come into direct contact with the product being manufactured.

A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. Repair, replacement, or spare parts shall not be considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing. "Repair, replacement, or spare parts" shall have the same meaning as set forth in KRS 139.170;

(15) Gross receipts from the sale of metal retail fixtures manufactured in this state and purchased for storage, use, or other consumption outside this state and delivered by the retailer's own vehicle to a location outside this state, or delivered to the United States Postal Service, a common carrier, or a contract carrier for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer or an agent or representative of the purchaser or retailer, or whether the F.O.B. is the retailer's shipping point or the purchaser's destination.

(a) As used in this subsection, "metal retail fixtures" means check stands and belted and nonbelted checkout counters, whether made in bulk or pursuant to specific purchaser specifications, that are to be used directly by the purchaser or to be distributed by the purchaser.
